In addition, pursuant to section 27.1 of the *Ontario Energy Board Act, 1998*, I hereby direct the Board to dispense, under section 6.1 of the Enbridge Undertakings, with future compliance with section 2.1 of the Enbridge Undertakings in respect of research, review, preliminary

investigation, project development and the provision of services related to the following business activities:

- (a) the local distribution of steam, hot and cold water in a Markham District Energy initiative; and

Further, pursuant to section 27.1 of the *Ontario Energy Board Act, 1998*, I hereby direct the Board to dispense, under section 6.1 of the Union Undertakings, with future compliance with section 2.1 of the Union Undertakings in respect of research, review, preliminary investigation, project development and the provision of services related to the following business activities:

SCHEDULE 1
CODE OF CONDUCT

The Code of Conduct is intended to establish system-wide guidance governing the use of professional allowances to be paid by manufacturers to operators of pharmacies, or companies that own, operate or franchise pharmacies, or to their directors, officers, employees or agents.

FUNDAMENTAL PRINCIPLES

To act transparently, manufacturers, operators of pharmacies, or companies that own, operate or franchise pharmacies, including their directors, officers, employees or agents must make the executive officer and other stakeholders knowledgeable of, and fully understand, the flow of funds in the drug products supply chain. This includes recording and reporting all such payments as required by the executive officer, and being subject to audit by the Ministry or a third party.
3. All suppliers of drug products as well as operators of pharmacies, or companies that own, operate or franchise pharmacies, including their directors, officers, employees or agents, must commit to abide by this Code of Conduct. Any breach of the Code will be subject to enforcement as set out in the *Ontario Drug Benefit Act* and the *Drug Interchangeability and Dispensing Fee Act*.

14. Store fixtures.
15. Real estate purchases or sales, encumbrances, leases or rent.

Professional allowances are to be calculated based on the following criteria:

1. Reasonable costs to provide direct patient care as set out in paragraphs 1 to 8 of the definition of "professional allowance" in subsection 2 (1) of the regulation.
2. Reasonable frequency of providing direct patient care as set out in paragraphs 1 to 8 of the definition of "professional allowance" in subsection 2 (1) of the regulation.

PHARMACY REPRESENTATIVES

Pharmacy representatives shall conduct business ethically and in a manner that is in the best interest of their patients.

Section 3 - Liability Coverage describes what we will cover if someone is killed or injured in an accident, or their property is damaged, when you or other insured persons are at fault in the accident.

Section 4 - Accident Benefits Coverage outlines benefits available if you are injured in an accident, regardless of who caused the accident.

Section 5 - Uninsured Automobile Coverage describes what we will cover if someone is injured or killed by an uninsured motorist or by a hit-and-run driver.

Section 6 - Direct Compensation - Property Damage Coverage describes what we will cover if there is damage to your automobile in an accident that is not entirely your fault.

Section 7 - Loss or Damage Coverages describes optional coverage against loss of, or damage to, your automobile caused by collision, fire, theft and a variety of other unpredictable risks.

Section 8 - Statutory Conditions lists the conditions required by the *Insurance Act* for all automobile insurance policies in Ontario. What Insurance is Required by Law?

If you own an automobile that is operated on a highway in Ontario, certain insurance coverages are required by law. You may also choose to buy additional insurance to extend these coverages to protect against other risks. The chart below is **only a general summary** to give you an idea of the insurance coverages available to you. For details of each coverage and the conditions that apply, you should consult the appropriate sections of the policy. If there is a difference between the information in this chart and the appropriate section of the policy, the section of the policy prevails.

You only have a specific coverage if your Certificate of Automobile Insurance shows a premium for it or it is provided at no cost. If you have insured more than one automobile, a premium must be shown for each automobile.

These benefits include: <ul style="list-style-type: none"> · supplementary medical care, rehabilitation and attendant care; · a tax-free income benefit for wage earners or self-employed; · an allowance to those who have no income from employment; · an allowance when a caregiver is injured; and · funeral expenses and death benefits when a person dies in an accident. Section 1

Introduction

1.1 This Policy is Part of a Contract

This policy is part of a contract between you and us. The contract includes three documents:

- a completed and signed Application for Automobile Insurance,
- a Certificate of Automobile Insurance, and
- this policy.

Under the contract, we agree to provide you with the insurance that is summarized on your Certificate of Automobile Insurance, and for which you have agreed to pay a premium.

You only have a particular coverage for a specific automobile if your Certificate of Automobile Insurance shows a premium for it or shows the coverage is provided at no cost.

1.2 Where You Are Covered

This policy covers you and other insured persons for incidents occurring in Canada, the United States of America and any other jurisdiction designated in the Statutory Accident Benefits Schedule, and on a vessel travelling between ports of those countries. All of the dollar limits described in this policy are in Canadian funds.

1.3 Definitions

In this Section we will explain terms used throughout this policy.

Automobile

In this policy, **motorized snow vehicle** is included in the definition of **automobile**. Regulations may include, or exclude, certain other types or classes of vehicles as automobiles.

In this policy, there is a difference between **a described automobile** and **the automobile**. When we refer to an automobile as **described**, we mean any automobile specifically shown on the Certificate of Automobile Insurance.

When we refer to **the automobile**, we mean:

- a described automobile,
- a newly acquired automobile,
- a temporary substitute automobile,
- other automobiles driven by you, or driven by your spouse who lives with you, or
- trailers, in certain circumstances.

These types of automobiles are described more fully in Section 2.

Certificate of Automobile Insurance

A **Certificate of Automobile Insurance** is a written document summarizing your insurance coverage. It shows your name and/or organization, and the described automobile or automobiles. It lists the coverages purchased, premiums charged, and the period during which the insurance is in effect.

Covered/Coverage

When we talk of someone or something being **covered**, we mean that they are protected by insurance. When we speak of **coverage**, we are describing what types of protection they have and how much for each type.

Direct Loss or Damage

Direct loss or damage refers to damage or loss caused directly by a peril. This is different than an indirect loss. For example, damage to an automobile resulting from a collision is a direct loss. Loss of the use of an automobile while it is being repaired is an indirect loss.

Excluded Driver

An **excluded driver** is someone specifically not covered by this policy when driving the described, temporary substitute or newly acquired automobile(s). The only exception is coverage for those **Accident Benefits** the law requires to be paid to anyone injured in an automobile accident in Ontario.

Named Insured

The **named insured** is the person or organization to whom the Certificate of Automobile Insurance is issued.

Occupant

In this policy, an **occupant** is a person, including the driver, in or on an automobile, or getting into, on, out of, or off an automobile.

Proof of Loss Form

A **proof of loss form** records the formal statement concerning a loss for which a claim is submitted. It provides us with all the information we need to determine whether the claim is reasonable and the extent of our liability.

Spouse

Spouse means either of two persons who:

- are married to each other;
- have together entered into a marriage that is voidable or void, in good faith on the part of the person making a claim under this policy; or
- have lived together in a conjugal relationship outside marriage,

- continuously for a period of not less than three years, or
- in a relationship of some permanence, if they are the natural or adoptive parents of a child.

We and You

Throughout this policy the words **you** and **your** refer to the person or organization shown on the Certificate of Automobile Insurance as the named insured.

Other people may also be covered under certain conditions. We call both them and you **insured persons**.

We, **our** and **us** mean the company providing the insurance.

1.4 Your Responsibilities

If you fail to meet your responsibilities, claims under this policy, with the exception of certain Accident Benefits, may be denied.

By accepting this contract you agree to the following conditions.

- 1.4.1** You agree to notify us promptly in writing of any significant change of which you are aware in your status as a driver, owner or lessee of a described automobile. You also agree to let us know of any change that might increase the risk of an incident or affect our willingness to insure you at current rates.

You must promptly tell us of any change in information supplied in your original application for insurance, such as additional drivers, or a change in the way a described automobile is used.

- 1.4.2** You agree to inform us of any sale or transfer of your interest in a described automobile except through change of title by succession, death or proceedings under the *Bankruptcy and Insolvency Act* (Canada).

- 1.4.3** If you have purchased optional **Loss or Damage** Coverages, you agree to inform us of any new lien (an interest by others), mortgage or loan that affects a described automobile, as well as any other insurance against loss or damage.

- 1.4.4** You agree to inform us in writing of any incident involving the automobile that must be reported to the police under the *Highway Traffic Act* or for which you intend to make a claim under this policy. You must notify us within seven days of the incident or, if unable, as soon as possible after that.

- 1.4.5** You agree not to drive or operate the automobile, or allow anyone else to drive or operate the automobile, when not authorized by law.

- 1.4.6** You agree not to use or allow anyone to use the automobile in a race or speed test or for any illegal trade or transportation.

- 1.4.7** You agree to permit us to inspect the automobile and its equipment at all reasonable times.

1.5 Where to Make A Claim and Who May Make It

Warning - Offences

It is an offence under the *Insurance Act* to knowingly make a false or misleading statement or representation to an insurer in connection with the person's entitlement to a benefit under a contract of insurance, or to wilfully fail to inform the insurer of a material change in circumstances within 14 days, in connection with such entitlement. The offence is punishable on conviction by a maximum fine of \$100,000 for the first offence and a maximum fine of \$200,000 for any subsequent conviction.

It is an offence under the federal *Criminal Code* for anyone to knowingly make or use a false document with the intent it be acted on as genuine and the offence is punishable, on conviction, by a maximum of 10 years imprisonment.

It is an offence under the federal *Criminal Code* for anyone, by deceit, falsehood, or other dishonest act, to defraud or to attempt to defraud an insurance company. The offence is punishable, on conviction, by a maximum of 10 years imprisonment for cases involving an amount over \$5,000 or otherwise a maximum of 2 years imprisonment.

You or other insured persons must notify us of a claim and provide proof of the claim. This may be done in person or by registered mail addressed to our chief agent or head office in Ontario.

If you or other insured persons are unable to notify us or complete any required document for good reason, someone may act on your behalf.

If you or other insured persons refuse, or are unable, to complete any required document, anyone to whom any part of the insurance money is payable may do so instead.

1.6 Our Rights and Responsibilities

1.6.1 Payment of Claims

We will pay legitimate claims within 60 days of receiving a proof of loss. Some claims for **Accident Benefits** will be paid sooner.

If we refuse to pay a claim, we will notify the insured person in writing explaining the reasons why we are not liable to pay.

1.6.2 If You Have Been Incorrectly Classified and Your Premium is Wrong

We use rules that determine the amount you pay for each coverage and category of automobile insurance. You are classified according to these rules.

If you have been incorrectly classified, we will correct the situation.

If the incorrect classification resulted in your paying too high a premium, we will refund any premium overpayment with interest. The interest will cover the period for which you were overcharged.

The rate of interest will be the bank rate, as set by the Bank of Canada, on the first day of the last month of the quarter preceding the quarter in which you were incorrectly classified. If the bank rate includes a fraction we will round it off to the next highest number. (The bank rate is the rate at which the Bank of Canada makes short-term loans to chartered banks.)

If the incorrect classification resulted in your paying too low a premium, we will require you to pay an additional premium as long as we tell you within 60 days of the effective date of the policy. We will not charge you interest on the additional premium.

1.6.3 Monthly Premium Payment Option

The law may allow you to pay your premium in equal monthly payments. If so, we may charge you interest at a rate determined by the provincial government under the *Insurance Act* (Ontario).

1.7 Cancelling Your Insurance

1.7.1 When You Cancel

You may cancel your insurance at any time by advising us.

If you cancel, we will calculate the premium you owe on a short rate basis. Short rate means that the premium you owe will include our handling costs. We will refund anything due to you as soon as possible.

There may be a minimum premium set out in your Certificate of Automobile Insurance. This will not be refunded.

1.7.2 When We Cancel

Where your policy has been in effect for less than 60 days, we may only cancel your policy for a reason that we have filed with the Financial Services Commission of Ontario.

Where your policy has been in effect for more than 60 days, we may only cancel your policy for one of the following reasons:

- non-payment of premium,
- you have given false particulars of the automobile,
- you have knowingly misrepresented or failed to disclose information that you were required to provide in the application for automobile insurance, or
- the risk has changed materially.

If we cancel your policy, we will calculate the premium you owe on a proportionate basis. Proportionate means you will pay for the actual number of days you were covered. For example, if half the premium period is over, you will pay half the premium.

There may be a minimum premium shown on your Certificate of Automobile Insurance. This will not be refunded.

If you have paid more than the premium you owe, we will refund the difference on cancellation. Your refund may be delayed if the amount of premium you owe is subject to adjustment, or we are waiting for reports in order to determine the premium paid or owing. We will make the refund as soon as possible in that case.

1.7.3 How We Can Cancel for Non-payment of Premium

In case of non-payment of premium, we may give you a notice in writing. We must give you ten days notice if we deliver the notice in person, or 30 days notice by sending the notice by registered mail to your last known address. The 30-day period starts on the second day after we mail the registered letter. The notice will inform you that you have until noon of the business day before the last day of the notice period to pay the arrears, plus an administration fee, failing which the policy will automatically be cancelled effective at 12:01 a.m. on the last day of the notice period. If you pay the arrears and the administration fee in time, then your policy will not be cancelled.

But if we have already given you two notices of non-payment of premium during the term of your policy and a non-payment occurs again, we don't have to give you another notice under this section; instead we may cancel your policy as described in section 1.7.4.

1.7.4 How We Can Cancel for Repeated Non-payment or Other Reasons

If we cancel your insurance for non-payment of premium because we have already given you two notices during the term of your policy as described in section 1.7.3, or if we cancel for any other reason, we will notify you in writing. We must give you five days notice if we deliver the notice of cancellation in person, or 15 days notice by sending the notice of cancellation by registered mail to your last known address. The 15-day period starts on the second day after we mail the registered letter. If the notice was given because we have already given you two notices of non-payment during the term of your policy as described in section 1.7.3, we are under no obligation to accept a late payment or to keep the policy in force after the effective date of cancellation.

1.8 Who and What We Won't Cover

1.8.1 General Exclusion

Except for certain **Accident Benefits** coverage, there is no coverage under this policy if:

- the automobile is used to carry explosives or radioactive material; or
- the automobile is used as a taxicab, bus, a sightseeing conveyance or to carry paying passengers. **However**, we don't consider the following as situations involving carrying paying passengers:
 - giving a ride to someone in return for a ride,
 - sharing the cost of an occasional trip with others in the automobile,
 - carrying a domestic worker hired by you or your spouse,
 - occasionally carrying children to or from school activities that are conducted within the educational program,
 - carrying current or prospective clients and customers, or
 - reimbursing volunteer drivers for their reasonable driving expenses, including gas, vehicle wear and tear and meals.

1.8.2 Excluded Drivers and Driving Without Permission

Except for certain **Accident Benefits** coverage, there is no coverage (including coverage for occupants) under this policy if the automobile is used or operated by a person in possession of the automobile without the owner's consent or is driven by a person named as an excluded driver of the automobile.

Except for certain **Accident Benefits** coverage, there is no coverage under this policy for a person who, at the time he or she willingly becomes an occupant of an automobile, knows or ought reasonably to know that the automobile is being used or operated by a person in possession of the automobile without the owner's consent.

1.8.3 Rented or Leased Automobile

Except for certain **Accident Benefits** coverage, there is no coverage under this policy if the automobile is rented or leased by you to another. **However**, if an insured person is using the automobile for an employer's business and is paid for using it, we won't consider that renting or leasing.

1.8.4 Garage Workers Not Covered

No person who sells, repairs, maintains, stores, services, or parks automobiles as part of a business is covered by this policy while involved in conducting that business, unless the person in fact owns the automobile involved in an incident or is the partner or employee of the owner.

1.8.5 Losses Due to War Activities Not Covered

With the exception of Liability Coverage, this policy does not cover loss, damage, injury or death caused by war activities. War activities include bombardment, invasion, civil war, insurrection, rebellion, revolution, coup, or actions of armed forces while engaged in a war, whether declared or not.

Other restrictions apply to specific coverages, such as Accident Benefits and optional Loss or Damage coverages. These additional restrictions will be described in the appropriate Sections of this policy.

Section 2

What Automobiles Are Covered?

2.1 Described Automobile

A described automobile is any automobile or trailer specifically shown on your Certificate of Automobile Insurance.

Your Certificate of Automobile Insurance shows which coverages you have purchased for each described automobile. The coverages could include:

- Liability,
- Accident Benefits,
- Uninsured Automobile,
- Direct Compensation - Property Damage, and
- Loss or Damage.

2.2. Extending Your Insurance to Other Automobiles

If a premium is shown on the Certificate of Automobile Insurance for a specific coverage for a described automobile, then this coverage may be available in the event of a loss for other types of automobiles under this policy. The following chart summarizes the types of coverage that can be extended to other types of automobiles. This chart is only a guide. Details of coverages are explained later in this Section.

What Types of Coverage Extend to Other Automobiles?

		Coverage Purchased on Described Automobile				
		Liability	Accident Benefits	Uninsured Automobile	Direct Compensation	Loss or Damage
Type of Automobile	Newly Acquired Auto (Replacement Auto)	Yes. The replacement auto has the same coverage as the described automobile it replaces, as long as you notify us within 14 days of delivery of the new automobile.				Yes (Conditions Apply)
	Newly Acquired Auto (Additional Auto)	Yes, if we insure all automobiles you own for the same type of coverage on the day you take delivery and you notify us within 14 days of delivery of the new automobile.				Yes (Conditions Apply)
	Temporary Substitute Auto	Yes	Yes	Yes	Yes	Yes (Conditions Apply)
	Any Other Auto, including Other Autos that are Rented or Leased	Yes (Conditions Apply)	Yes	Yes	Yes	No
	Owned Trailer (and not described)	Yes, if used in connection with an automobile covered by the policy.			(Conditions Apply)	No
	Non-Owned Trailer	Yes, if used in connection with an automobile covered by the policy.			No	No

2.2.1 Newly Acquired Automobiles

A newly acquired automobile is an automobile or trailer that you acquire as owner and that is not covered under any other policy. It can be either a replacement or an additional automobile. The replacement automobile will have the same coverage as the described automobile it replaces. We will cover an additional automobile as long as:

- we insure all automobiles you own, and
- any claim you make for the additional automobile is made against a coverage we provide for **all** your other automobiles.

Your newly acquired automobile(s) will be insured as long as you inform us within 14 days from the time of delivery and pay any additional premium required.

We may inspect the newly acquired vehicle and its equipment at any reasonable time.

Special Condition: Coverage is not extended to a newly acquired automobile if you are in the business of selling automobiles.

2.2.2 Temporary Substitute Automobile

A temporary substitute automobile is an automobile that is temporarily used while a described automobile is out of service. The described automobile must not be in use by anyone insured by this policy, because of its breakdown, repair, servicing, theft, sale or destruction.

Coverage for a temporary substitute automobile is provided under the automobile policy of the owner of the temporary substitute automobile. However, this policy may also provide coverage.

The following coverages apply to a temporary substitute automobile if a premium is shown for them on the Certificate of Automobile Insurance for the described automobile that is temporarily out of service:

- Liability,
- Accident Benefits,
- Uninsured Automobile, and
- Direct Compensation - Property Damage.

If you have purchased optional **Loss or Damage** Coverages on a described automobile and it is temporarily out of service, there are special conditions about this coverage for temporary substitute automobiles. These conditions are explained in Section 7 - Loss or Damage Coverages of this policy.

Special Condition: A temporary substitute automobile cannot be owned by you or by anyone living in the same dwelling as you.

2.2.3 Other Automobiles

Automobiles, other than a described automobile, are also covered when driven by you, or driven by your spouse who lives with you.

The following coverages apply to other automobiles if a premium is shown for the coverage on the Certificate of Automobile Insurance for a described automobile:

- Liability,
- Accident Benefits,
- Uninsured Automobile, and
- Direct Compensation - Property Damage.

Special Conditions: For other automobiles to be covered, the following conditions apply:

1. Both the other automobile and a described automobile must not have a manufacturer's gross vehicle weight rating of more than 4,500 kilograms.
2. The named insured is an individual, or if the described automobile is owned by two people, the named insureds are spouses of each other.
3. Neither you nor your spouse is driving the other automobile in connection with the business of selling, repairing, maintaining, storing, servicing or parking automobiles.
4. The other automobile is not being used to carry paying passengers or to make commercial deliveries at the time of any loss.
5. **For all coverages, except Accident Benefits**, the other automobile cannot be an automobile that you or anyone living in your dwelling owns or regularly uses. (For the purposes of this paragraph, we don't consider use of an automobile rented for 30 or fewer days to be regular use.) Nor can the other automobile be owned, hired or leased by your employer or the employer of anyone living in your household. However, if you drive one of these other automobiles while an excluded driver under the policy for that automobile, this policy will provide **Liability** and **Uninsured Automobile Coverages** while you drive that automobile.
6. **If you are a corporation, unincorporated association, partnership, sole proprietorship, business or other entity**, the employee or partner for whose regular use a described automobile is supplied, and their spouse who lives with that person, will be covered when they drive the other automobile, under the following conditions:
 - Both the other automobile and the described automobile must not have a manufacturer's gross vehicle weight rating of more than 4,500 kilograms.
 - Neither the employee nor partner who is provided with a described automobile, nor their spouses if they live with the employee or partner, are driving the other automobile in connection with the business of selling, repairing, maintaining, storing, servicing or parking automobiles.
 - The other automobile is not being used to carry paying passengers or to make commercial deliveries at the time of any loss.
 - The other automobile must not be owned, hired, leased, or regularly or frequently used by you or by your employee or any partner, or by anyone living in the same dwelling as these persons.
 - Except as provided under subsection 2.2.4, this policy doesn't cover the employee or partner or their spouse if they own, lease or rent any automobile and it is insured as the law requires and does not have a manufacturer's gross vehicle weight rating of more than 4,500 kilograms.
7. For **Direct Compensation - Property Damage** Coverage the other automobile cannot be a described automobile in a motor vehicle liability policy.

2.2.4 Other Automobiles that are Rented or Leased

For convenience in this subsection we use the terms **rented** and **renting** as equivalent to **leased** and **leasing**.

In addition to the coverages referred to in subsection 2.2.3, the following coverage applies to rented automobiles if a premium is shown for the coverage on the Certificate of Automobile Insurance for a described automobile:

- Liability.

Automobiles, other than a described automobile, are covered as described in this subsection when rented by you, or by your spouse who lives with you, for periods of not more than 30 days, but only with respect to the liability of the person renting the automobile arising from the negligence of the driver of that automobile, and only if the driver is not an excluded driver under this policy.

Special Conditions: For rented automobiles to be covered, the following conditions apply:

1. Both the rented automobile and the described automobile must not have a manufacturer's gross vehicle weight rating of more than 4,500 kilograms.
2. The named insured is an individual, or if the described automobile is owned by two people, the named insureds are spouses of each other.
3. Neither you nor your spouse is renting the other automobile in connection with the business of selling, repairing, maintaining, storing, servicing or parking automobiles.
4. The rented automobile is not being used to carry paying passengers or to make commercial deliveries at the time of any loss.
5. The rented automobile cannot be an automobile that you or anyone living in your dwelling owns or regularly uses. Nor can the rented automobile be owned, hired or leased by your employer or the employer of anyone living in your household. For the purposes of this paragraph, we don't consider use of an automobile rented for 30 or fewer days to be regular use.
6. **If you are a corporation, unincorporated association, partnership, sole proprietorship, business or other entity**, the employee or partner for whose regular use a described automobile is supplied, and their spouse who lives with that person, will be covered when they rent an automobile, under the following conditions:
 - Both the rented automobile and the described automobile must not have a manufacturer's gross vehicle weight rating of more than 4,500 kilograms.
 - Neither the employee nor partner who is provided with a described automobile, nor their spouses if they live with the employee or partner, are renting the automobile in connection with the business of selling, repairing, maintaining, storing, servicing or parking automobiles.
 - The rented automobile is not being used to carry paying passengers or to make commercial deliveries at the time of any loss.

2.2.5 Trailers

Any trailer used in connection with the automobile is insured for the following coverages:

- Liability,
- Accident Benefits, and
- Uninsured Automobile.

Special Conditions: Any trailer you own and that is not described in this policy is also covered for **Direct Compensation - Property Damage** Coverage under the following conditions:

- If it is attached to an automobile with a manufacturer's gross vehicle weight rating of not more than 4,500 kilograms, or if not attached, it is normally used with an automobile with a manufacturer's gross vehicle weight rating of not more than 4,500 kilograms.
- It is not designed or used for living in, to carry passengers, or for commercial purposes.

2.3 When You Have Insured Two Or More Automobiles**2.3.1 Under the Same Policy**

When more than one automobile is described on your Certificate of Automobile Insurance, we will treat each automobile as if it were insured by a separate policy for claims resulting from its use or operation.

However, in the case of an incident involving an automobile you don't own, we will only pay up to the highest limit that applies to any one automobile described in this policy.

Example

Your automobile policy has Liability Coverage on two automobiles for \$300,000 and \$500,000 respectively. If you are driving someone else's automobile and are involved in an accident, the most we would pay is \$500,000.

2.3.2 Under More Than One Policy

When you have two or more automobiles insured as described automobiles under two or more policies, each automobile will be covered by its respective policy.

However, determining how much we will pay is more complicated if there is an incident in an automobile you don't own.

The amount we will pay under this policy for any incident will be a fraction of the highest policy limit. This fraction will be the proportion that the limit under this policy bears to the total of the limits of all the policies.

In no case will we pay more than this proportion of the highest limit.

Example

You have an automobile with Liability Coverage for \$200,000 under this policy (Policy A) and another automobile with Liability Coverage for \$300,000 under a separate policy (Policy B). If you have an accident while driving an automobile you don't own, here is how we will calculate the amount we will pay.

Step 1. What is the total of the limits of all the policies?

200,000 (limit under Policy A)
 + 300,000 (limit under Policy B)
 500,000 (total under both policies)

Step 2. What is the proportion of the limit under Policy A to the total from Step 1?

200,000 (limit under Policy A) = $\frac{2}{5}$
 500,000 (total under both policies)

Step 3. What is the most we will pay under this policy?

$\frac{2}{5} \times 300,000$ (highest policy limit) = 120,000

The most we would pay would be 2/5 of the loss, but never more than \$120,000, 2/5 of the highest policy limit. **The other policy will pay the remaining 3/5 of the loss to a maximum of \$180,000.**

2.4. Trailers and Towing

2.4.1 Trailers

An automobile pulling one or more trailers will be treated as a single automobile when determining how much we will pay under **Liability, Accident Benefits** and **Uninsured Automobile** Coverages. However, they will be treated as separate automobiles when determining the deductibles and how much we will pay under **Direct Compensation - Property Damage** and optional **Loss or Damage** Coverages.

2.4.2 Automobiles in Tow

In any incident involving two or more automobiles owned by different persons and attached to each other, the insurer of each automobile will compensate its insured for losses according to the terms of the **Direct Compensation - Property Damage** and optional **Loss or Damage** coverages.

2.5 Inspection

We may inspect the automobile at any reasonable time. If you do not co-operate with any reasonable arrangements for inspection, your optional **Loss or Damage Coverages** under Section 7 may be cancelled and any claims under that Section may be denied.

Section 3

Liability Coverage

You only have a particular coverage for a specific automobile if your Certificate of Automobile Insurance shows a premium for it or shows the coverage is provided at no cost.

3.1 Introduction

This Section of your policy provides coverage for amounts that the law holds you or other insured persons responsible for bodily injuries or losses others suffer in an automobile incident.

3.2 Who is Covered

You are covered when you, or anyone else in possession of a described automobile with your consent, uses or operates it. We will consider these other people insured persons.

Your Liability Coverage applies when you or others use or operate certain other types of automobiles. See Section 2 for details and additional conditions.

3.3 What We Cover

You or other insured persons may be legally responsible for the bodily injury to, or death of others, or for damage to the property of others as a result of owning, leasing or operating the automobile or renting or leasing another automobile. In these cases, we will make any payment on your or other insured persons' behalf that the law requires, up to the limits of the policy.

We will also reimburse anyone covered by this policy for costs involved in providing immediate medical aid needed by someone hurt in an automobile incident.

When we receive notice of loss or damage caused to persons or property we will investigate. We may then negotiate a settlement on behalf of you or other insured persons.

3.3.1 If Someone Sues You

By accepting this policy you and other insured persons irrevocably appoint us to act on your or their behalf in any lawsuit against you or them in Canada, the United States of America or any other jurisdiction designated in the Statutory Accident Benefits Schedule arising out of the ownership, use or operation of the automobile.

If someone sues you or other insured persons insured by this Section for losses suffered in an automobile incident, we will provide a defence and cover the costs of that defence, including investigation costs. We will pay all legal costs the court assesses against you and other insured persons in the lawsuit we have defended.

If there is a judgment against you or other insured persons, we will pay any post-judgment interest owed on that part of the amount the court orders that falls within the liability limits of your policy.

We reserve the right to investigate, negotiate and settle any claim out of court if we choose.

If you are sued for more than the limits of your policy, you may wish to hire, at your cost, your own lawyer to protect yourself against the additional risk.

3.3.2 How Much We Will Pay

The most we will pay on your behalf and on behalf of all other insured persons insured by this Section, for any one incident (over and above legal costs and post-judgment interest) will be determined by the extent of your coverage. The limit under your policy is shown on the Certificate of Automobile Insurance.

Example

You are sued for injuries suffered by another person in an accident that you are legally responsible for. We will hire lawyers at our expense and cover all costs of your defence in court.

The court orders you to pay \$10,000 in costs and \$600,000 to cover losses. Your liability limit is \$500,000.

We will cover the \$10,000 in costs, and \$500,000 of the judgment. We will also pay any interest owed on that amount from the day of the judgment. You will be responsible for the remaining \$100,000 of the judgment and any interest owed on that.

3.3.3 Outside Ontario

If the incident happens in a jurisdiction covered by this policy in which the minimum liability coverage required is higher than the limit shown on the Certificate of Automobile Insurance, we will honour the higher amount. We also agree not to use any legal defence that would not be available if the policy had been issued in that jurisdiction.

Example

You have an accident in a province where the minimum liability coverage required is \$500,000. Even though you are only carrying \$200,000 worth of liability insurance, we will pay up to \$500,000.

3.3.4 If There is More Than One Named Insured Under This Policy

We will protect you and others named as insured by this policy, for claims made against each other. In such cases, we will act as if a separate policy was issued to each named insured. However, the total amount we will pay (over and above legal costs and post-judgment interest) cannot exceed the maximum coverage shown on the Certificate of Automobile Insurance.

Example

Two people are in business together. Both are named in the insurance policy covering their van. They have bought Liability Coverage of \$500,000.

One day, there is an accident while one is driving and the other is a passenger. Both of them are severely injured as a result of their combined negligence.

They sue each other and one is awarded \$300,000 and the other \$500,000. The combined amount we will pay will not be more than the policy limit of \$500,000 plus legal costs and post-judgment interest.

3.3.5 Rented and Leased Automobiles

For convenience in this subsection we use the terms **rent**, **renter** and **rented** as equivalent to **lease**, **lessee** and **leased**.

This policy provides coverage for persons who rent an automobile, as described in the definitions of **automobile** in Section 2, as a result of liability imposed by law arising from the negligence of the driver of that automobile.

If a liability claim is made against a driver, renter or owner of a rented automobile, coverage may be available under more than one motor vehicle liability policy. The following rules govern the order in which the policies will respond:

1. If insurance is available to the person who rented the automobile, the policy providing that insurance responds first.
2. If insurance is available to the driver of the rented automobile, the policy providing that insurance responds next.
3. If insurance is available to the owner of the rented automobile, the policy providing that insurance responds last.

We have no liability for such claims in excess of the limit of liability coverage specified in the Certificate of Automobile Insurance and do not have the responsibility to defend such claims against anyone other than you, your spouse who lives with you, or the persons mentioned in subsections 2.2.3 (6) and 2.2.4 (6).

Example #1*

You rent a car and your friend is driving it when an accident occurs in Ontario. You, your friend, and the rental company may face claims by other people who have sustained a loss in the accident. If insurance is available to you under your policy for such claims and your friend was at fault for the accident, then your policy would be first in line to pay those people. If that coverage were used up, and if insurance is available to your friend under his or her policy, your friend's insurer would pay next. If that coverage were used up, any insurance available under the rental company's policy would then pay. None of the insurers has to pay more than the limit of coverage that it agreed to provide.

Example #2*

Your friend rents a car and you are driving it when an accident occurs in Ontario. You, your friend, and the rental company may face claims by other people who have sustained a loss in the accident. If you were at fault for the accident and insurance is available to your friend under his or her policy for such claims, then your friend's insurer would be first in line to pay those people. If that coverage were used up, and if insurance is available to you under your policy, then your insurer would pay next. If that coverage were used up, any insurance available under the rental company's policy would then pay. None of the insurers has to pay more than the limit of coverage that it agreed to provide.

3.4 Your and Other Insured Persons' Responsibilities

You and other insured persons agree:

- to notify us in writing within seven days of any incident involving loss or damage to persons or property (or, if unable because of incapacity, as soon as possible after that), giving us full details of the incident and any claim arising from it;
- if requested, to give us a statutory declaration that the claim arose out of the use or operation of the automobile and that you or other insured persons were using, operating or responsible for the operation of it;
- to help us obtain all necessary information and evidence about the incident, including the attendance of witnesses, and to cooperate, but not financially, in any legal actions if we ask;
- to send immediately to us everything received in writing concerning the claim, including legal documents; and

* These examples are provided as a convenience only, to illustrate the operation of section 277 of the Insurance Act (Ontario). If there is a discrepancy between section 277 and these examples, section 277 prevails. In addition, whether or not insurance is available under a policy in any given situation depends on the facts of that situation and the terms of the particular policy.

- not to assume any liability for the incident, or settle any claim, except at your or other insured persons' own cost, and not to interfere in any legal proceeding or in any negotiations we conduct to settle any claim.

We may, on occasion, be required by law to make payments, even though we are not otherwise liable for them under this policy. If so, you or other insured persons will have to reimburse us upon demand for those payments.

3.5 Other Limitations On Your Coverage

3.5.1 Property Not Covered

Under this Section, we won't cover claims for damage to property carried in or upon the automobile, or claims for damage to other property owned or rented by, or in the care, custody or control of you or other insured persons.

3.5.2 Contamination of Property

Under this Section, we won't cover claims arising from contamination of property carried in the automobile.

3.5.3 Nuclear Hazards

Nuclear energy hazards means radioactive, toxic, explosive or other hazardous properties of substances described in Regulations made under the *Nuclear Safety and Control Act* (Canada).

If you or other insured persons are involved in an incident where the loss or damage is directly or indirectly caused by a nuclear hazard, we will pay up to \$200,000 if you or other insured persons are covered under this policy for a nuclear hazard and you and other insured persons are also insured under a nuclear energy hazard liability policy. We will only pay after the limits of that policy have been paid out.

Section 4

Accident Benefits Coverage

You only have a particular coverage for a specific automobile if your Certificate of Automobile Insurance shows a premium for it or shows the coverage is provided at no cost.

4.1 Who is Covered

For the purposes of Section 4, insured persons are defined in the Statutory Accident Benefits Schedule. In addition, insured persons also include any person who is injured or killed in an automobile accident involving the automobile and is not the named insured, or the spouse or dependant of a named insured, under any other motor vehicle liability policy, and is not covered under the policy of an automobile in which they were an occupant or which struck them.

4.2 Types and Benefits

The details of the Accident Benefits Coverage are set out in the Statutory Accident Benefits Schedule of the *Insurance Act* (Ontario). This Section outlines the benefits that you and other insured persons may be entitled to receive if injured or killed in an automobile accident. If there is a difference between the interpretation of the wording in this Section and the interpretation of the wording in the Statutory Accident Benefits Schedule, the Statutory Accident Benefits Schedule prevails.

Your insurance company is obligated to inform you and other insured persons about the benefits available.

The benefits in the Statutory Accident Benefits Schedule are:

Income Replacement Benefit

This benefit may compensate you and other insured persons for lost income.

Caregiver Benefit

This benefit may provide compensation for some expenses incurred when you and other insured persons cannot continue as the main caregiver for a member of the household who is in need of care.

Non-Earner Benefit

This benefit may provide compensation if you and other insured persons are completely unable to carry on a normal life and do not qualify for an Income Replacement Benefit or Caregiver Benefit.

Medical Benefit

This benefit may pay for some medical expenses incurred when you or other insured persons are injured. These are expenses that are not covered by any other medical coverage plan.

Rehabilitation Benefit

This benefit may pay for some rehabilitation expenses incurred when you or other insured persons are injured. These are expenses that are not covered by any other plan.

Attendant Care Benefit

This benefit may compensate you and other insured persons for some of the expense of an aide or attendant.

Compensation for Other Expenses

This benefit may pay for some other expenses such as the cost of visiting you and other insured persons during treatment or recovery. It may also pay for some housekeeping and home maintenance, the repair or replacement of some items lost or damaged in the accident, and some lost educational expenses.

Death Benefit

This benefit may pay money to some members of the family of a person who is killed.

Funeral Expenses

This benefit may pay for some funeral expenses.

Optional Benefits

You may purchase any one or more optional benefits to increase the basic level of benefits provided in this Section. The optional benefits are: Increased Income Replacement; Increased Caregiver and Dependant Care; Increased Medical, Rehabilitation and Attendant Care; Increased Death and Funeral. You may also purchase an optional Indexation Benefit, which provides that certain weekly benefit payments and monetary limits will increase on an annual basis to reflect changes in the cost of living.

4.3 How to Apply for Benefits**4.3.1 Applying for Benefits - Procedures and Time Limits**

Anyone applying for Accident Benefits must tell us within 7 days of the accident or as soon after that as possible. We will send you or other insured persons an application for Accident Benefits.

The person applying for the benefits must send us the completed application within 30 days of receiving it.

You or other insured persons may still be entitled to benefits if these time limits are not met for good reason, but payment of the benefit may be delayed.

We must pay the Income Replacement Benefit, Non-Earner Benefit or Caregiver Benefit within 14 days of receiving the complete application for those benefits.

We must pay the Death Benefit, Funeral Benefit and Compensation for Other Expenses within 30 days of receiving the complete application.

Unless we ask for an Assessment of Attendant Care Needs form within 14 days of receiving a complete application, we must pay the Attendant Care Benefit within 30 days.

If you or another insured person is claiming the Medical Benefit or Rehabilitation Benefit, your doctor or another member of a health profession must provide us with a treatment plan or other related forms.

In some cases, we can ask you or other insured persons to go for an independent assessment to assess the Medical, Rehabilitation or Attendant Care Benefit needs.

We may ask you or other insured persons to provide additional information in connection with the claim, such as a statutory declaration as to the circumstances that gave rise to the application, or proof of identity. We can also ask you or other insured persons to attend an examination under oath in connection with entitlement to benefits, on reasonable advance notice and at a time and place that are convenient to the person. If the person does not participate as requested, benefits may be delayed or suspended.

If the injuries fall within certain guidelines issued by the Superintendent of Financial Services, you or other insured persons may be entitled to some medical or rehabilitation treatments without our prior approval and before a completed application is submitted.

4.3.2 Choosing Which Benefit to Receive

If you or other insured persons qualify for more than one weekly benefit, we will notify you that you must choose which benefit you will receive. Your choice may be between the Income Replacement, Non-Earner or Caregiver Benefits. You or other insured persons will have 30 days to make your choice.

4.4 Limitations on Your Coverage

You or other insured persons are not entitled to the Income Replacement Benefit, Non-Earner Benefit or Compensation for Other Expenses if you or they:

- knew, or should reasonably have known, that they were operating an automobile without insurance;
- were driving an automobile while not authorized by law to drive;
- were driving an automobile which they were specifically excluded from driving under this policy;
- knowingly operated, or should reasonably have known that the automobile was operated, without the owner's consent;
- made or knew about a material misrepresentation that induced us to issue this policy;
- intentionally failed to notify us of any significant changes as required under Section 1.4.1; or
- were convicted of a criminal offence involving the operation of an automobile.

Section 5

Uninsured Automobile Coverage

You only have a particular coverage for a specific automobile if your Certificate of Automobile Insurance shows a premium for it or shows the coverage is provided at no cost.

5.1 Introduction

5.1.1 Uninsured Automobile Coverage Schedule

This Section of the policy describes the terms and conditions of the coverage set out in the Uninsured Automobile Coverage Schedule under the *Insurance Act* (Ontario). If there is a difference between the interpretation of the wording of this Section and the interpretation of the wording in the Schedule, the Schedule prevails. However, 5.3.3 in this Section is an addition to the coverage provided by the Schedule.

5.1.2 What is an Uninsured Automobile?

An uninsured automobile is one for which neither the owner nor driver has liability insurance to cover bodily injury or property damage arising out of its ownership, use or operation, or the insurance is not collectible. However, this does not include an automobile owned by or registered in the name of the insured person or their spouse.

5.1.3 What is an Unidentified Automobile?

An unidentified automobile is one whose owner or driver cannot be determined.

5.2 What We Will Cover

5.2.1 Claims by You or Other Insured Persons for Bodily Injury

We will pay any amounts you or other insured persons have a legal right to recover as damages from the owner or driver of an uninsured or unidentified automobile for bodily injury resulting from an accident involving an automobile, up to the limits in this Section.

5.2.2 Claims by Others for Bodily Injury or Death

We will pay any amounts any person has a legal right to recover as damages from the owner or driver of an uninsured or unidentified automobile for bodily injury or death of an insured person in an accident involving an automobile, up to the limits in this Section.

5.2.3 Claims for Certain Property Damage

We will pay for damage to and for loss of use of the automobile or its contents, or to both, that you or other insured persons have a legal right to recover from the identified owner or driver of an uninsured automobile in an accident involving an automobile. Subject to the \$300 deductible, we will pay up to \$25,000.

Note: Damage to the automobile caused by an unidentified automobile is not covered under this Section, but optional Loss or Damage Coverages may be available.

5.3 Claims for Bodily Injury or Death

5.3.1 Who is Covered?

The following are insured persons for bodily injury or death:

- Any person who is an occupant of the automobile.
- You, your spouse, and any dependent relative of you or your spouse,

- when an occupant of an uninsured automobile, or
- when not in an automobile, streetcar or railway vehicle if hit by an unidentified or uninsured automobile.
- **If you are a corporation, unincorporated association or partnership,** any director, officer, employee or partner for whose regular use the described automobile is provided, their spouse, and any dependent relative of you or your spouse,
 - when occupants of an uninsured automobile; or
 - when not in an automobile, streetcar or railway vehicle if hit by an unidentified or uninsured automobile.

Note: If the director, officer, employee or partner, or their spouse is the owner of an automobile that is insured, this policy does not apply. The policy of that automobile will provide coverage.

5.3.2 Limitation on a Dependent Relative

A dependent relative who owns an insured automobile, or who suffers bodily injury or death while an occupant of his or her own uninsured automobile, is not covered under this Section of your policy.

5.3.3 If the Described Automobile is Leased or Rented

If this policy has been changed to allow the rental or lease of the described automobile for more than 30 days, the person or organization who is the lessee of the automobile is treated as the named insured.

5.3.4 Conditions Applying to Claims for Bodily Injury or Death

A person entitled to claim compensation for the bodily injury or death of an insured person must:

- give us written notice of the claim within 30 days of the accident or, if unable, as soon as possible after that.
- provide us with as much evidence as possible in support of the claim, giving details of the accident and the resulting loss. This should be done within 90 days of the accident or, if unable, as soon as possible after that.
- provide us with a certificate from the medical or psychological advisor of the insured person if we request it. The certificate must state the cause of injury or death and, if appropriate, the nature of the injury and how long any disability is expected to last.
- provide us with details of any other insurance policy, other than a life insurance policy, under which there is a right to compensation.

5.3.5 Accidents Involving Unidentified Automobiles

If an unidentified automobile causes bodily injury or death to an insured person, the insured person or their representative must report the accident within 24 hours, or, if unable, as soon as possible after that, to a police officer or similar authority.

You or other insured persons must give us a written statement within 30 days of the accident, or, if unable, as soon as possible after that, giving a detailed description of what happened. A representative can make the statement. The statement must say whether the accident was caused by someone whose identity cannot be determined. It must also detail the extent of the injuries suffered by you or other insured persons and any property damaged in the accident. The automobile in which you or other insured persons were an occupant at the time of the accident must be available for inspection at our request.

5.3.6 Medical Examinations May Be Required

You or other insured persons may be required to undergo examinations by a qualified medical or psychological advisor at reasonable intervals. When we require an examination, we will give reasonable notice.

We will pay for any examination we require. The person making the claim, or their representative, is entitled to a copy of the medical report, if requested.

5.4 Claims for Property Damage

5.4.1 Who is Covered?

In a claim for damage to the automobile, the owner of the automobile is covered for damage.

In a claim for damage to the contents of the automobile, the owner of the contents is covered for damage.

5.4.2 Conditions Applying to Claims for Property Damage

When making a claim for property damage, you and other insured persons must:

- notify us in writing within seven days of the accident (or, if unable because of incapacity, as soon as possible after that), giving us the best information available at that time concerning the loss or damage and circumstances.

- do as much as is reasonably possible to protect the automobile from further damage. We will pay for any reasonable protection provided. Further damage resulting from failure to provide reasonable protection will not be covered by this policy.
- make no repairs beyond those needed for protection of the automobile, or remove evidence of the damage, without our written consent or until we have had time to inspect the automobile.
- allow us to copy all documents in your or other insured persons' possession that relate to the accident.
- permit us to inspect the automobile at any reasonable time.
- complete a statutory declaration within 90 days of the accident, if requested. The declaration will describe what happened in detail, the cause and amount of the loss, those affected and how, and state that the loss was truly accidental. We will also need to know if any other insurance is involved.
- not leave us to dispose of the automobile unless we agree to accept it. If we decide to replace the automobile or pay its actual cash value, less the deductible specified in your Certificate of Automobile Insurance, we own the salvage.

5.4.3 Our Right to Repair, Replace or Rebuild the Automobile

We have the right to repair, replace or rebuild the automobile rather than pay for the damage. If we choose to do this, we will let you or other insured persons know in writing within seven days of receiving notice of the claim. We will complete the work within a reasonable time using parts of similar kind and quality.

5.4.4 How Much We Will Pay

The most we will pay for the automobile is its actual cash value at the time it was damaged, less the deductible specified in your Certificate of Automobile Insurance.

The value of the loss or damage is based on actual cash value after taking into account depreciation. We will not pay more to repair the automobile than its actual cash value at the time it was damaged, less the deductible specified in your Certificate of Automobile Insurance.

We will pay the lower of the following:

- the cost to repair the loss or damage, less the deductible; or
- the actual cash value of the automobile at the time it was damaged, less the deductible.

Example

Your car is four years old and is hit on the front left side by an identified but uninsured automobile. The damaged part of the body of your car is repaired. We will pay the cost of the repairs, less the \$300 deductible, including new paint for the damaged part of your automobile. If you want the entire car repainted, you will have to pay the cost of painting the rest of the car.

5.5 Claims for Both Bodily Injury and Property Damage

An accident may result in a valid claim for both bodily injury or death **and** for damage to the automobile or its contents. In that case, payments for bodily injury and death have priority on 95% of the total amount payable. Payment for damage to the automobile or contents will have priority on 5%.

Example

An accident in Ontario for which an identified but uninsured driver is responsible destroys your \$20,000 car, and results in injuries to you and your spouse, totalling \$350,000.

We will not pay more than the minimum liability limit of \$200,000. Of that money, 95%, or \$190,000, will go toward payment for bodily injury. The remaining 5%, or \$10,000, will apply to the loss of your car.

5.6 Settling a Claim

5.6.1 By Agreement

Questions about whether a claim is valid, and the amount of any payment, can be decided by agreement between us and you or other insured persons making the claim.

5.6.2 By Arbitration

If there is a disagreement, the matter may be settled by arbitration if you or other insured persons ask for it and we agree. The arbitrator will be an individual acceptable to us and you or other insured persons. If both sides can't agree on an arbitrator, then each side will name an arbitrator. The two arbitrators will then appoint a third. A decision supported by at least two of the three will be binding. All arbitrations will be governed by the *Arbitration Act, 1991* (Ontario).

5.6.3 In Court

The matter may be decided in a lawsuit brought against us by you or other insured persons in an Ontario court. If so, we have the right to ask the court to decide who is legally responsible and the amount of compensation owing, unless another Ontario court has already done so in an action that was defended.

5.7 Limitations and Exceptions**5.7.1 Payment Limits**

1. We will not pay more than the minimum limits for automobile liability insurance in the jurisdiction in which the accident happens. This amount applies regardless of the number of persons injured or killed, or the damage to the automobile and contents. In no event will we pay more than the minimum liability limits required in Ontario.

Example

You are travelling in a car outside Ontario when you are injured in an accident for which an uninsured driver is responsible. The minimum liability limit in that jurisdiction is \$100,000. Your injuries are serious and are assessed at \$300,000 or more. We will pay no more than \$100,000.

2. We will not pay:

- any amount, if you or other insured persons can make a valid claim under the liability section of a motor vehicle liability policy.
- any amount for an accident in a jurisdiction where a valid claim can be made on an unsatisfied judgment fund or similar fund created for the purpose of compensating victims of uninsured or unidentified motorists.
- for loss or damage caused by radioactive material.
- for the first \$300 worth of accidental damage to the automobile and its contents.
- any amount over \$25,000 in any one accident for damage to the automobile and its contents.
- for loss or damage while a person specifically excluded from this policy is driving the automobile.

5.7.2 Limit Where More Than One Policy Applies

You or other insured persons may have a right to claim benefits from more than one automobile insurance policy covering accidents involving uninsured or unidentified automobiles. In that case, anyone making a claim under this or any other coverage may only recover once for the same loss.

5.8 If You or Other Insured Persons Start a Lawsuit**5.8.1 Send Us the Documents**

You or other insured persons or your representatives may decide to sue the owner, driver or operator of another automobile involved in the accident. In that case, a copy of the documents initiating the lawsuit must be provided to us as soon as the action is started. The documents must be delivered, or sent by registered mail, to our chief agent or head office in Ontario.

5.8.2 If You or Other Insured Persons Win, But Can't Recover Payment

If the court awards compensation but you or other insured persons can't recover from the person responsible, we will pay, if requested, either:

- the full amount of the award; or
- where some compensation has been paid, the difference between what you or other insured persons have been paid and the full amount awarded by the court.

What we pay, of course, is subject to the limits and conditions applying to coverage for accidents involving uninsured or unidentified automobiles.

5.8.3 Assignment of the Award

We may require you or other insured persons, or your representatives, to assign to us the amount or balance of the court award before we make any payment. If we collect more than what we have already paid, we will reimburse the difference, minus our costs.

5.9 Limitations on Legal Action**5.9.1 Conditions of This Policy Must be Met**

No person has a right to sue us for compensation under this Section for injury or damage caused by an accident involving an uninsured or unidentified automobile, unless the conditions in this Section of your policy (Uninsured Automobile Coverage) have been met.

5.9.2 Time Limits for Lawsuits for Loss or Damage

Any lawsuit against us regarding loss or damage to the automobile or its contents must begin within a year after the loss or damage happens.

Any lawsuit against us regarding loss or damage to property other than the automobile and its contents must begin within two years after the cause of action arose.

5.9.3 Time Limits for Lawsuits for Bodily Injury or Death

Any lawsuit against us regarding bodily injury or death must begin within two years after the cause of action arose.

Section 6**Direct Compensation - Property Damage Coverage**

You only have a particular coverage for a specific automobile if your Certificate of Automobile Insurance shows a premium for it or shows the coverage is provided at no cost.

6.1 Introduction

This Section of your policy covers damage to the automobile and certain trailers not shown on the Certificate of Automobile Insurance, their equipment, contents, and loss of use of the automobile or contents caused by another person's use or operation of an automobile in Ontario.

The coverage under this Section applies only if the accident takes place in Ontario and at least one other automobile involved is insured under a motor vehicle liability policy. The policy covering the other automobile must be issued by an insurance company licensed in Ontario, or one that has filed with the Financial Services Commission of Ontario to provide this coverage.

It is called direct compensation because you will collect from us, your insurance company, even though you, or anyone else using or operating the automobile with your consent, were not entirely at fault for the accident.

6.2 What We Will Cover

We will pay the cost of damage to the automobile, its equipment, contents and for loss of use of the automobile or contents arising from an accident for which another person would have been legally responsible in the absence of section 263 of the *Insurance Act* (Ontario). Section 263 takes away your right to sue the other person for these losses. We will pay no more to repair or replace the automobile or property than its actual cash value at the time it was damaged, less the applicable percentage of the deductible shown on your Certificate of Automobile Insurance.

If a part needed to repair the automobile is no longer available, we will pay an amount equal to the manufacturer's latest list price for the part.

Note: You should be aware that this coverage does not apply if the automobile is described in another motor vehicle liability policy.

Example

You are driving a friend's car. That car is described in your friend's motor vehicle liability policy. You have an accident for which you are not at fault.

Your friend will claim under the direct compensation property damage provisions of his or her motor vehicle liability policy for the loss.

We will not pay for damage to, or loss of use of, contents that are being carried for reward.

6.3 Who is Covered

In a claim for damage to the automobile, the owner of the automobile is covered for damage.

In a claim for damage to the contents of the automobile, the owner of the contents is covered for damage.

6.4 How Much We Will Pay**6.4.1 Determining Fault**

The amount we pay under this Section of your policy will be determined by the degree to which you or the driver were not at fault in the accident.

Responsibility for an accident is determined by the *Insurance Act* (Ontario) and the *Fault Determination Rules*. These may find you or the driver wholly or partially responsible.

The degree of responsibility is expressed as a percentage.

6.4.2 The Deductible

The amount we pay may be subject to a Direct Compensation - Property Damage deductible. The deductible is the amount you agree to pay toward the cost of any single claim you make under this Section. The deductible, if any, is the amount shown on the Certificate of Automobile Insurance, multiplied by the percentage to which you or the driver of the automobile were not at fault for the accident. You are not permitted to sue anyone (for instance the at-fault motorist) to recover this deductible.

If you have damage to both your automobile and its contents, the deductible will first be applied to your automobile loss. If there is any remaining deductible, the remainder will be applied to the contents loss.

You will need to make a separate claim for each accident that causes damage. The deductible applies each time you make a claim and separately to each automobile that is insured.

We will pay that portion of the total damages that is equal to the percentage to which you or the driver of the automobile were not at fault for the accident, less the applicable Direct Compensation-Property Damage deductible.

Example #1 (the other driver is entirely responsible)

Your car has an actual cash value of \$12,000. You are involved in an accident for which someone else is 100% responsible. Your car is a total loss.

Your Direct Compensation - Property Damage (DC-PD) deductible is \$300. We will pay \$11,700 (\$12,000 less \$300, the deductible). We will also pay for reasonable alternate transportation.

In sum: You receive \$11,700. You are responsible for \$300, the DC-PD deductible.

Example #2 (you are partly responsible - no optional Loss or Damage Coverages)

Your car has an actual cash value of \$12,000. You are involved in an accident and are 25% responsible. Your car is a total loss.

Your Direct Compensation - Property Damage (DC-PD) deductible is \$300. Under DC-PD, we cover the damages (less the deductible) for which the other driver would have otherwise been responsible. You are responsible for the deductible. We will pay \$8,775 (\$9,000 — being 75% of the value of your automobile — less \$225 — being 75% of the deductible).

In sum: You receive \$8,775. You are responsible for \$225 (the DC-PD deductible), and will have to pay the remainder out of your own pocket. In this example, you will be out-of-pocket for a total of \$3,225. (However, you may be entitled to recover part of that amount if you have bought additional optional Loss or Damage coverages under Section 7.)

Example #3 (damage to contents)

Suppose you have just rented a floor sander currently worth \$600 from the local Rent-All when you are involved in an accident. You are 25% responsible for the accident. The sander is destroyed.

Your Direct Compensation - Property Damage (DC-PD) deductible is \$300. We will pay \$225 (\$450 — being 75% of the value of the

sander — less \$225 — being 75% of the deductible.)

In sum: You receive \$225. You are responsible for \$225 (the DC-PD deductible), and that portion of the damage for which you are responsible.

Example #4
(damage to automobile and contents)

You are involved in an accident for which you are not responsible. The repair of your car costs \$250. Contents worth \$125 are destroyed.

Your Direct Compensation - Property Damage (DC-PD) deductible is \$300. We will pay \$0 (\$250 less \$250) toward your car damage, and \$75 (\$125 less \$50) for the contents to the owner of the contents.

In sum: The owner of the contents receives \$75. You are responsible for \$300, the DC-PD deductible.

6.5 Your and Other Insured Persons' Responsibilities

When making a claim for property damage, you and other insured persons must:

- notify us in writing within seven days of any accident (or, if unable, because of incapacity, as soon as possible after that), giving us the best information available at that time concerning the loss or damage and circumstances.
- do as much as is reasonably possible to protect the automobile from further damage. We will pay for any reasonable protection provided. Further damage resulting from failure to provide reasonable protection will not be covered by this policy.
- make no repairs beyond those needed for protection of the automobile, or remove evidence of the damage, without our written consent or until we have had time to inspect the automobile.
- allow us to copy all documents in your or other insured persons' possession that relate to the accident.
- permit us to inspect the automobile at any reasonable time.
- complete a statutory declaration within 90 days of the accident, if requested. The declaration will describe what happened in detail, the cause and amount of the loss, those affected and how, and state that the loss was truly accidental. We will also need to know if any other insurance is involved.
- not leave us to dispose of the automobile unless we agree to accept it. If we decide to replace the automobile or pay its actual cash value, less the applicable deductible, we own the salvage.

6.6 Our Right to Repair, Replace or Rebuild the Automobile

We have the right to repair, replace or rebuild the automobile rather than pay for the damage. If we choose to do this, we will let you or other insured persons know in writing within seven days of receiving notice of the claim. We will complete the work within a reasonable time using parts of similar kind and quality.

6.7 Other Limitations on Your Coverage

6.7.1 Contamination of Property

Under this Section, we won't cover claims arising from contamination of property carried in the automobile.

6.7.2 Nuclear Hazards

Nuclear energy hazards means radioactive, toxic, explosive or other hazardous properties of substances described in Regulations made under the *Nuclear Safety and Control Act* (Canada).

If you or other insured persons are involved in an accident where the loss or damage is directly or indirectly caused by a nuclear hazard, we will pay up to \$200,000 if you or other insured persons are covered under this policy for a nuclear hazard and you or other insured persons are also insured under a nuclear energy hazard liability policy. We will only pay after the limits of that policy have been paid out.

6.7.3 Settling a Claim

If you disagree with the degree of fault attributed to you under the *Fault Determination Rules* or with the amount of any proposed settlement, you can bring a law suit against us to have the matter determined by a judge.

Alternatively, if the disagreement is over the value of the vehicle or its contents or the nature, amount or cost of any repairs, the matter can be settled by an appraisal under the *Insurance Act*, if you and we agree to the process. You and we will each appoint an appraiser, who will either agree on the award or, if they disagree, will appoint an umpire to decide as between their respective positions.

Section 7

Loss or Damage Coverages
(Optional)

You only have a particular coverage for a specific automobile if your Certificate of Automobile Insurance shows a premium for it or shows the coverage is provided at no cost.

7.1 Introduction

7.1.1 Coverage for Loss of or Damage to Your Automobile

We agree to pay for direct and accidental loss of, or damage to, a described automobile and its equipment caused by a peril such as fire, theft, or collision if the automobile is insured against these perils.

By direct loss or damage we mean loss or damage resulting directly from a peril for which coverage has been purchased.

This Section applies only to the extent that a claim for damage to an automobile and its equipment would not be covered by Section 6, Direct Compensation - Property Damage Coverage of a motor vehicle liability policy.

We may inspect the described vehicle and its equipment at any reasonable time. If you do not co-operate with any reasonable arrangements for inspection, your coverages under this Section may be cancelled and any claims under this Section may be denied.

Your Loss or Damage Coverages may apply to types of automobiles other than described automobiles. See Section 2 for details and additional conditions.

7.1.2 Coverage Options

You may choose from among the four types of protection listed below. Your choice will be shown on the Certificate of Automobile Insurance.

Note: All of the following coverages are subject to 7.2.

- A. **Specified Perils** - we will only pay for losses caused by fire; theft or attempted theft; lightning, windstorm, hail, or rising water; earthquake; explosion; riot or civil disturbance; falling or forced landing of aircraft or parts of aircraft; or the stranding, sinking, burning, derailment or collision of any kind of transport in, or upon which a described automobile is being carried on land or water.
- B. **Comprehensive** - we will pay for losses, other than those covered by Collision or Upset, including:
 - perils listed under Specified Perils,
 - falling or flying objects,
 - missiles, and
 - vandalism.
- C. **Collision or Upset** - we will pay for losses caused when a described automobile is involved in a collision with another object or tips over. Object includes:
 - another automobile that is attached to the automobile,
 - the surface of the ground, and
 - any object in or on the ground.
- D. **All Perils** - this option combines the coverages of Collision or Upset and Comprehensive. This coverage includes loss or damage caused if a person who lives in your household steals a described automobile. Coverage also applies if an employee who drives or uses, services or repairs a described automobile, steals it.

7.2 Loss or Damage We Won't Cover

7.2.1 General

We will not cover the following losses unless they result from a peril for which you are covered or they are caused by fire, theft or vandalism and your policy covers these perils:

- to tires;
- consisting of, or caused by mechanical fracture or breakdown of any part of the automobile; or
- consisting of, or caused by rusting, corrosion, wear and tear, freezing, or explosion within the engine.

Example

We will not pay for a tire blow-out in normal driving, but if the tire is destroyed in a collision and you have Collision or Upset Coverage, we will cover that loss up to the value of your tire at the time of the incident.

We won't pay for loss or damage:

- resulting from a dishonest claim of ownership, illegal disposal, or theft of the automobile by anyone who has legal possession of it under a written agreement (a mortgage, conditional sale, lease or other similar agreement);
- resulting from a change in ownership that is agreed to, even if that change was brought about by trickery or fraud;

Example

Late one evening at a party, you sell your car to a stranger in return for a cheque. A week later the cheque bounces. We will not cover the loss.

- caused by radioactive contamination;
- to contents of automobiles and trailers, other than their equipment; and
- in excess of \$25 for recorded material and equipment for use with a playing or recording unit. We will not pay for recorded material and equipment not contained within or attached to the playing or recording unit. Recorded material includes, but is not limited to, tapes, compact discs, video cassettes and digital video discs.

7.2.2 Illegal Use

We won't pay for loss or damage caused in an incident:

- if you are unable to maintain proper control of the automobile because you are driving or operating the automobile while under the influence of intoxicating substances;
- if you are convicted of one of the following offenses under the Criminal Code of Canada relating to the operation, care or control of the automobile, or committed by means of an automobile, or any similar offence under any law in Canada or the United States:
 - causing death by criminal negligence
 - causing bodily harm by criminal negligence
 - dangerous operation of motor vehicles
 - failure to stop at the scene of an accident
 - operation of motor vehicle when impaired or with more than 80 mg of alcohol in the blood
 - refusal to comply with demand for breath sample
 - causing bodily harm during operation of vehicle while impaired or over 80 mg of alcohol in the blood, or
 - operating a motor vehicle while disqualified from doing so;
- if you use or permit the automobile to be used in a race or speed test, or for illegal activity;
- if you drive the automobile while not authorized by law; and
- if another person, with your permission, drives or operates the automobile under any of these conditions.

7.2.3 Certain Thefts Not Covered

We won't pay under either the Comprehensive or Specified Perils coverages for loss or damage caused when a person who lives in your household steals the automobile.

We also won't pay under these coverages for loss or damage caused when an employee of yours steals the automobile and the employee's duties include driving, maintaining or repairing the automobile. This applies at any time, and not simply during working hours.

7.3 The Deductible

The amount we pay to cover any losses may be subject to a deductible. The deductible is the amount you agree to pay toward the cost of any single claim you make under this Section. The deductible, if any, is shown on the Certificate of Automobile Insurance.

You will need to make a separate claim for each incident that causes loss or damage. The deductible applies each time you make a claim and separately to each automobile that is insured.

We will only pay for loss or damage that exceeds the amount of the deductible. If your claim is one to which Section 6, Direct Compensation - Property Damage (DC-PD) Coverage also applies, the amount we will pay under this Section will not include the DC-PD deductible that applies to the claim. Your deductible under this Section will be the Collision deductible multiplied by the percentage to which you or the driver of the automobile were at fault for the accident.

Example #1

You have Comprehensive Coverage, and your deductible is \$300. Your car's windshield is broken by a fallen tree. You are responsible for the first \$300 of the cost of the windshield replacement. Any claim less than \$300 will be your responsibility.

Example #2**(you are fully responsible - with optional Loss or Damage Coverages)**

Your car has an actual cash value of \$12,000. You are involved in an accident and are 100% responsible. Your car is a total loss.

You receive nothing under your Direct Compensation - Property Damage Coverage.

You have the optional Collision or Upset Coverage and your deductible is \$500. Under the optional coverage, we will pay \$11,500 (\$12,000 less \$500, the deductible).

In sum: You receive \$11,500. You are responsible for \$500, the Collision deductible.

Example #3**(you are partly responsible - with optional Loss or Damage Coverages)**

Your car has an actual cash value of \$12,000. You are involved in an accident and are 25% responsible. Your car is a total loss.

Your Direct Compensation - Property Damage (DC-PD) deductible is \$300. Under DC-PD, we will pay \$8,775 (\$9,000 — being 75% of the value of your automobile — less \$225 — being 75% of the deductible).

You have the optional Collision or Upset Coverage and your deductible is \$500. Under the optional coverage, we will pay a further \$2,875 (\$3,000 — being 25% of the value of your auto — less \$125 — being 25% of the deductible).

In sum: You receive \$11,650. You are responsible for the deductibles totalling \$350.

Example #4**(you are partly responsible - with optional Loss or Damage Coverages)**

You are involved in an accident for which you are 25% responsible. Your car sustains \$5,000 in damage.

Your Direct Compensation - Property Damage (DC-PD) deductible is \$300. Under DC-PD, we will pay \$3,525 (\$3,750 — being 75% of \$5,000 — less \$225 — being 75% of the DC-PD deductible).

You have the optional Collision or Upset Coverage and your deductible is \$500. Under the optional coverage, we will pay a further \$1,125 (\$1,250 — being 25% of \$5,000 — less \$125 — being 25% of the deductible).

In sum: You receive \$4,650. You are responsible for the deductibles totalling \$350.

If you are insured for loss or damage caused by fire or lightning, there is no deductible for these losses.

7.4 Additional Benefits

Whatever Loss or Damage Coverage you choose under this Section, your coverage will include the following additional benefits.

7.4.1 Payment of Charges

We will pay general average, salvage and fire department charges and any Canadian or U.S. customs duties for which you are legally responsible as a result of an insured peril.

Example

Your car is damaged in a fire. The fire department properly bills you for the cost of putting out the fire. A new transmission must be imported before the car can be repaired. We will pay the fire department's bill, import duties on the replacement part and for the parts and repairs themselves.

In this instance, salvage means any expense involved in recovering property to prevent loss from an insured peril.

General average charges may arise when a described automobile is shipped by water. If it becomes necessary to dump a portion of the ship's cargo overboard to save the ship, you may be legally responsible for a share of the resulting losses. We will cover that expense.

7.4.2 Foregoing Our Right to Recover

If someone else is using a described automobile with your permission when an insured loss occurs, we will pay for the resulting claim. We will also forego our right to recover the money from that person.

However, we will keep the right to recover payment:

- if the person has the automobile in connection with the business of selling, repairing, maintaining, storing, servicing or parking automobiles; or
- if the person using the automobile violates any condition of this policy, or operates it in circumstances referred to in 7.2.2.

|----|---|
| #1 | You allow a friend to use your car and she runs into a fire hydrant and damages the car. We will pay for repairs and will not sue her to recover the money. |
| #2 | You hand over your car to a parking attendant or garage employee. He scratches the side while parking it. We will pay for repairs and recover from the garage owners because they had your automobile in connection with their business. |
| #3 | You allow a friend to use your car. Later, without your knowledge, he drives it while impaired by alcohol and hits a tree. We will pay for the repairs to the car, but we will recover from your friend. Driving while impaired is illegal and a violation of the terms of this policy. |

7.4.3 Temporary Substitute Automobile Covered

If you or anyone else drives a temporary substitute automobile (described in Section 2), you may be responsible for any damage to it as a result of liability imposed by law or agreed to by you or the driver. In that case, we will pay for direct damage for which you or the driver are legally responsible, minus the deductible for that peril under this policy.

However, if the owner of the substitute automobile has it insured for such losses, and the deductible on that policy is larger than the one on your own policy for such loss, the most we will pay will be the difference between the two deductibles.

If there is a disagreement over who is responsible for the damage, we have the right just as we would under Section 3 - Liability Coverage, to settle the matter appropriately and we will cover the costs of any investigation, negotiation or lawsuit.

Example #1

You rent a car to replace your own, which is being repaired following an accident. While driving the rental car, you cause \$800 worth of damage to it. The rental company has a collision policy with a \$1,000 deductible. The Collision deductible in your policy is only \$500. In settling the matter, we will pay \$300 (\$800 less \$500).

Example #2

You rent a car to replace your own, which is being repaired following an accident. While driving the rental car, you cause \$2,800 worth of damage to it. The rental company has a collision policy with a \$1,000 deductible. The Collision deductible in your policy is only \$500. In settling the matter, we will pay \$500, the difference between the deductibles.

7.4.4 Loss of Use Due to Theft

If a described automobile is stolen, and you are protected by the All Perils, Comprehensive, or Specified Perils options, we will pay reasonable expenses for the rental of a similar substitute automobile.

If you choose not to rent an automobile, we will pay reasonable expenses incurred for taxis or public transportation.

We won't cover these costs until 72 hours after the theft has been reported to us or to the police. Even if your policy expires after the theft, coverage will continue until your automobile is repaired or replaced, or sooner if money is offered to settle the claim.

The most we will pay in either case for such expenses is \$900.

7.5 Your and Other Insured Persons' Responsibilities

When making a claim under this Section, you and other insured persons must:

- notify us in writing within seven days of the incident (or, if unable because of incapacity, as soon as possible after that), giving us the best information available at that time concerning the loss or damage and circumstances.
- do as much as is reasonably possible to protect the automobile from further damage. We will pay for any reasonable protection provided. Further damage resulting from failure to provide reasonable protection will not be covered by this policy.
- make no repairs beyond those needed for protection of the automobile, or remove evidence of the damage, without our written consent or until we have had time to inspect the automobile.
- allow us to copy all documents in your or other insured persons' possession that relate to the incident.
- permit us to inspect the automobile at any reasonable time.
- complete a statutory declaration within 90 days of the incident, if requested. The declaration will describe what happened in detail, the cause and amount of the loss, those affected and how, and state that the loss was truly accidental. We will also need to know if any other insurance is involved.
- not leave us to dispose of the automobile unless we agree to accept it. If we decide to replace the automobile or pay its actual cash value, less the deductible shown in your Certificate of Automobile Insurance, we own the salvage.

7.6 Our Right to Repair, Replace or Rebuild the Automobile

We have the right to repair, replace or rebuild the automobile rather than pay for the damage. If we choose to do this, we will let you or other insured persons know in writing within seven days of receiving notice of the claim. We will complete the work within a reasonable time using parts of similar kind and quality.

7.7 What We Will Pay

We will not pay more for the automobile than its actual cash value at the time it was damaged or stolen, less the deductible shown in your Certificate of Automobile Insurance.

The value of the loss or damage is also based on actual cash value after taking into account depreciation. We will not pay more to repair the automobile than its actual cash value at the time it was damaged or stolen, less the deductible.

We will pay the lower of the following:

- the cost to repair the loss or damage, less the deductible; or
- the actual cash value of the automobile at the time it was damaged or stolen, less the deductible.

Example

When your automobile was new, three years ago, it cost \$16,000. Today, its actual cash value is \$10,000. You have the optional Comprehensive Coverage and your deductible is \$500. If the automobile were totally destroyed in a fire or by lightning, the most we would pay under the optional coverage is \$10,000. If the automobile were stolen, the most we would pay under the optional coverage is \$9,500 (\$10,000 - \$500).

We will not pay more than \$1,500 for loss or damage to electronic accessories or equipment other than factory installed equipment. We will pay the actual cash value of the equipment up to \$1,500 in total.

"Electronic accessories and equipment" includes, but is not limited to, radios, tape players/decks, stereo players/decks, compact disc players, speakers, telephones, two-way radios including CB radios, ham radios and VHF radios, televisions, facsimile machines, electronic navigation assistance, positioning and location finding devices, computers, and items of a similar nature.

"Factory installed equipment" means electronic accessories and equipment which was included in the original new purchase price of the automobile.

7.8 Settling a Claim

If you disagree with us over the value of the vehicle or equipment or the nature amount or costs of any repairs, the issue can be submitted for an appraisal under the *Insurance Act*, if you and we agree on this process. You and we will each appoint an appraiser, who will either agree on the award or, if they disagree, will appoint an umpire to decide as between their respective positions.

Section 8

Note: The *Insurance Act* (Ontario) requires that these conditions be printed as part of every automobile insurance policy in Ontario. For convenience, the conditions have been included in each Section of the policy where they apply. If there is a discrepancy between these conditions and the wording in the policy, these conditions prevail.

Statutory Conditions

In these statutory conditions, unless the context otherwise requires, the word, "insured" means a person insured by this contract, whether named or not.

Material Change in Risk

1. (1) The insured named in this contract shall promptly notify the insurer or its local agent in writing of any change in the risk material to the contract and within the insured's knowledge.
- (2) Without restricting the generality of the foregoing, the words,
"change in the risk material to the contract" include:
 - (a) any change in the insurable interest of the insured named in this contract in the automobile by sale, assignment or otherwise, except through change of title by succession, death or proceedings under the *Bankruptcy and Insolvency Act* (Canada);
 and, in respect of insurance against loss of or damage to the automobile,
 - (b) any mortgage, lien or encumbrance affecting the automobile after the application for this contract;
 - (c) any other insurance of the same interest, whether valid or not, covering loss or damage insured by this contract or any portion thereof.

Incorrect Classification

2. (1) Where the insured has been incorrectly classified under the risk classification system used by the insurer or under the risk classification system that the insurer is required by law to use, the insurer shall make the necessary correction.

Refund of Premium Overpayment

- (2) Where a correction is made under subcondition (1) of this condition, the insurer shall refund to the insured the amount of any premium overpayment together with interest thereon for the period that the incorrect classification was in effect at the bank rate at the end of the first day of the last month of the quarter preceding the quarter in which the incorrect classification was first made, rounded to the next highest whole number if the bank rate includes a fraction.

Definition

- (3) In subcondition (2) of this condition,
"bank rate" means the bank rate established by the Bank of Canada as the minimum rate at which the Bank of Canada makes short term advances to the banks listed in Schedule I to the *Bank Act* (Canada).

Additional Premium

- (4) Where a correction is made under subcondition (1) of this condition within sixty days after this contract takes effect, the insurer may require the insured to pay any additional premium resulting from the correction, without interest.

Monthly Payments

3. Unless otherwise provided by the regulations under the *Insurance Act*, the insured may pay the premium, without penalty, in equal monthly payments totalling the amount of the premium. The insurer may charge interest not exceeding the rate set out in the regulations.

Authority to Drive

4. (1) The insured shall not drive or operate or permit any other person to drive or operate the automobile unless the insured or other person is authorized by law to drive or operate it.

Prohibited Use

- (2) The insured shall not use or permit the use of the automobile in a race or speed test or for any illicit or prohibited trade or transportation.

Requirements Where Loss or Damage to Persons or Property

5. (1) The insured shall,
 - (a) give to the insurer written notice, with all available particulars, of any accident involving loss or damage to persons or property and of any claim made on account of the incident;

- (b) verify by statutory declaration, if required by the insurer, that the claim arose out of the use or operation of the automobile and that the person operating or responsible for the operation of the automobile at the time of the accident is a person insured under this contract; and
 - (c) forward immediately to the insurer every letter, document, advice or statement of claim received by the insured from or on behalf of the claimant.
- (2) The insured shall not,
- (a) voluntarily assume any liability or settle any claim except at the insured's own cost; or
 - (b) interfere in any negotiations for settlement or in any legal proceeding.
- (3) The insured shall, whenever requested by the insurer, aid in securing information and evidence and the attendance of any witness and shall co-operate with the insurer, except in a pecuniary way, in the defence of any action or proceeding or in the prosecution of any appeal.

Requirements Where Loss or Damage to Automobile

6. (1) Where loss of or damage to the automobile occurs, the insured shall, if the loss or damage is covered by this contract,
- (a) give notice thereof in writing to the insurer with the fullest information obtainable at the time;
 - (b) at the expense of the insurer, and as far as reasonably possible, protect the automobile from further loss or damage; and
 - (c) deliver to the insurer within ninety days after the date of the loss or damage a statutory declaration stating, to the best of the insured's knowledge and belief, the place, time, cause and amount of the loss or damage, the interest of the insured and of all others therein, the encumbrances thereon, all other insurance, whether valid or not, covering the automobile and that the loss or damage did not occur directly or indirectly through any wilful act or neglect of the insured.
- (2) Any further loss or damage accruing to the automobile directly or indirectly from a failure to protect it as required under subcondition (1) of this condition is not recoverable under this contract.
- (3) No repairs, other than those that are immediately necessary for the protection of the automobile from further loss or damage, shall be undertaken and no physical evidence of the loss or damage shall be removed,
- (a) without the written consent of the insurer; or
 - (b) until the insurer has had a reasonable time to make the examination for which provision is made in statutory condition 8.

Examination of Insured

- (4) The insured shall submit to examination under oath, and shall produce for examination at such reasonable place and time as is designated by the insurer or its representative all documents in the insured's possession or control that relate to the matters in question, and the insured shall permit extracts and copies thereof to be made.

Insurer Liable for Cash Value of Automobile

- (5) The insurer shall not be liable for more than the actual cash value of the automobile at the time any loss or damage occurs, and the loss or damage shall be ascertained or estimated according to that actual cash value with proper deduction for depreciation, however caused, and shall not exceed the amount that it would cost to repair or replace the automobile, or any part thereof, with material of like kind and quality, but, if any part of the automobile is obsolete and out of stock, the liability of the insurer in respect thereof shall be limited to the value of that part at the time of loss or damage, not exceeding the maker's latest list price.

Repairing, rebuilding or replacing property damaged or lost

- (6) The insurer may repair, rebuild or replace the property that is damaged or lost, instead of making the payment referred to in statutory condition 9, if the insurer gives written notice of its intention to do so within seven days after receipt of the proof of loss.

Time for repairs

- (6.1) The insurer shall carry out the repair, rebuilding or replacement referred to in subcondition (6),
- (a) within a reasonable period of time after giving the notice required under subcondition (6), if an appraisal referred to in subcondition (2.1) of statutory condition 9 is not carried out in respect of the claim; or
 - (b) within a reasonable period of time after the insurer receives the appraisers' determination of the matters in disagreement, if an appraisal referred to in subcondition (2.1) of statutory condition 9 is carried out in respect of the claim.

New or aftermarket parts

- (6.2) For the purposes of subcondition (6), the insurer may repair, rebuild or replace the property with new parts provided by the original equipment manufacturer or with non-original or rebuilt parts of like kind and quality to the property that was damaged or lost.

No Abandonment; Salvage

- (7) There shall be no abandonment of the automobile to the insurer without the insurer's consent. If the insurer exercises the option to replace the automobile or pays the actual cash value of the automobile, the salvage, if any, shall vest in the insurer.

Time Limit

7. The notice required by subcondition (1) of statutory condition 5 and subcondition (1) of statutory condition 6 shall be given to the insurer within seven days of the incident but if the insured is unable because of incapacity to give the notice within seven days of the incident, the insured shall comply as soon as possible thereafter.

Inspection of Automobile

8. The insured shall permit the insurer at all reasonable times to inspect the automobile and its equipment.

Time and manner of payment of insurance money

9. (1) If the insurer has not chosen to repair, rebuild or replace the property that is damaged or lost, the insurer shall pay the insurance money for which it is liable under the contract,
- (a) within 60 days after the insurer receives the proof of loss, if no appraisal referred to in subcondition (2.1) is carried out in respect of the claim; or
- (b) within 15 days after the insurer receives the appraisers' determination of the matters in disagreement, if an appraisal referred to in subcondition (2.1) is carried out in respect of the claim.

Reasons for Refusal

- (2) If the insurer refuses to pay a claim, it shall promptly inform the insured in writing of the reasons the insurer claims it is not liable to pay.

Resolution of disagreement by appraisal under s. 128 of the Act

- (2.1) Section 128 of the Act applies to this contract if,
- (a) the insurer has received a proof of loss from the insured in respect of property that is lost or damaged;
- (b) the insured and the insurer disagree on,
- (i) the nature and extent of repairs, rebuilding and replacements required or their adequacy, or
- (ii) the amount payable in respect of the loss or damage; and
- (c) either the insured or the insurer requests in writing that an appraisal under section 128 of the Act be carried out and the other of them agrees.

When Action may be Brought

- (3) The insured shall not bring an action to recover the amount of a claim under this contract unless the requirements of statutory conditions 5 and 6 are complied with.

Limitation of Actions

- (4) Every action or proceeding against the insurer under this contract in respect of loss or damage to the automobile or its contents shall be commenced within one year next after the happening of the loss and not afterwards, and in respect of loss or damage to persons or other property shall be commenced within two years next after the cause of action arose and not afterwards.

Who May Give Notice and Proofs of Claim

10. Notice of claim may be given and proofs of claim may be made by the agent of the insured in case of absence or inability of the insured to give the notice or make the proof, such absence or inability being satisfactorily accounted for or, in the like case or if the insured refuses to do so, by a person to whom any part of the insurance money is payable.

Deductible amounts

- 10.1 (1) Despite anything in this contract,
- (a) the insurer shall be liable only for amounts in excess of the applicable deductible amount, if any, mentioned in this contract; and
- (b) any provision in this contract relating to an obligation of the insurer to pay an amount or to repair, rebuild or replace property that is damaged or lost shall be satisfied by paying the amount determined by deducting any applicable deductible amount from,
- (i) the amount the insured would otherwise be entitled to recover, or
- (ii) the cost of repairing, rebuilding or replacing the property.

Deemed deductible amount

- (2) For the purposes of subcondition (1), an amount that an insurer is not liable to pay by reason of subsection 261 (1) or (1.1) or 263 (5.1) or (5.2.1) of the *Insurance Act* shall be deemed to be a deductible amount under this contract.

Termination

11. (1) Subject to section 12 of the *Compulsory Automobile Insurance Act* and sections 237 and 238 of the *Insurance Act*, the insurer may, by registered mail or personal delivery, give to the insured a notice of termination of the contract.
- (1.1) If the insurer gives a notice of termination under subcondition (1) for a reason other than non-payment of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract or if the insurer gives a notice of termination in accordance with subcondition (1.7), the notice of termination shall terminate the contract no earlier than,
- (a) the 15th day after the insurer gives the notice, if the insurer gives the notice by registered mail; or
- (b) the fifth day after the insurer gives the notice, if the insurer gives the notice by personal delivery.
- (1.2) Subject to subcondition (1.7), if the insurer gives a notice of termination under subcondition (1) for the reason of non-payment of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract, the notice of termination shall comply with subcondition (1.3) and shall specify a day for the termination of the contract that is no earlier than,
- (a) the 30th day after the insurer gives the notice, if the insurer gives the notice by registered mail; or
- (b) the 10th day after the insurer gives the notice, if the insurer gives the notice by personal delivery.
- (1.3) A notice of termination mentioned in subcondition (1.2) shall,
- (a) state the amount due under the contract as at the date of the notice; and
- (b) state that the contract will terminate at 12:01 a.m. of the day specified for termination unless the full amount mentioned in clause (a), together with an administration fee not exceeding the amount approved under Part XV of the Act, payable in cash or by money order or certified cheque payable to the order of the insurer or as the notice otherwise directs, is delivered to the address in Ontario that the notice specifies, not later than 12:00 noon on the business day before the day specified for termination.
- (1.4) For the purposes of clause (a) of subcondition (1.3), if the insured and the insurer have previously agreed, in accordance with the regulations, that the insured is permitted to pay the premium under the contract in instalments, the amount due under the contract as at the date of the notice shall not exceed the amount of the instalments due but unpaid as at the date of the notice.
- (1.5) If the full amount payable under clause (b) of subcondition (1.3) is not paid by the time and in the manner that the notice specifies, the contract shall be deemed to be terminated, without any further action being required on the part of the insurer, as of 12:01 a.m. of the day specified for termination.
- (1.6) If the full amount payable under clause (b) of subcondition (1.3) is paid by the time and in the manner that the notice specifies, the contract shall not terminate on the day specified for termination and the notice shall have no further force or effect.
- (1.7) If, on two previous occasions in respect of the contract, the insurer has given a notice of termination mentioned in subcondition (1.2) and the full amount payable under clause (b) of subcondition (1.3) has been paid by the time and in the manner that the notice specifies and if a non-payment again occurs of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract, the insurer may, by registered mail or personal delivery, give to the insured a notice of termination of the contract and subcondition (1.1) applies to the notice, instead of subcondition (1.2).
- (2) This contract may be terminated by the insured at any time on request.
- (3) Where this contract is terminated by the insurer,
- (a) the insurer shall refund the excess of premium actually paid by the insured over the proportionate premium for the expired time, but in no event shall the proportionate premium for the expired time be deemed to be less than any minimum retained premium specified;
- (b) if the termination is for a reason other than non-payment of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract or if the insurer gives a notice of termination in accordance with subcondition (1.7), the refund shall accompany the notice, unless the premium is subject to adjustment or determination as to the amount, in which case, the refund shall be made as soon as practicable; and
- (c) if the termination is for the reason of non-payment of the whole or any part of the premium due under the contract or of any charge under any agreement ancillary to the contract and if subcondition (1.7) does not apply to the termination, the refund shall be made as soon as practicable after the effective date of the termination.
- (4) Where this contract is terminated by the insured, the insurer shall refund as soon as practicable the excess of premium actually paid by the insured over the short rate premium for the expired time, but in no event shall the short rate premium for the expired time be deemed to be less than any minimum retained premium specified.
- (5) For the purpose of clause (a) of subconditions (1.1) and (1.2), the day on which the insurer gives the notice by registered mail shall be deemed to be the day after the day of mailing.
- (6) All references in this condition to times of day shall be interpreted to mean the time of day in the local time of the place of residence of the insured.

Notice

12. Any written notice to the insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the insurer in the Province. Written notice may be given to the insured named in this contract by letter personally delivered to the insured or by registered mail addressed to the insured at the insured's latest post office address as notified to the insurer. In this condition, the expression,

"registered" means registered in or outside Canada.

Les exigences de la loi en matière d'assurance

La loi oblige les propriétaires d'une automobile utilisée sur les routes ontariennes à se procurer divers types d'assurances, auxquels vous pouvez ajouter des garanties complémentaires pour vous prémunir contre d'autres risques. Vous trouverez dans le tableau qui suit **un aperçu sommaire** des garanties qui vous sont offertes; pour obtenir plus de précisions et vous informer des conditions à remplir, veuillez vous reporter aux articles correspondants de la police. Le texte de celle-ci prévaut sur celui du présent document en cas de différence.

Vous avez une garantie particulière seulement si une prime est indiquée sur le Certificat d'assurance-automobile pour cette garantie ou s'il y est indiqué que la garantie est fournie sans frais. Si vous avez assuré plusieurs automobiles, une prime doit être indiquée pour chacune.

Introduction

1.1 Votre police fait partie d'un contrat

Cette police fait partie du contrat que nous avons conclu avec vous. Le contrat comprend trois documents :

- la Proposition d'assurance-automobile remplie et signée;
- le Certificat d'assurance-automobile;
- la police elle-même.

En vertu du contrat, nous convenons de vous procurer les garanties sommairement décrites dans votre Certificat d'assurance-automobile, en échange desquelles vous consentez à nous verser une prime.

Vous avez une garantie particulière pour une automobile donnée seulement si une prime est indiquée sur le Certificat d'assurance-automobile pour cette garantie ou s'il y est indiqué que la garantie est fournie sans frais.

1.2 Portée géographique de l'assurance

Votre police vous protège, vous et les autres personnes assurées, contre les accidents survenant au Canada, aux États-Unis, dans tout autre pays désigné dans l'*Annexe sur les indemnités d'accident légales* et dans des navires reliant des ports de ces pays. Toutes les limites mentionnées sont exprimées en dollars canadiens.

1.3 Définitions

Voici la définition de certains termes et expressions qui reviennent régulièrement dans la police.

Automobile

Dans la police, la définition d'«**automobile**» englobe le terme «**motoneige**». Les règlements peuvent, ou non, inclure d'autres types ou catégories de véhicules en tant qu'automobiles.

Dans la police, nous faisons une distinction entre une **automobile décrite** et l'**automobile**. L'expression «**automobile décrite**» renvoie à toute automobile précisément mentionnée dans le Certificat d'assurance-automobile.

Le terme «l'**automobile**» désigne :

- soit une automobile décrite;
- soit une automobile nouvellement acquise;
- soit une automobile de remplacement temporaire;
- soit d'autres automobiles conduites par vous, ou votre conjoint(e) si cette personne habite sous votre toit;
- soit des remorques dans certaines situations.

Vous trouverez une description plus précise de ces différents types d'automobile à l'article 2.

Certificat d'assurance-automobile

Le **Certificat d'assurance-automobile** est un document qui résume vos garanties. Y figurent votre nom (ou celui de votre organisation), l'automobile ou les automobiles décrites, les garanties obtenues, les primes correspondantes et la durée de la police.

Assurés - Garanties

Les **assurés** sont ceux et celles que protège l'assurance. Les **garanties** désignent les différents types d'assurance et leur limite respective.

Perte ou dommages directs

L'expression «**perte ou dommages directs**» désigne le résultat direct d'un risque. Par exemple, les dommages causés à une automobile lors d'une collision est un effet direct de celle-ci. Par contre, l'impossibilité de se servir de son automobile pendant une réparation est le résultat indirect d'un accident.

Conducteur(trice) exclu(e)

Un(e) **conducteur(trice) exclu(e)** est une personne expressément privée des garanties prévues dans la police quand elle conduit l'automobile décrite, une automobile de remplacement temporaire ou une automobile nouvellement acquise. Elle ne conserve que son droit aux **indemnités d'accident** prévues par la loi à l'intention des personnes blessées dans un accident survenant en Ontario.

Assuré(e) désigné(e)

L'**assuré(e) désigné(e)** est la personne ou l'organisation au nom de laquelle est établi le Certificat d'assurance-automobile.

Personne transportée

Dans la police, le terme «**personne transportée**» désigne toute personne, conducteur(trice) compris(e), se trouvant dans une automobile, y montant ou en descendant.

Relevé des dommages

Le **relevé des dommages** constitue la déclaration officielle du sinistre donnant lieu à la demande de règlement. Nous devons y trouver tous les renseignements dont nous avons besoin pour établir si la demande est raisonnable et déterminer la portée de notre responsabilité.

Conjoint(e)

Le terme «conjoint(e)» vise l'une ou l'autre de deux personnes qui, selon le cas :

- sont mariées l'une à l'autre;
- ont contracté un mariage annulable ou nul, la personne qui soumet une demande de règlement en vertu de la présente police ayant été de bonne foi;
- ont vécu ensemble dans une relation conjugale hors mariage de façon ininterrompue depuis au moins trois ans ou dans une relation d'une certaine permanence, si elles sont les parents naturels ou adoptifs d'un enfant.

Nous et vous

Dans toute la police, les termes «**vous**», «**votre**» et «**vos**» renvoient à la personne ou à l'organisation tenant lieu d'assuré(e) désigné(e) dans le Certificat d'assurance-automobile.

D'autres personnes peuvent être protégées par la police dans certaines situations. Elles sont alors, tout comme vous, désignées par l'expression «**personnes assurées**».

Les termes «**nous**», «**notre**» et «**nos**» désignent la compagnie qui fournit l'assurance.

1.4 Vos obligations

Si vous ne remplissez pas vos obligations, il est possible qu'on vous refuse une demande de règlement en vertu de la police, sauf si elle a trait à certaines indemnités d'accident.

En acceptant ce contrat d'assurance, vous convenez de vous conformer aux obligations suivantes :

- 1.4.1** Vous convenez de nous informer sans délai et par écrit dès que vous apprenez que votre situation de conducteur(trice), propriétaire ou locataire d'une automobile désignée se trouve sensiblement modifiée. Vous vous engagez aussi à nous informer de tout changement qui risquerait de hausser les possibilités d'accident ou nous inciterait à envisager de ne plus vous assurer au tarif courant.

Vous devez nous informer promptement de tout changement aux données figurant dans votre proposition d'assurance originale (addition de conducteurs, modification de l'utilisation d'une automobile, etc.).
- 1.4.2** Vous convenez de nous informer de la vente ou de la cession d'une automobile décrite dont vous êtes propriétaire, sauf si celle-ci passe en d'autres mains par succession, à la suite d'un décès ou dans le cadre d'une procédure découlant de la *Loi sur la faillite et l'insolvabilité* (Canada).
- 1.4.3** Si vous vous êtes procuré(e) les garanties facultatives contre la **perte** ou les **dommages**, vous convenez de nous informer de tout privilège (intervention de l'intérêt d'autres personnes), hypothèque ou prêt nouveau concernant une automobile décrite, ainsi que de toute autre police d'assurance offrant les mêmes garanties.
- 1.4.4** Vous convenez de nous informer par écrit, dans les sept jours ou, à défaut, aussitôt que possible, de tout incident impliquant l'automobile et devant être signalé aux autorités policières en vertu du *Code de la route* ou à propos de laquelle vous envisagez de présenter une demande de règlement en vertu de la présente police.
- 1.4.5** Vous convenez de ne pas conduire l'automobile ou de ne pas permettre à qui que ce soit de le faire quand la loi l'interdit.
- 1.4.6** Vous convenez de ne pas permettre que l'automobile soit utilisée dans une course, une épreuve de vitesse, un commerce illégal ou une activité de transport interdite, que ce soit par vous ou par quelqu'un d'autre.
- 1.4.7** Vous nous autorisez à inspecter l'automobile et ses composants à toute heure raisonnable.

1.5 À qui faut-il adresser les demandes de règlement? Qui peut le faire?

Avertissement - Infractions

Toute personne faisant consciemment une déclaration fausse ou trompeuse à un assureur en relation avec l'admissibilité de la personne concernée à recevoir une prestation en vertu d'un contrat d'assurance, ou omettant volontairement d'informer, en 14 jours ou moins, l'assureur d'un changement important survenu dans sa situation relativement à cette admissibilité, commet une infraction à la *Loi sur les assurances*. Une personne trouvée coupable d'une telle infraction est passible d'une amende maximale de 100 000 \$ pour la première infraction et d'une amende maximale de 200 000 \$ pour toute condamnation ultérieure additionnelle.

Toute personne fabriquant ou utilisant sciemment un faux document, avec l'intention qu'il soit reconnu comme un document authentique, commet une infraction au *Code criminel* fédéral et une personne trouvée coupable de cette infraction est passible d'un emprisonnement maximal de 10 ans.

Toute personne qui, par supercherie, mensonge ou autre moyen malhonnête, escroque ou tente d'escroquer une compagnie d'assurance, est coupable d'une infraction au *Code criminel*. Une personne trouvée coupable de cette infraction est passible d'un emprisonnement maximal de 10 ans si la fraude implique une somme dépassant 5 000 \$ ou, dans le cas contraire, d'un emprisonnement maximal de 2 ans.

Seuls vous-même ou une autre personne assurée pouvez nous présenter une demande de règlement et un relevé des dommages. Vous pouvez le faire en personne ou par courrier recommandé auprès de notre agent(e) principal(e) ou de notre siège social en Ontario.

Si vous-même ou une autre personne assurée êtes légitimement incapables de nous faire parvenir la demande de règlement ou de remplir les documents requis, vous pouvez nommer un(e) représentant(e) qui le fera pour votre compte.

Si vous-même ou une autre personne assurée refusez ou êtes incapables de remplir les documents requis, toute personne en droit de recevoir totalement ou partiellement le produit de l'assurance peut le faire à votre place.

1.6 Nos droits et obligations

1.6.1 Règlement des demandes

Nous réglerons les demandes légitimes dans les 60 jours qui suivent la réception du relevé des dommages ou même plus rapidement, dans le cas de certaines **indemnités d'accident**.

Quand nous refuserons une demande de règlement, nous expliquerons à la personne assurée, par écrit, les raisons pour lesquelles nous ne sommes pas obligés de l'indemniser.

1.6.2 Classement incorrect et prime erronée

Pour établir ce que coûte chaque garantie et chaque classe d'assurance-automobile, nous suivons des règles particulières, qui nous servent aussi à classer nos assurés.

Nous nous engageons à corriger tout classement inexact.

Si une erreur de classement a entraîné une prime trop élevée, nous vous rembourserons l'excédent payé, plus l'intérêt relatif à la période écoulée.

Cet intérêt sera calculé au taux de base fixé par la Banque du Canada le premier jour du dernier mois du trimestre précédant celui où le classement incorrect a été établi. Si ce taux est assorti d'une fraction, nous l'arrondirons à l'unité supérieure. (On entend par taux de base le taux d'intérêt exigé par la Banque du Canada pour ses prêts à court terme aux banques à charte.)

Si l'erreur de classement vous a fait payer une prime insuffisante, nous n'exigerons de surprime que si vous avez été informé(e) de la situation dans les 60 jours suivant la date d'entrée en vigueur de la police. Aucun intérêt ne vous sera facturé.

1.6.3 Paiement de la prime par mensualités

La loi autorise parfois les assurés à acquitter leur prime par versements mensuels égaux. Nous pouvons toutefois, dans ce cas, exiger le paiement d'intérêts au taux fixé par le gouvernement provincial en vertu de la *Loi sur les assurances* (Ontario).

1.7 Résiliation de votre police

1.7.1 Résiliation par vous

Vous pouvez résilier votre police d'assurance à votre gré, à la condition de nous en informer.

Dans ce cas, nous calculerons la prime due au taux à court terme, y compris des frais d'administration, en fonction de la période écoulée. Nous vous rembourserons toute somme due aussitôt que possible.

Il se peut que votre Certificat d'assurance-automobile fasse mention d'une prime minimale, qui ne vous sera pas remboursée.

1.7.2 Résiliation par nous

Si votre police est en vigueur depuis moins de 60 jours, nous ne pouvons l'annuler que pour l'un des motifs que nous avons fait inscrire auprès de la Commission des assurances de l'Ontario.

Si votre police est en vigueur depuis plus de 60 jours, nous ne pouvons l'annuler que pour l'un ou l'autre des motifs suivants :

- défaut de payer la prime;
- description erronée de l'automobile;
- fausse déclaration ou omission délibérées dans les renseignements à donner dans la Proposition d'assurance-automobile;
- modification sensible du risque.

Si nous annulons votre police, nous calculerons la prime due au prorata, c'est-à-dire selon le nombre réel de jours pendant lesquels vous avez été assuré(c). Si la moitié de la période sur laquelle porte la prime s'est écoulée par exemple, vous paierez la moitié de la prime.

Si votre Certificat d'assurance-automobile fait mention d'une prime minimale, ce montant ne vous sera pas remboursé.

Si vous avez déjà payé plus que la prime due, nous vous rembourserons l'excédent au moment de la résiliation. Votre remboursement peut tarder si nous avons à faire des rajustements ou attendons de recevoir les renseignements nécessaires au calcul du montant en cause, auquel cas nous vous verserons votre dû aussitôt que possible.

1.7.3 Comment nous pouvons résilier votre police pour non-paiement de la prime

En cas de non-paiement de la prime, nous pouvons vous donner un avis écrit. Nous devons vous donner un avis de dix jours si l'avis vous est remis personnellement, ou de trente jours si l'avis est envoyé à votre dernière adresse connue par courrier recommandé. La période de 30 jours commence le deuxième jour suivant la date de l'envoi par courrier recommandé. L'avis vous indiquera que vous avez jusqu'à midi de la dernière journée ouvrable précédant la dernière journée de la période de trente jours pour payer les arrérages plus les frais d'administration à défaut de quoi la police sera automatiquement annulée à 0 h 01 le dernier jour de la période de trente jours. Si vous payez les arrérages et les frais d'administration à temps, votre police ne sera pas annulée.

Par ailleurs, si nous vous avons déjà donné deux avis de non-paiement de la prime pendant la durée de votre police et qu'un non-paiement se produit à nouveau, nous ne sommes pas tenus de vous donner un autre avis en vertu de la présente section; nous pouvons cependant résilier votre police conformément aux dispositions du paragraphe 1.7.4.

1.7.4 Comment nous pouvons résilier votre police pour non-paiements répétés ou autres raisons

Si nous annulons votre assurance pour non-paiement de prime parce que nous vous avons déjà donné deux avis pendant la durée de votre police tel que décrit au paragraphe 1.7.3., ou si nous l'annulons pour une autre raison, nous vous en aviserons par écrit. Nous devons vous donner un avis de cinq jours si l'avis d'annulation vous est remis personnellement, ou de 15 jours si l'avis d'annulation est envoyé à votre dernière adresse connue par courrier recommandé. La période de 15 jours commence la deuxième journée suivant la date de l'envoi par courrier recommandé. Si l'avis de résiliation est donné parce que nous vous avons déjà donné deux avis de non-paiement pendant la durée de votre police tel que décrit au paragraphe 1.7.3, nous n'avons aucune obligation d'accepter un paiement tardif ni de garder la police en vigueur après la date d'entrée en vigueur de la résiliation.

1.8 Personnes et risques non assurés

1.8.1 Exclusion générale

Sauf en ce qui a trait à certaines **indemnités d'accident**, la présente police ne vous protège pas dans l'un ou l'autre des cas suivants :

- si l'automobile sert au transport d'explosifs ou de matières radioactives;
- si l'automobile sert de voiture-taxi, d'autobus, de véhicule pour visites touristiques ou pour le transport rémunéré de passagers. Les situations suivantes ne sont **toutefois** pas considérées comme constituant une activité de transport rémunéré :
 - transporter quelqu'un qui vous rendra le même service;
 - partager à l'occasion le coût d'un déplacement avec d'autres personnes transportées dans l'automobile;
 - transporter un domestique engagé par vous ou votre conjoint(e);
 - transporter à l'occasion des enfants à une activité scolaire ou parascolaire ou les en ramener;
 - transporter des clients actuels et éventuels;
 - rembourser des conducteurs bénévoles pour leurs dépenses raisonnables de déplacement, y compris l'essence, l'usure de l'automobile et les repas.

1.8.2 Conducteurs exclus et utilisation sans permission

Sauf en ce qui a trait à certaines **indemnités d'accident**, ni l'assuré(c), ni les personnes transportées ne sont protégés par la police quand une personne utilise ou conduit l'automobile sans le consentement de son propriétaire ou que la personne qui conduit l'automobile fait partie des conducteurs nommément exclus dans la police.

Sauf en ce qui a trait à certaines **indemnités d'accident**, la personne qui, au moment où elle devient volontairement un passager du véhicule, sait ou devrait raisonnablement savoir que le véhicule est utilisé ou conduit sans le consentement de son propriétaire, n'est pas couverte par la police.

1.8.3 Automobiles louées

Sauf en ce qui a trait à certaines **indemnités d'accident**, les garanties prévues dans la police ne s'appliquent pas lorsque vous louez l'automobile à autrui. **Toutefois**, nous ne considérerons pas l'utilisation rémunérée de l'automobile par un(e) employé(e), dans le cadre des activités commerciales de son employeur, comme étant une situation de location.

1.8.4 Exclusion des employés de garage

Les personnes dont l'activité commerciale consiste à vendre, réparer, entretenir, garder ou garer des automobiles ne sont pas protégées par la police dans l'exercice de leurs fonctions, à moins qu'elles ne soient effectivement propriétaires de l'automobile en cause dans un accident.

1.8.5 Exclusion du risque de guerre

Sauf au chapitre de la responsabilité, les garanties offertes par la police ne s'appliquent ni aux pertes et dommages, ni aux blessures ou décès imputables à une guerre et notamment à un bombardement, une invasion, une guerre civile, une insurrection, une rébellion, une révolution, un coup d'État ou des opérations militaires réalisées dans le cadre d'une guerre déclarée ou non.

Certaines garanties, comme les indemnités d'accident ou les garanties facultatives contre la perte ou les dommages, comportent des conditions supplémentaires qui sont énoncées dans les articles correspondants de la police.

Article 2

Automobiles assurées

2.1 Automobiles décrites

L'expression «automobile décrite» englobe toutes les automobiles et remorques expressément mentionnées dans votre Certificat d'assurance-automobile.

Votre Certificat d'assurance-automobile indique les garanties que vous avez souscrites pour chacune des automobiles décrites. Il peut s'agir des garanties suivantes :

- responsabilité,
- indemnités d'accident,
- automobile non assurée,
- indemnisation directe en cas de dommages matériels,
- perte ou dommages.

2.2 Extension des garanties à d'autres automobiles

Dès que, dans le Certificat d'assurance-automobile, une prime est indiquée pour une garantie relativement à une automobile décrite, la garantie en cause peut s'étendre aux accidents impliquant d'autres types d'automobiles. Le tableau qui suit vous donnera une idée de ces possibilités. Veuillez cependant lire la suite de cet article pour obtenir toutes les précisions à ce sujet.

Garanties que l'on peut étendre à d'autres automobiles

		Garanties protégeant l'automobile décrite				
		Responsabilité	Indemnités d'accident	Automobile non assurée	Indemnisation directe	Perte ou dommages
Type d'auto-mobile	Automobile nouvellement acquise (automobile de remplacement)	Oui. Une automobile de remplacement est protégée par les mêmes garanties que l'automobile décrite qu'elle remplace, à la condition que nous en soyons informés dans les 14 jours de la livraison de cette nouvelle automobile.				Oui (à certains conditions)
	Automobile nouvellement acquise (automobile supplémentaire)	Oui, si nous assurons, en vertu des mêmes garanties, toutes les automobiles que vous possédez le jour de la livraison et si vous nous en informez dans les 14 jours.				Oui (à certains conditions)
	Automobile de remplacement temporaire	Oui	Oui	Oui	Oui	Oui (à certains conditions)
	Toute autre automobile dont des autres automobiles qui sont louées	Oui (des conditions s'appliquent)	Oui	Oui	Oui	Non
	Remorque dont vous êtes propriétaire (et non décrite)	Oui, si elle est utilisée avec une automobile assurée en vertu de la police.			(à certaines conditions)	Non
	Remorque appartenant à autrui	Oui, si elle est utilisée avec une automobile assurée en vertu de la police.			Non	Non

2.2.1 Automobiles nouvellement acquises

L'expression «automobile nouvellement acquise» englobe les automobiles et les remorques dont vous vous rendez propriétaire et qui ne sont pas assurées par une autre police. Il peut s'agir d'une automobile supplémentaire ou de remplacement. S'il s'agit d'une automobile de remplacement, elle sera protégée par les mêmes garanties que l'automobile décrite qu'elle remplace. Nous assurerons les automobiles supplémentaires à la condition que :

- nous assurons déjà toutes les automobiles dont vous êtes propriétaire;
- toute demande de règlement présentée par vous à leur égard soit faite en vertu d'une garantie que nous fournissons déjà pour **toutes** vos autres automobiles.

Les automobiles nouvellement acquises sont assurées à la condition que vous nous informiez de leur acquisition dans les 14 jours de leur livraison et que vous acquittiez, le cas échéant, la surprime correspondante.

Nous pouvons inspecter les automobiles nouvellement acquises et leur équipement à tout moment jugé raisonnable.

Condition particulière : L'assurance ne peut être étendue aux automobiles nouvellement acquises par des vendeurs d'automobiles.

2.2.2 Automobiles de remplacement temporaire

L'expression «automobile de remplacement temporaire» désigne l'automobile dont vous vous servez pendant qu'une automobile est hors d'usage. La panne, les réparations, l'entretien, le vol, la vente ou la destruction de l'automobile décrite doit alors empêcher toute personne assurée en vertu de la police de l'utiliser.

Les garanties qui protègent l'automobile de remplacement temporaire lui proviennent de la police d'assurance-automobile de son (sa) propriétaire. Toutefois, la présente police peut aussi offrir des garanties.

Les garanties suivantes vaudront pour une automobile de remplacement temporaire si votre Certificat d'assurance-automobile indique une prime à leur égard, lorsque votre automobile devient provisoirement inutilisable :

- responsabilité,
- indemnités d'accident,
- automobile non assurée,
- indemnisation directe en cas de dommages matériels.

Si vous possédez l'une ou l'autre des garanties facultatives contre la **perte ou les dommages** à l'égard de l'automobile décrite qui est temporairement inutilisable, la garantie en question pourra, à certaines conditions, être étendue à l'automobile de remplacement temporaire. Vous trouverez tous les détails à ce sujet à l'article 7 - Garanties contre la perte ou les dommages de la présente police.

Condition particulière : Une automobile de remplacement temporaire ne peut vous appartenir, ni à quiconque habite sous votre toit.

2.2.3 Autres automobiles

Les automobiles non décrites sont également protégées par la police quand elles sont conduites par vous-même ou votre conjoint(c) si cette personne habite sous votre toit.

Elles bénéficient des garanties suivantes, si votre Certificat d'assurance d'une automobile décrite indique une prime correspondante :

- responsabilité,
- indemnités d'accident,
- automobile non assurée,
- indemnisation directe en cas de dommages matériels.

Conditions particulières s'appliquant à l'assurance des autres automobiles :

1. Le poids nominal brut respectif de l'autre automobile et d'une automobile décrite, indiqué par le fabricant, ne doit pas dépasser 4 500 kilogrammes.
2. L'assuré(e) désigné(e) doit être un particulier; si l'automobile décrite appartient à deux personnes, les assurés désignés doivent être conjoints l'un de l'autre.
3. Ni vous-même, ni votre conjoint(c) ne devez conduire l'autre automobile dans le cadre d'une activité commerciale vous amenant à vendre, réparer, entretenir, garder ou garer des automobiles.
4. L'autre automobile ne doit pas servir au transport rémunéré de passagers, ni à la livraison rémunérée de marchandises au moment du sinistre.
5. **En ce qui a trait à toutes les garanties sauf les indemnités d'accident**, l'autre automobile ne doit pas appartenir à vous-même ou à toute personne vivant sous votre toit, ni être régulièrement utilisée par l'un(e) de vous, ni appartenir ou être louée à votre employeur ou celui de personnes habitant avec vous. (Aux fins du présent paragraphe, nous ne considérons pas l'utilisation d'une automobile louée pendant 30 jours ou moins comme une utilisation régulière.)
6. Les employés et associés d'une **personne morale, association non constituée en personne morale, société en nom collectif, entreprise à propriétaire unique ou autre entité commerciale** qui disposent d'une automobile décrite, sur une base régulière, ainsi que leur conjoint(c)

habitant sous le même toit, restent protégés par la police lorsque ces personnes conduisent une autre automobile, sous réserve des conditions suivantes :

- Le poids nominal brut respectif de l'autre automobile et de l'automobile décrite, indiqué par le fabricant, ne doit pas dépasser 4 500 kilogrammes.
- Ni l'employé(e), ni l'associé(e) disposant d'une automobile décrite, ni son (sa) conjoint(e) habitant sous le même toit ne doivent conduire l'autre automobile dans le cadre d'une activité commerciale l'amenant à vendre, réparer, entretenir, garder ou garer des automobiles.
- L'autre automobile ne doit pas servir au transport rémunéré de passagers, ni à la livraison rémunérée de marchandises lors de l'accident.
- L'autre automobile ne doit ni appartenir, ni être louée à vous-même, à votre employé(e) ou à votre associé(e), ni être régulièrement ou fréquemment utilisée par l'un(e) de vous ou par toute personne vivant sous son toit.

Sauf dans les circonstances du paragraphe 2.2.4, cette police ne protégera donc pas vos employés ou associés, ni leur conjoint(e), si ces personnes possèdent ou louent quelque automobile assurée conformément à la loi dont le poids nominal brut indiqué par le fabricant est d'au plus 4 500 kilogrammes.

7. Pour les fins de la garantie **d'indemnisation directe en cas de dommages matériels**, l'autre automobile ne doit être décrite dans aucune police d'assurance de responsabilité automobile.

2.2.4 Autres automobiles qui sont louées

Afin de faciliter la lecture du présent paragraphe, les termes "loué" et "location" sont utilisés au sens de location-bail et de location simple.

Outre les garanties mentionnées au paragraphe 2.2.3, la garantie suivante s'applique aux automobiles louées si une prime est indiquée pour la garantie sur le Certificat d'assurance-automobile pour une automobile décrite :

- Responsabilité

Les automobiles, autres qu'une automobile décrite, sont garanties comme indiqué dans le présent paragraphe lorsqu'elles sont louées par vous ou par votre conjoint qui vit sous votre toit, pendant des périodes ne dépassant pas 30 jours, mais seulement en ce qui concerne la responsabilité de la personne qui loue l'automobile découlant de la négligence du conducteur de cette automobile, et seulement si le conducteur n'est pas un conducteur exclu en vertu de la présente police.

Conditions spéciales : pour qu'une automobile louée soit garantie, elle doit remplir les conditions suivantes :

1. L'automobile louée et l'automobile décrite doivent toutes deux avoir un poids nominal brut indiqué par le fabricant qui ne dépasse pas 4 500 kilogrammes.
2. L'assuré(e) désigné(e) doit être un particulier; si l'automobile décrite appartient deux personnes, les assurés désignés doivent être conjoints l'un de l'autre.
3. Ni vous, ni votre conjoint(e) ne devez louer l'autre automobile louée dans le cadre d'une activité commerciale vous amenant vendre, réparer, entretenir, garder ou garer des automobiles.
4. L'automobile louée ne doit pas servir au transport rémunéré de passagers, ni la livraison rémunérée de marchandises au moment du sinistre.
5. L'automobile louée ne doit pas appartenir vous-même ou toute personne vivant sous votre toit, ni être régulièrement utilisée par l'un(e) de vous, ni appartenir ou être louée votre employeur ou celui de personnes habitant avec vous. Aux fins du présent paragraphe, nous ne considérons pas l'utilisation d'une automobile louée pendant 30 jours ou moins comme une utilisation régulière.
6. Les employés et associés **d'une personne morale, association non constituée en personne morale, société en nom collectif, entreprise propriétaire unique ou autre entité commerciale** qui disposent d'une automobile décrite, sur une base régulière, ainsi que leur conjoint(e) habitant sous le même toit, restent protégés par la police lorsque ces personnes conduisent une automobile louée, sous réserve des conditions suivantes :
 - Le poids nominal brut respectif de l'automobile louée et de l'automobile décrite, indiqué par le fabricant, ne doit pas dépasser 4 500 kilogrammes.
 - Ni l'employé(e), ni l'associé(e) disposant d'une automobile décrite, ni son conjoint s'il vit sous le même toit, ne doivent louer l'automobile dans le cadre d'une activité commerciale l'amenant vendre, réparer, entretenir, garder ou garer des automobiles.
 - L'automobile louée ne doit pas servir au transport rémunéré de passagers, ni la livraison rémunérée de marchandises lors de l'accident.

2.2.5 Remorques

Toute remorque utilisée conjointement avec l'automobile est protégée par les garanties suivantes :

- responsabilité,
- indemnités d'accident,
- automobile non assurée.

Conditions particulières : Une remorque dont vous êtes propriétaire, mais qui n'est pas décrite dans la présente police, reste protégée par la garantie **Indemnisation directe en cas de dommages matériels** si :

- elle est attachée à une automobile dont le poids nominal brut indiqué par le fabricant ne dépasse pas 4 500 kilogrammes ou, à défaut, normalement utilisée avec une telle automobile;
- elle n'est ni conçue, ni utilisée à des fins résidentielles, pour transporter des passagers ou dans le cadre d'une activité commerciale.

2.3 Vous assurez plusieurs automobiles

2.3.1 Une seule police

Si votre Certificat d'assurance-automobile fait mention de plusieurs automobiles décrites, nous agirons, en cas de demande de règlement résultant de l'usage ou de la conduite d'une de ces automobiles, comme si chacune d'entre elles était protégée par une police distincte.

Toutefois, si l'automobile en cause dans un accident ne vous appartient pas, l'indemnité maximale à laquelle vous aurez droit ne sera pas supérieure à la limite la plus élevée prévue pour l'une ou l'autre des automobiles décrites.

Exemple

Votre police protège deux automobiles pour lesquelles elle mentionne, au chapitre de la responsabilité, des limites respectives de 300 000 \$ et de 500 000 \$. Si vous avez un accident en conduisant une automobile qui ne vous appartient pas, nous ne vous verserons pas plus de 500 000 \$.

2.3.2 Plusieurs polices

Si vous possédez deux automobiles ou plus qui sont assurées comme automobiles décrites en vertu de deux polices ou plus, chacune sera protégée par sa propre police.

Par contre, il sera plus difficile d'établir le montant de l'indemnité maximale que nous pourrions vous verser si une automobile dont vous n'êtes pas propriétaire est en cause dans un accident.

En vertu de la présente police, vous recevrez une fraction de la limite la plus élevée. Cette fraction sera la proportion que représente la limite prévue par la présente police par rapport au total de celles qu'indiquent toutes les polices.

Nous ne vous verserons aucun montant supérieur à cette proportion.

Exemple

Vous possédez une automobile assurée jusqu'à concurrence de 200 000 \$ au chapitre de la responsabilité en vertu de la présente police (police A) et une autre qui est assurée jusqu'à concurrence de 300 000 \$, au même chapitre par une autre police (police B). Si vous avez un accident en conduisant une automobile qui ne vous appartient pas, voici comment nous calculerons l'indemnité maximale à laquelle vous aurez droit.

Étape 1. Quel est le total des limites de toutes les polices?

$$\begin{array}{r}
 200\,000 \text{ (limite de la police A)} \\
 + \quad 300\,000 \text{ (limite de la police B)} \\
 \hline
 500\,000 \text{ (total des deux polices)}
 \end{array}$$

Étape 2. Quelle proportion la limite de la police A représente-t-elle par rapport au total établi à l'étape 1?

$$\begin{array}{r}
 200\,000 \text{ (limite de la police A)} \\
 500\,000 \text{ (total des deux polices)}
 \end{array}
 = \frac{2}{5}$$

Étape 3. Quelle sera votre indemnité maximale en vertu de la présente police?

$$\frac{2}{5} \times 300\,000 \text{ (limite la plus élevée)} = 120\,000$$

Nous vous verserons donc l'équivalent des deux cinquièmes des dommages subis, sans toutefois dépasser 120 000 \$, soit les deux cinquièmes de la limite la plus élevée. **Votre seconde police vous dédommagera des trois cinquièmes restants, mais jusqu'à concurrence de 180 000 \$.**

2.4 Remorques et remorquage

2.4.1 Remorques

Quand une automobile tire une ou plusieurs remorques, l'ensemble est considéré comme formant une seule automobile dans le calcul de l'indemnisation en vertu des garanties **Responsabilité**, **Indemnités d'accident** et **Automobile non assurée**. Toutefois, dans le calcul des franchises et de l'indemnisation aux termes des garanties **Indemnisation directe en cas de dommages matériels** et **Perte ou dommages** (facultatifs), chaque composant de l'ensemble sera considéré comme étant une automobile distincte.

2.4.2 Remorquage d'automobiles

Quand au moins deux automobiles appartenant à des propriétaires différents et rattachées l'une à l'autre sont en cause dans un accident, l'assureur de chacune réglera toute demande présentée par son propriétaire aux termes des garanties **Indemnisation directe en cas de dommages matériels et Perte ou dommages** (facultatifs).

2.5 Inspection

Nous pouvons inspecter l'automobile à tout moment jugé raisonnable. Si vous ne respectez pas les dispositions raisonnables prises aux fins de l'inspection, il est possible que les demandes présentées en vertu de l'article 7 – Garanties contre **la perte ou les dommages** vous soient refusées.

Article 3

Responsabilité

Vous avez une garantie particulière pour une automobile donnée seulement si une prime est indiquée sur le Certificat d'assurance-automobile pour cette garantie ou s'il y est indiqué que la garantie est fournie sans frais.

3.1 Introduction

Le présent article de votre police protège financièrement les assurés qui sont tenus par la loi responsables des lésions corporelles ou dommages subis par d'autres personnes lors d'un accident d'automobile.

3.2 Personnes assurées

Il s'agit de vous-même ou de toute autre personne utilisant ou conduisant avec votre consentement une automobile décrite qui est en sa possession.

La garantie de Responsabilité reste valide quand vous ou les autres personnes assurées utilisez ou conduisez des automobiles d'un type différent. L'article 2 précise ces situations et les conditions qui s'y appliquent.

3.3 Étendue de la garantie

Il se peut que vous-même ou les autres personnes assurées soyez tenus par la loi responsables des lésions corporelles et même du décès d'autrui, ainsi que des dommages matériels causés aux biens d'autrui par l'automobile dont vous êtes le (la) propriétaire ou que vous conduisez ou louez ou par une autre automobile que vous louez. Si cela se produit, nous verserons pour votre compte toutes les indemnités légalement exigées, jusqu'à concurrence de la limite mentionnée dans votre police.

Nous dédommagerons également toutes les personnes assurées mentionnées dans la police des frais qu'elles auront engagés pour fournir l'aide médicale immédiate dont ont besoin les victimes d'un accident d'automobile.

Nous ferons enquête sur tous les avis de lésions corporelles ou de dommages matériels que nous recevrons. S'il y a lieu de le faire, nous négocierons un règlement en votre nom ou en celui des autres personnes assurées.

3.3.1 Poursuites contre vous

En contractant la présente police, vous-même et les autres personnes assurées nommez irrévocablement votre assureur comme votre représentant dans toute poursuite intentée à votre endroit au Canada, aux États-Unis ou dans tout autre pays désigné dans l'*Annexe sur les indemnités d'accident légales* et portant sur une automobile dont vous êtes le (la) propriétaire ou que vous conduisez ou utilisez.

Si vous-même ou une autre personne assurée êtes poursuivi(e) en vertu du présent article pour des pertes subies lors d'un accident d'automobile, nous assurerons votre défense et en acquitterons tous les frais, y compris ceux de l'enquête. Nous paierons aussi les frais de justice que vous imposera le tribunal en rapport avec la poursuite.

Si le jugement rendu vous est défavorable, nous acquitterons également les intérêts courus par la suite sur la somme fixée dans le jugement, jusqu'à concurrence toutefois de l'indemnité maximale que prévoit votre police au chapitre de la responsabilité.

Nous nous réservons le droit de faire enquête, de négocier un règlement et de conclure toute entente à l'amiable qui nous convienne.

Si vous ou les autres personnes assurées êtes poursuivis pour un montant supérieur à la limite mentionnée dans votre police, vous voudrez peut-être engager un avocat, à vos propres frais, pour protéger vos intérêts.

3.3.2 Indemnité maximale

L'indemnité maximale que nous consentirons à verser pour votre compte ou celui de toute autre personne assurée en vertu du présent article en rapport avec un accident donné (autre les frais de justice et les intérêts courus après jugement) variera selon la portée de la garantie de responsabilité que vous vous serez procurée. Cette limite est mentionnée dans votre Certificat d'assurance-automobile.

Exemple

Une personne vous poursuit pour des lésions corporelles qu'elle a subies dans un accident dont vous êtes légalement responsable. Nous engagerons des avocats, les paierons et acquitterons la totalité des frais reliés à votre défense devant le tribunal.

Le tribunal vous condamne à payer 10 000 \$ de frais et 600 000 \$ en dédommagement. Votre police prévoit une limite de 500 000 \$ au chapitre de la responsabilité.

Nous acquitterons les frais de 10 000 \$; au plan de la responsabilité, nous paierons 500 000 \$, en plus des intérêts courus sur cette somme après le jugement. L'excédent, soit 100 000 \$, reste à votre charge, ainsi que les intérêts qui s'y rapportent.

3.3.3 Accidents survenant ailleurs qu'en Ontario

Quand un accident survient dans une province, un territoire ou un pays couvert par cette police où l'assurance minimale prescrite en matière de responsabilité est supérieure à la limite mentionnée dans votre Certificat d'assurance-automobile, nous honorons toute demande de règlement jusqu'à concurrence de cette assurance minimale. Nous nous engageons également à ne pas utiliser, en défense, des arguments que nous n'aurions pu faire valoir si la police avait été souscrite dans cette province, dans ce territoire ou dans ce pays.

Exemple

Vous avez un accident dans une province où l'assurance minimale prescrite en matière de responsabilité est fixée à 500 000 \$. Même si votre police prévoit une limite maximale de 200 000 \$, nous pourrions verser un dédommagement atteignant 500 000 \$.

3.3.4 Police mentionnant plusieurs assurés désignés

Nous vous protégerons des poursuites intentées contre vous par d'autres assurés désignés dans votre police, et vice versa. En ce cas, nous agirons comme si chaque assuré(e) désigné(e) possédait sa propre police. Toutefois, notre indemnité totale (outre les frais de justice et les intérêts courus après jugement) ne pourra être supérieure au montant maximal mentionné dans votre Certificat d'assurance-automobile.

Exemple

Deux personnes exploitent ensemble la même entreprise. Toutes deux sont des assurés désignés dans la police qui protège leur fourgonnette; au chapitre de la responsabilité, la limite s'élève à 500 000 \$.

Un jour se produit un accident; l'un(e) des associés est au volant, tandis que l'autre est un passager. Tous deux sont grièvement blessés, mais ont fait preuve d'une commune négligence.

Ils se poursuivent l'un(e) l'autre; le(la) premier(ère) obtient 300 000 \$ et le (la) second(e) 500 000 \$. Notre indemnisation totale ne dépassera pas 500 000 \$, soit la limite mentionnée dans la police. Nous acquitterons également les frais de justice et les intérêts courus après jugement.

3.3.5 Automobiles louées

Pour faciliter la lecture de ce paragraphe, les termes " location ", " locataire " et " loué " désignent la location-bail et la location simple.

La présente police garantit les personnes qui louent une automobile, comme décrit aux définitions d'**automobile** au paragraphe 2, à la suite d'une responsabilité imposée par la loi et découlant de la négligence du conducteur de cette automobile.

Si une demande de règlement d'assurance est déposée contre un conducteur, la personne qui loue ou le propriétaire d'une automobile louée, la garantie peut être disponible en vertu de plus d'une police d'assurance responsabilité automobile. Les règles suivantes régissent l'ordre dans lequel interviennent les polices :

1. Si l'assurance est autorisée la personne qui a loué l'automobile, la police fournissant cette assurance intervient en premier.
2. Si l'assurance est autorisée au conducteur de l'automobile louée, la police fournissant cette assurance intervient ensuite.
3. Si l'assurance est autorisée au propriétaire de l'automobile louée, la police fournissant cette assurance intervient en dernier.

Il n'y a pas de responsabilité pour les demandes de règlement excédant la limite de garantie précisée dans le certificat d'assurance. Nous n'avons pas la responsabilité de défendre ces demandes de règlement déposées contre des personnes autres que vous, votre conjoint qui vit sous votre toit ou les personnes mentionnées aux alinéas 2.2.3 (6) et 2.2.4 (6).

Exemple 1*

Vous louez une voiture. C'est un ami à vous qui la conduit lorsqu'il est impliqué dans un accident de voiture qui se produit en Ontario. Vous, votre ami et la société de location peuvent faire l'objet d'une demande d'indemnité de la part des autres personnes qui ont subi une perte dans l'accident. Si vous avez droit à une assurance en vertu de votre police pour ces demandes et que votre ami était fautif dans l'accident, votre police entre en jeu en premier pour régler la demande d'indemnité. Si cette garantie est épuisée et si votre ami a droit à une assurance en vertu de sa police, l'assureur de votre ami intervient ensuite. Si cette garantie est aussi épuisée, n'importe quelle assurance autorisée en vertu de la police de la société de location intervient ensuite. Aucun des assureurs ne doit payer plus que la limite de garantie qu'il a acceptée de fournir.

Exemple 2

Votre ami loue une voiture, et c'est vous qui la conduisez lorsque l'accident se produit en Ontario. Vous, votre ami et la société de location peuvent faire l'objet d'une demande d'indemnité de la part des autres personnes qui ont subi une perte dans l'accident. Si vous étiez fautif, et que votre ami a droit à une assurance en vertu de sa police pour ces demandes de règlement, l'assureur de votre ami intervient en premier. Si cette garantie est épuisée et que vous avez droit à une assurance en vertu de votre police, votre police intervient ensuite. Si cette garantie est épuisée, n'importe quelle assurance autorisée en vertu de la police de la société de location intervient ensuite. Aucun des assureurs ne doit payer plus que la limite de garantie qu'il a acceptée de fournir.

** Ces exemples ne sont cités qu'afin de faciliter la compréhension et pour illustrer l'article 277 de la Loi sur les assurances (Ontario). En cas de désaccord entre l'article 277 et ces exemples, c'est l'article 277 qui l'emporte. En outre, qu'une assurance soit ou non disponible en vertu d'une police dans une situation donnée dépend des faits de la situation et des modalités de la police.*

3.4 Obligations des personnes assurées

Vous-même et les autres personnes assurées prenez les engagements suivants :

- nous informer par écrit de tout accident entraînant une perte ou des dommages de nature personnelle ou matérielle, dans les sept jours ou, si vous ne pouvez respecter ce délai pour cause d'incapacité, aussitôt que possible, nous donnant tout renseignement pertinent sur l'événement et toute demande de règlement qui en découle;
- nous remettre, sur demande, une déclaration solennelle indiquant que la demande de règlement découle de l'utilisation d'une automobile dont la conduite ou l'utilisation avait été confiée à vous-même ou à une autre personne assurée;
- nous aider à recueillir tous les renseignements et preuves dont nous avons besoin au sujet d'un accident, notamment par la comparution de témoins, et, à notre demande, nous accorder votre collaboration, sauf au plan pécuniaire, dans toute poursuite judiciaire;
- nous faire parvenir sans délai toute correspondance reçue au sujet de la demande de règlement, y compris les documents juridiques;
- ne jamais reconnaître votre responsabilité dans l'accident, ni régler une demande, sauf à vos propres frais ou à ceux des autres personnes assurées, ni vous immiscer dans une poursuite ou des négociations que nous avons entamées pour régler une demande.

Il se peut que nous soyons tenus par la loi de faire certains versements que la présente police n'exige pas de nous. En de tels cas, vous-même ou les autres personnes assurées devrez nous les rembourser sur demande.

3.5 Situations diverses que ne couvre pas votre police**3.5.1 Biens non assurés**

Le présent article de votre police ne vous protège pas contre les dommages infligés à des biens se trouvant dans ou sur l'automobile; il en est de même pour vos propres biens et ceux des autres personnes assurées, pour ceux que l'un(e) ou l'autre d'entre vous avez loués et pour ceux dont la garde, la surveillance ou la charge a été confiée à l'un(e) d'entre vous.

3.5.2 Biens contaminés

En vertu du présent article, nous ne vous dédommagerons pas quand des biens se trouvant dans l'automobile sont contaminés.

3.5.3 Risque nucléaire

Le risque nucléaire provient des propriétés radioactives, toxiques ou explosives et des autres propriétés dangereuses de substances décrites dans le règlement découlant de la *Loi sur la sûreté et la réglementation nucléaires* (Canada).

Si vous-même ou d'autres personnes assurées avez un accident entraînant une perte ou des dommages directement ou indirectement imputables au risque nucléaire, nous vous dédommagerons jusqu'à concurrence de 200 000 \$, sous réserve que l'un(e) ou l'autre d'entre vous soyez protégé(e) de ce risque à la fois par la présente police et par une police comportant une garantie de responsabilité découlant du risque nucléaire. Ce dédommagement ne vous sera disponible qu'une fois la limite de cette dernière police épuisée.

Article 4**Indemnités d'accident**

Vous avez une garantie particulière pour une automobile donnée seulement si une prime est indiquée sur le Certificat d'assurance-automobile pour cette garantie ou s'il y est indiqué que la garantie est fournie sans frais.

4.1 Personnes assurées

Vous trouverez dans l'Annexe sur les indemnités d'accident légales la définition d'une «personne assurée» pour les fins de l'article 4. Cette expression englobe également toute personne blessée ou décédée à la suite d'un accident auquel a contribué l'automobile, même s'il ne s'agit pas de

l'assuré(e) désigné(e), de son (sa) conjoint(e) ou d'une personne à sa charge en vertu d'une autre police d'assurance-automobile et même si elle n'était pas protégée par la police de l'automobile dans laquelle elle se trouvait ou celle de l'automobile qui l'a heurtée.

4.2 Types d'indemnités

L'Annexe sur les indemnités d'accident légales de la *Loi sur les assurances* (Ontario) précise les types d'indemnités. Le présent article de votre police établit les indemnités auxquelles vous-mêmes et les autres personnes assurées pouvez avoir droit si vous êtes blessés ou tués dans un accident d'automobile. En cas de différence, le texte de l'Annexe sur les indemnités d'accident légales prévaut sur celui qui se trouve ici.

Votre compagnie d'assurance est tenue d'informer toutes les personnes assurées des indemnités disponibles.

L'Annexe sur les indemnités d'accident légales prévoit les indemnités suivantes :

Indemnité de remplacement de revenu

Cette indemnité vous dédommage vous et les autres personnes assurées des pertes de revenus.

Indemnité de soignant

Cette indemnité peut vous dédommager, vous et les autres personnes assurées, de certains frais dans les cas où il vous est impossible de rester le principal soignant d'un membre du foyer qui a besoin de soins.

Indemnité de personne sans revenu d'emploi

Cette indemnité peut vous dédommager, vous et les autres personnes assurées, si vous ne pouvez poursuivre vos activités habituelles et n'êtes pas admissible à l'indemnité de remplacement de revenu ou à l'indemnité de soignant.

Indemnité pour frais médicaux

Cette indemnité servira éventuellement à vous dédommager, vous et les autres personnes assurées, de certains frais médicaux rendus nécessaires par vos blessures et qui ne vous sont pas remboursés par quelque autre régime d'assurance.

Indemnité de réadaptation

Cette indemnité servira éventuellement à vous dédommager, vous et les autres personnes assurées, des frais de réadaptation rendus nécessaires par vos blessures et qui ne vous sont pas remboursés par quelque autre régime d'assurance.

Indemnité de soins auxiliaires

Cette indemnité entre en jeu quand vous-même ou une autre personne assurée avez besoin de soins auxiliaires.

Autres indemnités pour pertes pécuniaires

Ces indemnités peuvent vous dédommager, vous et les autres personnes assurées, de certains autres frais comme ceux d'auxiliaires visiteurs lors d'un traitement ou d'une convalescence. Elles peuvent également compenser certains frais d'entretien ménager, de réparation ou de remplacement de certains biens perdus ou endommagés lors de l'accident et une partie des frais de scolarité à l'égard des journées perdues.

Prestations de décès

Ces prestations sont versées à certains membres de la famille d'une personne décédée dans un accident.

Indemnité de frais funéraires

Cette indemnité sert au règlement de certains frais funéraires.

Indemnités facultatives

Vous pouvez souscrire une ou plusieurs garanties d'indemnités facultatives en complément des indemnités de base que prévoit le présent article. Les indemnités facultatives sont les suivantes : indemnité accrue de remplacement du revenu, prestations de soins et prestations de soins aux personnes à charge accrues, indemnités accrues pour frais médicaux, frais de réadaptation et soins auxiliaires, et indemnités de frais funéraires et prestations de décès accrues. Vous pouvez également souscrire une garantie d'indexation qui fait en sorte que le versement hebdomadaire de certaines indemnités et certains plafonds augmenteront chaque année en fonction du coût de la vie.

4.3 Présentation des demandes d'indemnité

4.3.1 Marche à suivre et délais

Toute demande d'indemnité d'accident doit nous être communiquée dans les 7 jours qui suivent l'accident, ou aussitôt que possible, afin que nous puissions faire parvenir à l'assuré(e) la formule requise.

La personne qui présente une demande d'indemnité doit nous la faire parvenir dans les 30 jours suivant la réception de la formule.

Vous ou les autres personnes assurées pouvez toujours avoir droit à des indemnités si des raisons valables vous empêchent de respecter ce délai. Le versement des indemnités peut cependant être retardé.

Nous sommes tenus, en ce qui concerne les indemnités de remplacement de revenu, les indemnités de personne sans revenu d'emploi et les indemnités de soignant, de commencer les versements dans les 14 jours suivant la réception de la demande dûment remplie.

Nous sommes tenus de verser les prestations de décès, les indemnités de frais funéraires et les autres indemnités pour pertes pécuniaires dans les 30 jours suivant la réception de la demande.

Sauf si nous exigeons un formulaire d'évaluation des besoins en matière de soins auxiliaires dans les 14 jours suivant la réception de la demande dûment remplie, nous sommes tenus, en ce qui concerne les indemnités de soins auxiliaires, de commencer les versements dans les 30 jours.

Si vous ou les autres personnes assurées présentez une demande d'indemnité pour frais médicaux ou frais de réadaptation, votre médecin ou un autre professionnel de la santé doit nous fournir un programme de traitement ou tout autre formulaire connexe.

Dans certains cas, nous sommes autorisés à vous demander et à demander aux autres personnes assurées de se soumettre à l'examen d'un spécialiste indépendant afin que l'on puisse évaluer leurs besoins au plan des services médicaux, de la réadaptation et des soins auxiliaires.

Nous pouvons vous demander, ou à toute autre personne assurée, de fournir des renseignements additionnels concernant la demande, tels qu'une déclaration solennelle eu égard aux circonstances ayant mené à la demande ou une preuve d'identité. Nous pouvons également vous demander, ou à toute autre personne assurée, de prendre part à un examen sous serment relativement à l'admissibilité aux indemnités, sur préavis raisonnable et à l'endroit et au moment qui convient à la personne concernée. Si cette personne ne participe pas tel que demandé, le versement des indemnités peut être retardé ou interrompu.

Si les blessures s'inscrivent dans le cadre de certaines lignes directrices émises par le surintendant des services financiers, vous, ou toute autre personne assurée, pouvez avoir droit à ces services médicaux ou de réadaptation sans notre approbation préalable et avant la soumission d'une demande dûment remplie.

4.3.2 Choix du type d'indemnité

Si vous ou une autre personne assurée êtes admissible à plusieurs indemnités hebdomadaires, nous vous ferons parvenir un avis indiquant que vous devez choisir l'indemnité à recevoir entre par exemple l'indemnité de remplacement de revenu, l'indemnité de personne sans revenu d'emploi et l'indemnité de soignant. Vous disposerez de 30 jours pour faire ce choix.

4.4 Restrictions

Vous ou les autres personnes assurées n'avez pas droit à l'indemnité de remplacement de revenu, à l'indemnité de personne sans revenu d'emploi ou aux autres indemnités pour pertes pécuniaires dans l'un ou l'autres des situations suivantes :

- vous saviez ou deviez raisonnablement savoir que vous utilisiez une automobile non assurée;
- vous conduisiez une automobile alors que la loi vous l'interdit;
- vous conduisiez une automobile alors que vous faisiez partie des conducteurs nommément exclus par la police;
- vous avez sciemment conduit l'automobile sans le consentement de son propriétaire ou deviez raisonnablement savoir que l'automobile était utilisée sans ce consentement;
- vous avez fait une fausse déclaration ou saviez qu'une fausse déclaration avait été faite, ce qui a entraîné l'émission de la présente police;
- vous avez intentionnellement omis de nous aviser de changements importants, comme l'exige l'alinéa 1.4.1;
- vous avez été déclaré(e) coupable d'un acte criminel lors de l'utilisation d'une automobile.

Article 5

Automobile non assurée

Vous avez une garantie particulière pour une automobile donnée seulement si une prime est indiquée sur le Certificat d'assurance-automobile pour cette garantie ou s'il y est indiqué que la garantie est fournie sans frais.

5.1 Introduction

5.1.1 Annexe «Garantie d'automobile non assurée»

Vous trouverez dans le présent article de votre police les conditions qui régissent la garantie «Automobile non assurée», conformément à l'Annexe correspondante de la *Loi sur les assurances* (Ontario). En cas de différence, le texte de l'Annexe prévaut sur celui du présent article. Notez cependant que l'alinéa 5.3.3 du présent article s'ajoute aux dispositions de l'Annexe.

5.1.2 Qu'est-ce qu'une automobile non assurée?

L'expression «automobile non assurée» englobe toutes les automobiles dont ni le (la) propriétaire, ni le (la) conducteur(trice) ne possèdent de police d'assurance de responsabilité couvrant les lésions corporelles ou les dommages matériels découlant de la propriété ou de l'utilisation de l'automobile, ainsi que les automobiles couvertes par une police d'assurance dont le produit reste irrécouvrable. Sont expressément exclues les automobiles appartenant à une personne assurée ou à son (sa) conjoint(e) et celles qui sont immatriculées au nom de l'un(e) ou de l'autre.

5.1.3 Qu'est-ce qu'une automobile non identifiée?

L'expression «automobile non identifiée» désigne celles dont il est impossible de retrouver le (la) propriétaire ou le (la) conducteur(trice).

5.2 Portée de la garantie**5.2.1 Demandes de règlement pour lésions corporelles aux personnes assurées**

Jusqu'à concurrence des limites mentionnées dans cet article, nous verserons toutes les sommes que vous-même et les autres personnes assurées avez le droit de recouvrer du (de la) propriétaire ou du (de la) conducteur(trice) d'une automobile non assurée ou non identifiée à titre de dommages-intérêts à l'égard de lésions corporelles causées par un accident d'automobile.

5.2.2 Demandes de règlement pour lésions corporelles ou décès présentées par d'autres personnes

Jusqu'à concurrence des limites mentionnées dans cet article, nous verserons toutes les sommes qu'une personne a le droit de recouvrer du (de la) propriétaire ou du (de la) conducteur(trice) d'une automobile non assurée ou non identifiée à titre de dommages-intérêts à l'égard de lésions corporelles subies par une personne assurée ou à l'égard du décès de celle-ci, à la suite d'un accident d'automobile.

5.2.3 Demandes de règlement pour certains dommages matériels

Nous vous verserons les sommes que vous-même et les autres personnes assurées avez le droit de recouvrer du (de la) propriétaire ou du (de la) conducteur(trice) identifié(e) d'une automobile non assurée à titre de dommages-intérêts à l'égard des dommages causés à l'automobile ou de la perte de jouissance de celle-ci ou de son contenu, ou les deux, à la suite d'un accident d'automobile. Cette garantie prévoit une indemnité maximale de 25 000 \$ et une franchise de 300 \$.

Nota : Le présent article ne couvre pas les dommages causés à l'automobile par une automobile non identifiée. Il se peut cependant que vous puissiez, à cet égard, vous procurer une garantie facultative contre la perte et les dommages.

5.3 Demandes de règlement pour lésions corporelles ou décès**5.3.1 Personnes assurées**

La présente garantie s'applique aux lésions corporelles ou au décès des personnes suivantes :

- toute personne transportée par l'automobile;
- vous-même, votre conjoint(e) et les parents à charge de l'un(e) ou de l'autre quand
 - soit vous tes transporté(e) par une automobile non assurée;
 - soit vous tes heurté(e) par une automobile non assurée ou non identifiée alors que vous ne vous trouvez pas dans une automobile, un tramway ou un véhicule roulant sur rails;
- si vous êtes une personne morale, une association non constituée en personne morale ou une société en nom collectif, tout(e) administrateur(trice), dirigeant(e), employé(e) ou associé(e) qui a l'automobile décrite à sa disposition sur une base régulière, ainsi que leur conjoint(e) et les parents à charge de toutes ces personnes,
 - soit pendant qu'ils sont transportés par une automobile non assurée,
 - soit s'ils sont heurtés par une automobile non assurée ou non identifiée dans les cas où ils ne sont pas transportés par une automobile, un tramway ou un véhicule roulant sur rails.

Nota : La garantie ne s'applique pas si l'administrateur(trice), le (la) dirigeant(e), l'employé(e) ou l'associé(e), ou leur conjoint(e), est propriétaire d'une automobile assurée. Dans ce cas, toute demande de règlement devra être faite en vertu de la police de cette dernière.

5.3.2 Exclusion visant les parents à charge

Le présent article de la police ne protège pas les parents à charge qui possèdent une automobile assurée ou qui sont blessés ou tués alors qu'ils sont transportés dans leur propre automobile non assurée.

5.3.3 Automobiles décrites louées

Dès que la présente police est modifiée de manière à permettre la location de l'automobile décrite pendant au moins 30 jours, la personne ou l'organisation qui la prend à bail sera traitée comme si elle était l'assuré(e) désigné(e).

5.3.4 Conditions relatives aux demandes de règlement pour lésions corporelles ou décès

La personne qui est en droit de présenter une demande de règlement pour lésions corporelles subies par un(e) assuré(e) ou pour son décès doit :

- nous informer par écrit de sa demande dans les 30 jours suivant l'accident ou, à défaut, aussitôt que possible;
- nous communiquer tous les renseignements possibles pour appuyer sa demande, notamment les détails de l'accident et de ses conséquences, dans les 90 jours suivant celui-ci ou, à défaut, aussitôt que possible;
- produire, à notre demande, une attestation du médecin ou du psychologue de l'assuré(e) précisant la cause du décès ou des blessures et, le cas échéant, la nature de celles-ci et la durée prévue de l'invalidité;
- nous donner toutes les précisions concernant les autres polices, sauf celles d'assurance-vie, en vertu desquelles une demande de règlement pourrait être présentée.

5.3.5 Accidents impliquant des automobiles non identifiées

Quand une automobile non identifiée blesse ou tue une personne assurée, cette dernière ou son (sa) représentant(e) doit faire rapport de l'accident à un agent de police ou à quelque autre autorité compétente dans les 24 heures ou, à défaut, aussitôt que possible.

Vous ou les autres personnes assurées devez nous fournir par écrit les détails de l'accident dans les 30 jours ou, à défaut, aussitôt que possible. Vous pouvez agir par l'intermédiaire d'un(e) représentant(e). Votre déclaration doit préciser si l'accident a été provoqué par une personne que l'on ne peut identifier; vous devez aussi y décrire la nature et l'ampleur des blessures infligées à vous-même ou aux autres personnes assurées, de même que les dommages matériels résultant de l'accident. Vous devez faire en sorte que nous puissions, sur demande, examiner l'automobile dans laquelle vous ou les autres personnes assurées vous trouviez au moment de l'accident.

5.3.6 Examens médicaux

On pourra exiger que vous ou les autres personnes assurées vous soumettiez, à des intervalles raisonnables, à l'examen d'un médecin ou d'un psychologue compétent. Dans ce cas, nous vous préviendrons suffisamment à l'avance.

Ces examens se feront toujours à nos frais. L'auteur(e) de la demande de règlement ou son (sa) représentant(e) pourra sur demande se faire remettre une copie des résultats.

5.4 Demandes de règlement pour dommages matériels

5.4.1 Personnes assurées

S'il s'agit de dommages à l'automobile, la garantie ne protège que son (sa) propriétaire.

S'il s'agit de dommages à des biens se trouvant dans l'automobile, la garantie protège le (la) propriétaire de ces biens.

5.4.2 Conditions relatives aux demandes de règlement pour dommages matériels

Quand vous et les autres personnes assurées présentez une demande de règlement pour dommages matériels, vous devez :

- nous informer par écrit de l'accident dans les sept jours suivant l'événement (ou, si vous ne pouvez le faire pour cause d'incapacité, aussitôt que possible), nous donnant toutes les précisions que vous possédez alors au sujet de la perte, des dommages et des circonstances;
- faire tout en votre pouvoir, dans les limites du raisonnable, pour protéger l'automobile d'autres dommages, auquel cas nous vous dédommagerons de vos frais. Si vous ne prenez pas ces précautions, les dommages subséquents que subirait l'automobile ne seront pas couverts par votre police;
- vous abstenir de faire réparer l'automobile, sauf dans la mesure du nécessaire pour la protéger, et de retirer des preuves des dommages subis, à moins que nous y ayons donné notre consentement par écrit ou ayons pu examiner l'automobile;
- nous permettre de prendre copie de tout document se trouvant en votre possession ou en celle d'autres personnes assurées et qui se rapporte à l'accident;
- nous permettre d'examiner l'automobile à toute heure raisonnable;
- à notre demande, faire dans les 90 jours suivant l'accident une déclaration solennelle dans laquelle vous préciserez les circonstances de l'accident, ainsi que la cause et l'ampleur des dommages, identifierez les victimes et l'ampleur de leurs pertes et affirmerez que les dommages sont effectivement d'origine accidentelle. Vous devrez également nous informer de toute autre police d'assurance pertinente;
- accepter de disposer vous-même de l'automobile, sauf si nous convenons de le faire nous-mêmes. Si nous décidons de la remplacer ou de vous en verser la valeur réelle en espèces, moins la franchise précisée dans votre Certificat d'assurance-automobile, ce qui en reste devient notre propriété.

5.4.3 Droit de réparer, remplacer ou reconstruire l'automobile

Nous pouvons réparer, remplacer ou reconstruire l'automobile plutôt que de vous indemniser pour les dommages subis. Dans ce cas, notre décision vous sera communiquée, à vous ou aux autres personnes assurées, dans les sept jours suivant la réception de la demande de règlement. Nous ferons en sorte que les travaux soient terminés dans un délai raisonnable et que l'on utilise des pièces de même type et qualité.

5.4.4 Montant de l'indemnité

L'indemnité que nous vous verserons ne sera jamais plus élevée que la valeur réelle en espèces de l'automobile au jour du sinistre, moins la franchise précisée dans votre Certificat d'assurance-automobile.

Nous calculerons le coût de la perte ou des dommages d'après la valeur de l'automobile au jour du sinistre, moins la dépréciation. Nous ne paierons pas plus pour faire réparer l'automobile que sa valeur réelle en espèces au jour du sinistre, moins la franchise précisée dans votre Certificat d'assurance-automobile.

Nous vous verserons donc le moindre des montants suivants :

- le coût de la réparation de la perte ou des dommages, moins la franchise;
- la valeur réelle en espèces de l'automobile au jour du sinistre, moins la franchise.

Exemple

Votre automobile, qui a quatre ans, est heurtée du côté avant gauche par une automobile non assurée, que l'on a cependant pu identifier. La carrosserie est réparée là où elle était endommagée. Nous paierons les frais de réparation (moins la franchise de 300 \$), ainsi que ce qu'il en coûtera pour repeindre la partie endommagée. Si vous voulez faire repeindre toute l'automobile, les frais supplémentaires seront à votre charge.

5.5 Demandes de règlement pour lésions corporelles et dommages matériels

Il se peut qu'un accident entraîne à la fois des lésions corporelles ou un décès et des dommages matériels à l'automobile ou à son contenu. Le montant d'assurance maximal servira alors, pour 95 p. 100, au paiement des indemnités pour lésions corporelles ou décès, tandis que les 5 p. 100 restants seront consacrés aux demandes de règlement pour dommages matériels.

Exemple

Dans un accident survenu en Ontario et imputable à un(e) conducteur(trice) identifié(e), mais non assuré(e), votre automobile de 20 000 \$ est détruite et vous et votre conjoint(e) subissez des lésions corporelles pour lesquelles vous réclamez au total 350 000 \$.

Notre indemnité ne dépassera pas la limite minimale au chapitre de la responsabilité civile, soit 200 000 \$. De cette somme, 95 p. 100 (soit 190 000 \$) seront consacrés à vos lésions corporelles. Les 5 p. 100 restants, soit 10 000 \$, pourront vous dédommager de la perte de votre automobile.

5.6 Règlement des demandes

5.6.1 Règlement sur entente mutuelle

Nous pouvons nous entendre avec vous ou avec les autres personnes assurées au sujet de la validité d'une demande de règlement ou du montant de l'indemnité que nous vous verserons.

5.6.2 Règlement par arbitrage

En cas de désaccord, la question peut être soumise à un(e) arbitre si vous-même ou les autres personnes assurées le demandez et que nous y consentons. L'arbitre sera choisi(e) d'après vos exigences et les nôtres. Si les deux parties ne peuvent en arriver à un choix mutuellement acceptable, chacune des parties nommera son (sa) propre arbitre et ces deux personnes en choisiront un(e) autre. Toute décision appuyée par deux arbitres sur trois aura un effet exécutoire. Les arbitres doivent procéder conformément à la *Loi de 1991 sur l'arbitrage* (Ontario).

5.6.3 Règlement par un tribunal

Il se peut aussi que, pour régler un litige, vous ou les autres personnes assurées intentiez une poursuite devant un tribunal ontarien. Dans ce cas, nous avons le droit de demander à ce tribunal de cerner la responsabilité des parties et de fixer le montant de l'indemnité à payer, à moins qu'un autre tribunal ontarien ne se soit déjà prononcé à ce sujet dans une autre poursuite.

5.7 Restrictions et exclusions

5.7.1 Indemnités maximales

1. Nous ne verserons jamais plus que la limite minimale qu'auront fixée, au chapitre de l'assurance de la responsabilité automobile, les autorités du territoire où s'est produit l'accident, quels que soient le nombre de personnes blessées ou tuées et l'ampleur des dommages subis par l'automobile et son contenu. Dans le cas particulier de l'Ontario, notre indemnité ne dépassera pas la limite minimale prescrite par les lois ontariennes.

Exemple

Passager dans une voiture circulant ailleurs qu'en Ontario, vous êtes blessé(e) dans un accident imputable à un(e) automobiliste non assuré(e). À cet endroit, la limite minimale, au chapitre de la responsabilité, est fixée à 100 000 \$. Vos blessures, graves, devraient vous coûter au moins 300 000 \$. Nous ne vous verserons pas plus de 100 000 \$.

2. Nous ne vous indemniserons pas :

- si vous ou les autres personnes assurées pouvez faire une demande de règlement valide en vertu de l'article «Responsabilité» d'une police d'assurance de responsabilité automobile;
- si, là où l'accident s'est produit, vous pouvez être indemnisé(e) par un fonds créé à des fins d'indemnisation des victimes d'automobilistes non assurés ou non identifiés;
- de pertes ou de dommages imputables à des substances radioactives;
- pour la première tranche de 300 \$ de la valeur des dommages infligés à l'automobile et à son contenu lors d'un accident;
- de plus de 25 000 \$ pour chaque accident ayant entraîné des dommages à l'automobile et à son contenu;
- si un(e) conducteur(trice) nommément exclu(c) dans la police se trouvait au volant lors de l'accident.

5.7.2 Limite en présence de plusieurs polices

Il se peut que vous ou les autres personnes assurées puissiez être indemnisés par plusieurs polices d'assurance couvrant les accidents auxquels ont contribué des automobiles non assurées ou non identifiées. Si tel est le cas, rappelez-vous que toute personne présentant une demande de règlement en vertu de la présente garantie (ou de toute autre) ne peut être indemnisée qu'une seule fois pour le même accident.

5.8 Poursuites intentées par vous-même ou les autres personnes assurées

5.8.1 Copies des documents

Si vous, les autres personnes assurées ou votre représentant(e) respectif(ve) décidez de poursuivre le (la) propriétaire, le (la) conducteur(trice) ou l'utilisateur(trice) d'une autre automobile ayant contribué à l'accident, vous devez nous fournir une copie des documents pertinents dès que la poursuite est entamée, en les faisant livrer ou expédier par courrier recommandé à notre agent(e) principal(e) ou notre siège social en Ontario.

5.8.2 Impossibilité de recouvrer les sommes dues après jugement

Si vous ne pouvez obtenir que la personne responsable de l'accident vous verse l'indemnité ordonnée par le tribunal, nous vous indemniserons sur demande, jusqu'à concurrence :

- soit de la totalité de l'indemnité,
- soit de la différence entre cette dernière et ce que vous ou les autres personnes assurées avez déjà reçu.

L'indemnité que nous vous verserons sera évidemment conforme aux limites et conditions de la garantie visant les accidents provoqués par des automobiles non assurées ou non identifiées.

5.8.3 Cession de l'indemnité

Avant de vous indemniser, il se peut que nous exigions, de vous, des autres personnes assurées ou de votre représentant(e) respectif(ve), la cession de la totalité ou du solde de l'indemnité que vous a accordée le tribunal. Si nous recevons ainsi plus que ce que nous avons déjà payé, nous rembourserons la différence, moins nos frais.

5.9 Restrictions relatives aux poursuites

5.9.1 Respect des conditions de la présente police

Nul ne peut, sans avoir au préalable satisfait aux exigences du présent article (Automobile non assurée) de la police, nous poursuivre en vue d'obtenir quelque indemnité pour lésions corporelles ou dommages matériels imputables à un accident impliquant une automobile non assurée ou non identifiée.

5.9.2 Délais à respecter - Poursuites pour perte ou dommages

Toute poursuite contre nous, dans le cas de la perte ou de l'endommagement de l'automobile ou de son contenu, doit être entamée dans l'année suivant l'événement qui y a donné lieu.

Toute poursuite contre nous, s'il s'agit de la perte ou de l'endommagement de biens autres que l'automobile ou son contenu, doit être entamée au plus tard deux ans après l'événement qui y a donné lieu.

5.9.3 Délais à respecter - Poursuites pour lésions corporelles ou décès

Toute poursuite contre nous, si elle découle de lésions corporelles ou d'un décès, doit être entamée au plus tard deux ans après l'événement qui y a donné lieu.

Article 6

Garantie d'indemnisation directe en cas de dommages matériels

Vous avez une garantie particulière pour une automobile donnée seulement si une prime est indiquée sur le Certificat d'assurance-automobile pour cette garantie ou s'il y est indiqué que la garantie est fournie sans frais.

6.1 Introduction

Le présent article de votre police vous protège en cas de dommages à l'automobile ou à certaines remorques non décrites dans votre Certificat d'assurance-automobile, ainsi qu'à leurs composantes ou contenu; il s'applique également à la perte de jouissance de l'automobile ou de son contenu à la suite d'un accident survenu en Ontario par la faute d'un(e) autre automobiliste.

La garantie n'entre en jeu que si l'accident a lieu en Ontario et qu'au moins une des autres automobiles impliquées est protégée par une police d'assurance de responsabilité automobile. Cette police doit avoir été souscrite auprès d'une compagnie d'assurance qui est titulaire d'un permis en Ontario ou s'est inscrite auprès de la Commission des assurances de l'Ontario dans le but d'offrir la garantie en cause.

On dit qu'il s'agit d'une indemnisation directe du fait que vous serez indemnisé(e) par votre propre assureur même si vous ou toute autre personne utilisant ou conduisant l'automobile avec votre consentement n'êtes pas entièrement responsable de l'accident.

6.2 Portée de la garantie

Nous vous indemniserons pour les dommages subis par l'automobile, ses composantes et son contenu et pour la perte de jouissance de l'automobile ou de son contenu qui découlent d'un accident dont une autre personne aurait été tenue légalement responsable n'eût été de l'article 263 de la *Loi sur les assurances* (Ontario) qui vous prive de votre droit de la poursuivre. Pour réparer ou remplacer l'automobile ou les biens en cause, nous ne paierons pas plus que leur valeur réelle en espèces au moment de l'accident, moins le pourcentage applicable de la franchise indiquée sur votre Certificat d'assurance-automobile.

Si une pièce requise pour les réparations n'est plus disponible, nous ne paierons pas plus, à son égard, que le plus récent prix courant demandé par son fabricant.

Nota : N'oubliez pas que cette garantie n'entre pas en jeu si l'automobile est décrite dans une autre police d'assurance de responsabilité automobile.

Exemple

Vous conduisez l'automobile d'un(e) ami(e). Cette automobile est décrite dans la police d'assurance de responsabilité automobile souscrite par votre ami(e). Vous subissez un accident dont vous n'êtes pas responsable.

Votre ami(e) pourra réclamer une indemnité en vertu de la garantie d'indemnisation directe en cas de dommages matériels de sa police.

Nous ne verserons aucune indemnité pour les dommages ou la perte de jouissance de biens transportés contre rémunération.

6.3 Personnes assurées

Quand une automobile est endommagée, seul(e) son (sa) propriétaire peut être indemnisé(e).

Quand le contenu de l'automobile est endommagé, seul(e) le (la) propriétaire des biens en cause peut être indemnisé(e).

6.4 Calcul des indemnités

6.4.1 Responsabilité

L'indemnité que nous pourrions vous verser en vertu du présent article variera en proportion de votre responsabilité ou de celle de l'autre conducteur(trice) dans l'accident.

Cette responsabilité est établie d'après la *Loi sur les assurances* (Ontario) et les *règles de détermination de la responsabilité*. Il se peut que vous ou l'autre conducteur(trice) soyez jugé(e) entièrement ou partiellement responsable de l'accident.

La proportion de responsabilité est exprimée sous la forme d'un pourcentage.

6.4.2 Franchise

La garantie d'indemnisation directe en cas de dommages matériels peut comporter une franchise. La franchise est le montant que vous acceptez de prendre à votre charge lors d'une demande de règlement présentée en vertu du présent article. Elle est, le cas échéant, indiquée dans votre Certificat d'assurance-automobile. La franchise est multipliée par le pourcentage de votre non-responsabilité ou de celle du (de la) conducteur(trice) dans l'accident. Vous ne pouvez intenté de poursuite contre quiconque (le [la] conducteur(trice) responsable, par exemple) afin de recouvrer cette franchise.

Si votre automobile et son contenu ont été endommagés, la franchise s'appliquera d'abord à la perte de votre automobile et le reste, le cas échéant, à celle de son contenu.

Vous devrez présenter une demande de règlement distincte pour chaque accident et payer la franchise pour chacune, de même que pour chaque automobile assurée.

Nous verserons une indemnité correspondant à la portion des dommages totaux qui est égale au pourcentage de votre non-responsabilité ou de celle du (de la) conducteur(trice) dans l'accident, moins la franchise prévue dans la garantie d'indemnisation directe en cas de dommages matériels.

Exemple n° 1

(L'autre conducteur(trice) est entièrement responsable de l'accident)

La valeur réelle en espèces de votre automobile est fixée à 12 000 \$. Vous êtes impliqué(e) dans un accident dont quelqu'un d'autre est à 100 p. 100 responsable. Votre voiture est une perte totale.

La garantie d'indemnisation directe en cas de dommages matériels comporte une franchise de 300 \$. Nous vous verserons une indemnité de 11 700 \$ (soit 12 000 \$ moins 300 \$). Nous vous indemniserons également des frais de transport raisonnables.

En résumé, vous recevrez 11 700 \$. Vous devrez payer la franchise de 300 \$.

Exemple n° 2

(Vous êtes en partie responsable de l'accident- aucune garantie facultative contre la perte ou les dommages)

La valeur réelle en espèces de votre automobile est fixée à 12 000 \$. Vous êtes impliqué(e) dans un accident et êtes tenu(e) à 25 p. 100 responsable de l'accident. Celui-ci a entraîné la perte totale de votre automobile.

La garantie d'indemnisation directe en cas de dommages matériels comporte une franchise de 300 \$. Elle couvre les dommages (moins la franchise) dont l'autre conducteur(trice) est responsable. La franchise est à votre charge. Nous vous verserons une indemnité de 8 775 \$ (9 000 \$, soit 75 p. 100 de la valeur de votre automobile, moins 225 \$, soit 75 p. 100 de la franchise).

En résumé, vous recevrez 8 775 \$. Vous paierez 225 \$ (ce qui représente la franchise) et tous les autres frais. Dans le présent exemple, il vous en coûtera 3 225 \$. (Cependant, vous pourriez recouvrer une partie de ce montant si vous avez souscrit des garanties facultatives contre la perte ou les dommages en vertu de l'article 7.)

Exemple n° 3

(Dommages au contenu de l'automobile)

Imaginons qu'au moment de l'accident, vous reveniez de louer une ponceuse à planchers d'un magasin spécialisé. L'appareil, qui vaut 600 \$, est entièrement détruit et vous êtes tenu(e) à 25 p. 100 responsable de l'accident.

La garantie d'indemnisation directe en cas de dommages matériels comporte une franchise de 300 \$. Nous vous verserons une indemnité de 225 \$ (450 \$, soit 75 p. 100 de la valeur de la ponceuse, moins 225 \$, soit 75 p. 100 de la franchise).

En résumé, vous recevrez une indemnité de 225 \$. Vous devrez payer 225 \$ (soit la franchise) et la proportion des dommages pour lesquels vous êtes responsable.

Exemple n° 4

(Dommages à l'automobile et à son contenu)

Vous êtes impliqué(e) dans un accident dont vous n'êtes pas responsable. Les frais de réparation de votre automobiles s'élèvent à 250 \$. Le contenu, d'une valeur de 125 \$, est entièrement détruit.

La garantie d'indemnisation directe en cas de dommages matériels comporte une franchise de 300 \$. Nous ne verserons aucune indemnité (250 \$ moins 250 \$) relativement aux dommages à votre automobile et paierons 75 \$ (125 \$ moins 50 \$) au propriétaire du contenu de l'automobile.

En résumé, le propriétaire du contenu de l'automobile recevra 75 \$. Vous devrez payer la franchise de 300 \$.

6.5 Obligations des personnes assurées

Quand vous et les autres personnes assurées présentez une demande de règlement pour dommages matériels, vous devez :

- nous informer par écrit de l'accident dans les sept jours suivant l'événement (ou, si vous ne pouvez le faire pour cause d'incapacité, aussitôt que possible), nous donnant toutes les précisions que vous possédez alors au sujet de la perte, des dommages et des circonstances;
- faire tout en votre pouvoir, dans les limites du raisonnable, pour protéger l'automobile d'autres dommages, auquel cas nous vous dédommagerons de vos frais. Si vous ne prenez pas ces précautions, les dommages subséquents que subirait l'automobile ne seront pas couverts par votre police;
- vous abstenir de faire réparer l'automobile, sauf dans la mesure du nécessaire pour la protéger, et de retirer des preuves des dommages, à moins que nous y ayons donné notre consentement ou ayons pu examiner l'automobile;
- nous permettre de prendre copie de tout document se trouvant en votre possession ou en celle d'autres personnes assurées et qui se rapporte à l'accident;
- nous permettre d'examiner l'automobile à toute heure raisonnable;
- à notre demande, faire dans les 90 jours suivant l'accident une déclaration solennelle dans laquelle vous préciserez les circonstances de l'accident, ainsi que la cause et l'ampleur des dommages, identifierez les victimes et l'ampleur de leurs pertes et affirmerez que les dommages sont effectivement d'origine accidentelle. Vous devrez également nous informer de toute autre police d'assurance pertinente;
- accepter de disposer vous-même de l'automobile, sauf si nous convenons de le faire nous-mêmes. Si nous décidons de la remplacer ou de vous en verser la valeur réelle en espèces, moins la franchise applicable, ce qui en reste devient notre propriété.

6.6 Droit de réparer, remplacer ou reconstruire l'automobile

Nous pouvons réparer, remplacer ou reconstruire l'automobile plutôt que de vous indemniser pour les dommages subis. Dans ce cas, notre décision vous sera communiquée, à vous ou aux autres personnes assurées, dans les sept jours suivant la réception de la demande de règlement. Nous ferons en sorte que les travaux soient terminés dans un délai raisonnable et que l'on utilise des pièces de même type et qualité.

6.7 Situations diverses que ne couvre pas votre police

6.7.1 Biens contaminés

En vertu du présent article, nous ne vous dédommagerons pas pour les biens se trouvant dans l'automobile qui sont contaminés.

6.7.2 Risque nucléaire

Le risque nucléaire provient des propriétés radioactives, toxiques, explosives et des autres propriétés dangereuses de substances décrites dans le règlement découlant de la *Loi sur la sûreté et la réglementation nucléaires* (Canada).

Si vous ou d'autres personnes assurées avez un accident entraînant une perte ou des dommages directement ou indirectement imputables au risque nucléaire, nous vous dédommagerons jusqu'à concurrence de 200 000 \$, sous réserve que l'un(e) ou l'autre d'entre vous soyez protégé(e) de ce risque à la fois par la présente police et par une police comportant une garantie de responsabilité découlant du risque nucléaire. Ce dédommagement ne vous sera disponible qu'une fois la limite de cette dernière police épuisée.

6.7.3 Montant de l'indemnité

Si vous êtes en désaccord avec la proportion de responsabilité qui vous a été attribuée en vertu des *Règles de détermination de la responsabilité* ou avec tout règlement proposé, vous pouvez introduire une action contre nous afin que la question soit réglée par un juge.

Ou bien, si le désaccord a trait à la valeur du véhicule ou de son contenu ou à la nature, au montant ou aux coûts des réparations, la question peut être réglée par une évaluation en vertu de la *Loi sur les assurances* si nous convenons ensemble du processus. Chacun de nous désignera un évaluateur. S'ils sont tous deux d'accord, les évaluateurs conviendront du montant. S'ils sont en désaccord, ils désigneront un arbitre qui devra trancher quant à la position à adopter.

Article 7

Garanties contre la perte ou les dommages (Facultatives)

Vous avez une garantie particulière pour une automobile donnée seulement si une prime est indiquée sur le Certificat d'assurance-automobile pour cette garantie ou s'il y est indiqué que la garantie est fournie sans frais.

7.1 Introduction

7.1.1 Perte ou endommagement de votre automobile

Nous nous engageons à payer tous les frais reliés à la perte ou à l'endommagement direct et accidentel d'une automobile décrite et de son contenu, qui surviennent à la suite d'un incendie, d'un vol ou d'une collision, à la condition que l'automobile soit assurée contre ces risques.

L'expression «perte ou dommage direct» désigne la perte ou les dommages résultant directement d'un risque couvert par une garantie.

Le présent article ne s'applique que si les dommages causés à une automobile et à ses composants ne sont pas couverts en vertu de l'article 6 - Garantie d'indemnisation directe en cas de dommages matériels d'une police d'assurance de responsabilité automobile.

Nous pouvons inspecter l'automobile et son équipement à tout moment jugé raisonnable. Si vous ne respectez pas les dispositions raisonnables prises aux fins de l'inspection, il est possible que vos garanties en vertu du présent article soit annulées et que les demandes de règlements présentées en vertu du présent article vous soient refusées.

Les garanties contre la perte ou les dommages peuvent s'appliquer à d'autres automobiles que celles qui sont décrites dans votre police. L'article 2 donne plus de détails à ce sujet et précise les conditions pertinentes.

7.1.2 Garanties offertes

Vous trouverez ci-dessous les quatre types de garanties qui vous sont offertes. Celles que vous aurez choisies figureront à votre Certificat d'assurance-automobile.

Nota : Toutes les garanties sont assujetties aux dispositions du paragraphe 7.2.

- A. Risques spécifiés** - Nous ne vous indemniserons que pour la perte ou les dommages causés par les risques suivants : un incendie; le vol ou la tentative de vol; la foudre, les tempêtes de vent, la grêle ou la crue des eaux; les tremblements de terre; les explosions; les émeutes ou les troubles publics; la chute ou l'atterrissage forcé d'aéronefs ou de pièces d'aéronefs; ou l'échouement, le naufrage, le feu, le déraillement ou la collision de tout véhicule transportant l'automobile décrite sur terre ou sur l'eau.
- B. Risques multiples** - Nous vous indemniserons en cas de perte ou de dommages autres que ceux qui sont couverts par la garantie collision ou versement, y compris :
 - les risques spécifiés;
 - la chute d'objets ou les objets volants;
 - les missiles;
 - le vandalisme.
- C. Collision ou versement** - Nous vous indemniserons de la perte ou des dommages résultant de la collision de l'automobile décrite avec un autre objet ou de son versement. Le terme «objet» englobe :
 - une autre automobile, quand elle est attachée à l'automobile décrite;
 - le sol;
 - tout objet se trouvant dans ou sur le sol.
- D. Tous risques** - Cette garantie combine les garanties collision ou versement et risques multiples. Nous vous indemniserons en outre de la perte ou des dommages découlant du vol de l'automobile décrite par une personne habitant sous votre toit ou par tout(e) employé(e) qui a charge de la conduire, de l'entretenir ou de la réparer.

7.2 Portée de la garantie

7.2.1 Généralités

Nous ne vous indemniserons pas de l'un ou l'autre des pertes ou dommages suivants, à moins qu'ils ne résultent d'un risque contre lequel vous êtes assuré(e) ou que vous ne soyez assuré(e) contre le feu, le vol ou le vandalisme :

- dommages aux pneus;
- bris mécanique ou panne de toute composante de l'automobile ou dommages en résultant;
- rouille, corrosion, usure, gel ou explosion à l'intérieur du moteur ou dommages en résultant.

Exemple

Nous ne vous indemniserons pas d'une crevaison survenue en conduite normale; par contre, si le pneu est détruit dans une collision et que vous possédiez la garantie collision ou versement, nous vous verserons ce que valait votre pneu au moment de l'accident.

Nous ne vous indemniserons pas des pertes ou dommages :

- résultant d'une affirmation mensongère de propriété, de la disposition illégale ou du vol de l'automobile par toute personne qui en a légalement la possession en vertu d'un accord écrit (hypothèque, vente conditionnelle, bail ou autre entente similaire);
- résultant d'une cession mutuellement convenue, même si elle a été frauduleusement obtenue;

Exemple

Tard un soir, lors d'une réception, vous vendez votre automobile à un inconnu qui vous remet un chèque en échange. La semaine suivante, vous vous rendez compte qu'il s'agissait d'un chèque sans provision. Nous ne vous indemniserons pas.

- résultant d'une contamination par des substances radioactives;
- infligés au contenu d'une remorque;
- infligés au matériel enregistré ou à un accessoire utilisé avec un appareil enregistreur, supérieurs à la somme de 25 \$. Nous ne vous indemniserons pas pour le matériel enregistré et les accessoires lorsqu'ils sont séparés d'un appareil enregistreur. Le matériel enregistré comprend, mais sans s'y limiter, les bandes sonores, les disques compacts, les vidéocassettes et les vidéodisques numériques.

7.2.2 Utilisation illicite de l'automobile

Nous ne vous indemniserons pas des pertes ou dommages subis dans un accident, quand :

- vous étiez incapable de conduire sûrement l'automobile du fait que vous aviez consommé des substances intoxicantes;
- vous avez été jugé(c) coupable, aux termes du Code criminel du Canada ou de toute autre loi canadienne ou américaine, de l'un ou l'autre des délits suivants :
 - négligence criminelle causant le décès,
 - négligence criminelle causant des lésions corporelles,
 - conduite dangereuse d'une automobile,
 - délit de fuite lors d'un accident,
 - conduite avec facultés affaiblies ou avec un taux d'alcoolémie de plus de 80 mg,
 - refus de subir l'alcootest,
 - avoir causé des lésions corporelles en conduisant une automobile avec facultés affaiblies ou avec un taux d'alcoolémie de plus de 80 mg,
 - conduite d'une automobile sans permis valide,
 - tout autre délit de même nature,
 - que vous avez commis au moyen d'une automobile ou lorsque vous utilisiez, conduisiez ou aviez la charge d'une automobile;
- vous avez utilisé l'automobile dans une course, une épreuve de vitesse ou une activité illégale, ou permis qu'elle le soit;
- vous conduisez l'automobile en dépit d'une interdiction légale;
- une autre personne conduit l'automobile dans l'une ou l'autre de ces conditions, avec votre consentement.

7.2.3 Exclusion de certains vols

Les garanties Risques multiples et Risques spécifiés ne s'appliqueront pas si la perte ou les dommages résultent du vol de l'automobile par une personne vivant sous votre toit.

Il en sera de même si la perte ou les dommages résultent du vol de l'automobile par l'un(e) de vos employés qui est chargé(e) de sa conduite, de son entretien ou de sa réparation, même si cette personne commet le vol hors de ses heures de travail.

7.3 Franchise

Nos garanties peuvent comporter une franchise. La franchise est le montant que vous acceptez de prendre à votre charge lors d'une demande de règlement présentée en vertu du présent article. Elle est toujours indiquée dans votre Certificat d'assurance-automobile.

Vous devez présenter une demande de règlement distincte pour chaque accident et payer la franchise pour chacune, de même que pour chaque automobile assurée.

Nous ne vous indemniserons que des pertes ou dommages dont la valeur est supérieure à celle de la franchise. Si l'article 6 - Garantie d'indemnisation directe en cas de dommages matériels s'applique également à la demande de règlement, l'indemnité que nous vous verserons en vertu du présent article ne comprendra pas la franchise prévue dans la garantie d'indemnisation directe en cas de dommages matériels applicables. La franchise que vous payez en vertu du présent article correspondra à la franchise de la garantie contre les collisions multipliée par le pourcentage de votre responsabilité ou de celle du (de la) conducteur(trice) de l'automobile dans l'accident.

Exemple n° 1

Vous souscrivez une garantie Risques multiples qui comporte une franchise de 300 \$. Le pare-brise de votre automobile est brisé par la chute d'un arbre. Vous devrez payer la première tranche de 300 \$ des frais de remplacement du pare-brise. Les dommages inférieurs à 300 \$ sont à votre charge.

Exemple n° 2**(Vous êtes en entièrement responsable de l'accident - avec garanties facultatives contre la perte ou les dommages)**

La valeur réelle en espèces de votre automobile est fixée à 12 000 \$. Vous êtes impliqué(e) dans un accident et en êtes tenu(e) à 100 p. 100 responsable. Celui-ci a entraîné la perte totale de votre automobile.

Vous ne recevrez aucune indemnité en vertu de la garantie d'indemnisation directe en cas de dommages matériels.

Vous avez souscrit une garantie facultative de collision ou versement qui comporte une franchise de 500 \$. Aux termes de cette garantie, nous vous verserons une indemnité de 11 500 \$ (soit 12 000 \$ moins 500 \$, le montant de la franchise).

En résumé, vous recevrez 11 500 \$ et devrez payer 500 \$ (ce qui représente la franchise de la garantie de collision).

Exemple n° 3**(Vous êtes en partie responsable de l'accident - avec garanties facultatives contre la perte ou les dommages)**

La valeur réelle en espèces de votre automobile est fixée à 12 000 \$. Vous êtes impliqué(e) dans un accident et en êtes tenu(e) à 25 p. 100 responsable. Votre automobile est une perte totale.

Votre garantie d'indemnisation directe en cas de dommages matériels comporte une franchise de 300 \$. En vertu de cette garantie, nous vous verserons une indemnité de 8 775 \$ (9 000 \$, soit 75 p. 100 de la valeur de votre automobile, moins 225 \$, soit 75 p. 100 de la franchise).

Vous avez souscrit une garantie facultative de collision ou versement qui comporte une franchise de 500 \$. Aux termes de cette garantie, nous vous verserons également une indemnité de 2 875 \$ (3 000 \$, soit 25 p. 100 de la valeur de votre automobile, moins 125 \$, soit 25 p. 100 de la franchise).

En résumé, vous recevrez une indemnité de 11 650 \$ et devrez payer 350 \$ au titre des franchises.

Exemple n° 4**(Vous êtes en partie responsable de l'accident - avec garanties facultatives contre la perte ou les dommages)**

Vous êtes impliqué(e) dans un accident dont vous êtes à 25 p. 100 responsable. Les dommages s'élèvent à 5 000 \$.

Votre garantie d'indemnisation directe en cas de dommages matériels comporte une franchise de 300 \$. En vertu de cette garantie, nous vous verserons une indemnité de 3 525 \$ (3 750 \$, soit 75 p. 100 de 5 000 \$, moins 225 \$, soit 75 p. 100 de la franchise).

Vous avez souscrit une garantie facultative de collision ou versement dont la franchise s'élève à 500 \$. Aux termes de cette garantie, nous vous verserons également 1 125 \$ (1 250 \$, soit 25 p. 100 de 5 000 \$, moins 125 \$, soit 25 p. 100 de la franchise).

En résumé, vous recevrez 4 650 \$ et devrez payer une franchise de 350 \$.

La garantie contre la perte ou les dommages imputables au feu ou à la foudre ne comporte aucune franchise.

7.4 Autres avantages

Toutes les garanties que vous choisissez en vertu du présent article comportent les avantages supplémentaires suivants :

7.4.1 Paiement des frais

Nous prendrons à notre charge tous les frais d'avarie commune, de sauvetage et de lutte contre l'incendie, ainsi que tous les droits de douane canadiens ou américains dont un risque assuré vous rend légalement responsable.

Exemple

Votre voiture est endommagée par un incendie. Le service local de lutte contre l'incendie vous facture son travail. Il faut importer une boîte de vitesses neuve pour faire réparer l'automobile. Nous paierons la facture du service d'incendie, les droits d'importation, les pièces de rechange et les frais de réparation.

Dans le cadre de cette garantie, les frais de sauvetage sont ceux que l'on engage pour récupérer les biens en cause afin d'éviter qu'un risque assuré n'en entraîne la perte.

C'est le transport maritime de l'automobile qui peut entraîner des frais d'avarie commune. S'il devient indispensable de jeter une partie de la cargaison à la mer pour sauver le navire, il se pourrait qu'en vertu de la loi vous deviez prendre à votre charge une partie des pertes. Nous vous en dédommagerons.

7.4.2 Renonciation à notre droit de recouvrer des sommes versées

Si un accident se produit au moment où une automobile décrite est conduite par quelqu'un d'autre avec votre consentement, nous paierons la demande de règlement qui en résulte. Nous renoncerons également à notre droit de recouvrer les sommes versées auprès de cette personne.

Toutefois, nous conserverons notre droit de recouvrer les sommes versées dans l'un ou l'autre des cas suivants :

- si la personne en cause a la charge de l'automobile dans le cadre d'une activité commerciale l'amenant à vendre, réparer, entretenir, garder ou garer des automobiles;
- si la personne en cause a contrevenu à toute disposition de la police dans son usage de l'automobile ou l'a utilisée dans les circonstances décrites à l'alinéa 7.2.2.

Exemples

- 1^{er} Vous permettez à une amie de prendre votre automobile; elle l'endommage en heurtant une bouche d'incendie. Nous paierons les réparations et ne la poursuivrons pas pour récupérer l'indemnité.
- 2^e Vous confiez votre voiture au (à la) préposé(e) d'un terrain de stationnement ou d'un garage. En la garant, il (elle) en érafle une aile. Nous paierons les réparations et nous nous ferons dédommager par le propriétaire du garage, car il (elle) avait la garde de l'automobile dans le cadre d'une activité commerciale.
- 3^e Vous permettez à un ami d'utiliser votre voiture. À votre insu, il la conduit après avoir trop bu et heurte un arbre. Nous paierons les réparations, mais nous nous ferons dédommager par votre ami. Conduire avec des facultés affaiblies contrevient non seulement à la loi, mais aussi aux dispositions de votre police.

7.4.3 Automobiles de remplacement temporaire

Quand vous ou toute autre personne conduisez une automobile de remplacement temporaire (voir cette définition à l'article 2), il se peut que vous soyez tenu(e) responsable de tout dommage soit en vertu de la loi, soit en vertu d'une entente à laquelle vous ou le (la) conducteur(trice) aurez donné votre assentiment. Dans une telle situation, nous paierons les dommages directs dont vous ou le (la) conducteur(trice) êtes légalement responsable, moins la franchise prévue dans votre police pour le risque en cause.

Par contre, si le (la) propriétaire de l'automobile de remplacement possède une garantie contre ce genre de dommages et que la police en cause prévoit une franchise supérieure à la vôtre pour de tels dommages, nous ne paierons pas plus que la différence entre les deux franchises.

En cas de litige au sujet de la responsabilité des dommages, nous sommes en droit, tout comme en vertu de l'article 3 - Responsabilité, de régler la question de la manière qui nous convient; nous paierons les frais d'enquête, de négociation ou de poursuite.

Exemple n° 1

Vous louez une automobile pour remplacer la vôtre, accidentée, qui est en réparation. Au volant de votre voiture de location, vous lui causez des dommages évalués à 800 \$. La garantie Collision de la police de l'entreprise de location prévoit une franchise de 1 000 \$. Votre propre police, pour la même garantie, fixe la franchise à 500 \$. Nous ne paierons pas plus de 300 \$ (800 \$ moins 500 \$).

Exemple n° 2

Vous louez une automobile pour remplacer la vôtre, accidentée, qui est en réparation. Au volant de votre voiture de location, vous lui causez des dommages évalués à 2 800 \$. La garantie Collision de la police de l'entreprise de location prévoit une franchise de 1 000 \$. Votre propre police, pour la même garantie, fixe la franchise à 500 \$. Notre indemnité sera de 500 \$, soit la différence entre les deux franchises.

7.4.4 Perte de jouissance en raison d'un vol

Si vous possédez les garanties Tous risques, Risques multiples ou Risques spécifiés, nous vous verserons, en cas de vol d'une automobile décrite, la somme de 30 \$ par jour pour la location d'une automobile de remplacement.

Si vous préférez ne pas louer d'automobile, nous vous verserons quotidiennement la même somme pour l'utilisation de taxis et des transports en commun.

Cette indemnisation ne commencera qu'après 72 heures suivant le signalement du vol à nous-mêmes ou aux services policiers. Vous continuerez d'être indemnisé(e) jusqu'à la réparation complète ou au remplacement de votre automobile, ou à défaut jusqu'à ce qu'on vous offre une compensation financière définitive, même si votre police vient à échéance après le vol.

Quelles que soient les circonstances, nous ne paierons pas plus de 900 \$ pour ces frais.

7.5 Obligations des personnes assurées

Lorsque vous présentez une demande de règlement en vertu du présent article, vous et les autres personnes assurées devez :

- nous informer par écrit de l'incident dans les sept jours suivant l'événement (ou, si vous ne pouvez le faire pour cause d'incapacité, aussitôt que possible), nous donnant toutes précisions que vous possédez alors au sujet de la perte, des dommages et des circonstances;
- faire tout en votre pouvoir, dans les limites du raisonnable, pour protéger l'automobile d'autres dommages, auquel cas nous vous dédommagerons de vos frais. Si vous ne prenez pas ces précautions, les dommages subséquents que subirait l'automobile ne seront pas couverts par votre police;
- vous abstenir de faire réparer l'automobile, sauf dans la mesure du nécessaire pour la protéger, et de retirer des preuves des dommages, à moins que nous y ayons donné notre consentement ou ayons pu examiner l'automobile;
- nous permettre de prendre copie de tout document se trouvant en votre possession ou en celle d'autres personnes assurées et qui se rapporte à l'incident;
- nous permettre d'examiner l'automobile à toute heure raisonnable;
- à notre demande, faire dans les 90 jours suivant l'incident une déclaration solennelle dans laquelle vous préciserez les circonstances de l'incident, ainsi que la cause et l'ampleur des dommages, identifierez les victimes et l'ampleur de leurs pertes et affirmerez que les dommages sont effectivement d'origine accidentelle. Vous devrez également nous informer de toute autre police d'assurance pertinente;
- accepter de disposer vous-même de l'automobile, sauf si nous convenons de le faire nous-mêmes. Si nous décidons de la remplacer ou de vous en verser la valeur réelle en espèces, moins la franchise indiquée sur votre Certificat d'assurance-automobile, ce qui en reste devient notre propriété.

7.6 Droit de réparer, remplacer ou reconstruire l'automobile

Nous pouvons réparer, remplacer ou reconstruire l'automobile plutôt que de vous indemniser pour les dommages subis. En ce cas, notre décision vous sera communiquée à vous ou aux autres personnes assurées dans les sept jours suivant la réception de la demande de règlement. Nous ferons en sorte que les travaux soient terminés dans un délai raisonnable et que l'on utilise des pièces de même type et qualité.

7.7 Montant de l'indemnité

Nous ne paierons pas plus que la valeur réelle en espèces de l'automobile au moment où elle a été endommagée ou volée, moins la franchise indiquée sur votre Certificat d'assurance-automobile.

La perte ou les dommages seront notamment évalués d'après la valeur réelle en espèces de l'automobile, moins la dépréciation. Pour la faire réparer, nous ne paierons pas plus que sa valeur réelle en espèces au moment où elle a été endommagée ou volée, moins la franchise indiquée sur votre Certificat d'assurance-automobile.

Nous verserons donc le moindre des montants suivants :

- le coût de la réparation de la perte ou des dommages, moins la franchise;
- la valeur réelle en espèces de l'automobile au moment où elle a été endommagée ou volée, moins la franchise.

Exemple

Il y a trois ans, vous avez acheté une automobile neuve, au prix de 16 000 \$. Sa valeur réelle en espèces est aujourd'hui de 10 000 \$. Vous détenez une garantie complète facultative et votre franchise est de 500 \$. Si un incendie détruit complètement l'automobile, nous ne paierons pas plus de 10 000 \$ en vertu de la garantie facultative. Si l'automobile vous est volée, nous ne paierons pas plus de 9 500 \$ (10 000 \$ - 500 \$) en vertu de la garantie facultative).

Nous ne paierons pas plus de 1 500 \$ à l'égard des pertes d'accessoires ou d'équipement électronique autres que l'équipement installé par le fabricant ou des dommages qui peuvent y être causés. Nous paierons la valeur réelle en espèces de l'équipement jusqu'à concurrence de 1 500 \$ au total.

Font partie «des accessoires et équipement électroniques», mais sans s'y limiter, les radios, les lecteurs de cassettes, les lecteurs de disques compacts, les haut-parleurs, les téléphones, les émetteurs-récepteurs, y compris les radios BP, les radios amateurs et VHF, les téléviseurs, les télécopieurs, les appareils électroniques de navigation, les dispositifs de positionnement et de repérage, les ordinateurs et autres articles de nature semblable. «Équipement installé par le fabricant» s'entend des accessoires et de l'équipement électroniques compris dans le prix d'achat de l'automobile neuve.

7.8 Règlement de la demande

Si vous êtes en désaccord quant à la valeur du véhicule ou de son contenu ou à la nature, au montant ou aux coûts des réparations, la question peut être réglée par une évaluation en vertu de la *Loi sur les assurances* si nous convenons ensemble du processus. Chacun de nous désignera un évaluateur. S'ils sont tous deux d'accord, les évaluateurs conviendront du montant. S'ils sont en désaccord, ils désigneront un arbitre qui devra trancher quant à la position à adopter.

Article 8

Nota : La *Loi sur les assurances* (Ontario) exige que les conditions qui suivent fassent expressément partie de toute police d'assurance-automobile émise en Ontario. Pour en faciliter la compréhension, nous avons indiqué dans chacun des articles celles qui s'y appliquent. En cas d'incompatibilité entre le libellé d'une police et le texte qui suit, c'est celui-ci qui prévaut.

Conditions légales

Dans les présentes conditions légales, à moins que le contexte ne s'y oppose, le terme «assuré» s'entend de la personne assurée par le présent contrat, qu'elle soit nommément désignée ou non.

Modification importante du risque

1. (1) L'assuré nommément désigné dans le présent contrat avise promptement par écrit l'assureur ou son agent local de toute modification importante des circonstances constitutives du risque dont il a connaissance.

- (2) Sans préjudice de la partie générale de ce qui précède, l'expression

«modification importante des circonstances constitutives du risque» s'entend en outre :

- (a) d'un changement dans l'intérêt assurable qu'a l'assuré nommé au présent contrat dans l'automobile en raison d'une vente, d'une cession ou de toute autre façon, sauf dans le cas d'un transfert du droit de propriété par succession, par décès ou par des procédures prises en vertu de la *Loi sur la faillite et l'insolvabilité* (Canada),

et, dans le cas d'une assurance contre la perte de l'automobile ou les dommages qui peuvent lui être causés :

- (b) d'une hypothèque, d'un privilège ou d'une charge grevant l'automobile après la présentation de la proposition relative au présent contrat;
- (c) de toute autre assurance du même intérêt, qu'elle soit valide ou non, couvrant les pertes ou dommages déjà couverts par le présent contrat, ou une partie de ceux-ci.

Erreur de classement

2. (1) Si un assuré a été incorrectement classé d'après le système de classement des risques qu'utilise l'assureur ou qu'il est tenu par la loi d'utiliser, l'assureur apporte la correction nécessaire.

Remboursement de l'excédent de prime

- (2) Si une correction est apportée aux termes de la sous-condition (1) de la présente condition, l'assureur rembourse à l'assuré l'excédent de prime, ainsi que les intérêts applicables à la période pendant laquelle a duré l'erreur de classement au taux d'escompte en vigueur à la fin du premier jour du dernier mois du trimestre précédant le trimestre où l'erreur a été commise pour la première fois. Le taux d'escompte à fraction est arrondi au nombre entier supérieur.

Définition

- (3) Dans la sous-condition (2) de la présente condition,

«taux d'escompte» s'entend du taux d'escompte que fixe la Banque du Canada comme le taux d'intérêt minimum qu'elle accorde aux banques figurant à l'Annexe 1 de la *Loi sur les banques* (Canada) sur les sommes d'argent à court terme qu'elle leur avance.

Surprime

- (4) Si une correction est apportée aux termes de la sous-condition (1) de la présente condition dans les soixante jours qui suivent la prise d'effet du présent contrat, l'assureur peut exiger que l'assuré paie une surprime par suite de la correction apportée, sans intérêt.

Mensualités

3. Sauf prévision contraire dans les règlements pris en application de la *Loi sur les assurances*, l'assuré peut payer sa prime, sans encourir de pénalité, par mensualités égales qui, additionnées, donnent le montant total de la prime. L'assureur peut exiger des intérêts à un taux qui ne dépasse pas celui qui est indiqué dans les règlements.

Permission de conduire

4. (1) L'assuré ne doit ni conduire l'automobile ni en faire l'usage, ni autoriser une autre personne à la conduire ou à en faire usage, à moins d'y être autorisé par la loi ou à moins que cette autre personne n'y soit autorisée par la loi.

Usage interdit

- (2) L'assuré ne doit pas utiliser ni autoriser que soit utilisée l'automobile dans une course ou une épreuve de vitesse ou à des fins de commerce ou de transport illicite ou interdit.

Obligations en cas de pertes ou de dommages

5. (1) L'assuré :
- (a) donne à l'assureur un avis écrit, avec tous les renseignements disponibles, de tout incident entraînant des pertes subies par une personne ou des dommages corporels ou la perte de biens ou des dommages causés à ceux-ci et de toute demande de règlement qui en découle;
 - (b) à la demande de l'assureur, atteste, par déclaration solennelle, que la demande de règlement découle de l'usage ou de la conduite de l'automobile et indique si la personne qui conduisait ou était responsable de la conduite de l'automobile au moment de l'accident est ou non assurée par le présent contrat;
 - (c) transmet immédiatement à l'assureur toute lettre, tout document ou avis, ou toute déclaration qu'il a reçus de l'auteur de la demande ou de sa part.
- (2) L'assuré ne doit :
- (a) ni assumer volontairement une responsabilité ni régler un sinistre, sauf à ses propres frais;
 - (b) ni s'immiscer dans des négociations de règlement ou dans une instance.
- (3) Chaque fois que l'assureur le lui demande, l'assuré apporte son aide à l'obtention de renseignements, de preuves, et à la comparution de témoins, et collabore avec l'assureur, sauf pécuniairement, à la défense dans toute action ou instance, ainsi qu'à la poursuite de tout appel.

Obligations en cas de la perte d'une automobile ou des dommages qui lui sont causés

6. (1) En cas de la perte d'une automobile ou de dommages qui lui sont causés et si la perte ou les dommages sont couverts par le présent contrat, l'assuré :
- (a) en donne à l'assureur un avis écrit aussi circonstancié qu'il est alors possible;
 - (b) protège, dans la mesure du possible et aux frais de l'assureur, l'automobile contre toute perte ou tout dommage supplémentaires;
 - (c) remet à l'assureur, dans les quatre-vingt-dix jours qui suivent la date de la perte ou du dommage, une déclaration solennelle énonçant, au mieux de ses connaissances, ce qu'il tient pour véridique de l'assuré, l'endroit, la date, la cause, et l'étendue du sinistre, l'intérêt de l'assuré et de toute autre personne dans l'automobile, les sûretés la grevant ainsi que toutes les autres assurances, valides ou non, couvrant l'automobile, et attestant que le sinistre n'est pas dû, directement ou indirectement, à un acte ou à la négligence délibérés de l'assuré.
- (2) La perte ou les dommages supplémentaires touchant l'automobile, imputables directement ou indirectement à une faute dans la protection requise par la sous-condition (1) de la présente condition, ne sont pas couverts par le présent contrat.
- (3) Les réparations, autres que celles qui sont immédiatement nécessaires pour protéger l'automobile contre une perte ou des dommages supplémentaires, ne doivent pas être entreprises et aucune preuve matérielle de la perte ou des dommages ne doit être enlevée :
- (a) sans le consentement écrit de l'assureur;
 - (b) tant que l'assureur n'a pas eu un délai raisonnable pour procéder à l'inspection prévue par la condition légale 8.

Interrogatoire de l'assuré

- (4) L'assuré se soumet à un interrogatoire sous serment, et produit aux fins d'un examen, à l'endroit et à la date raisonnables désignés par l'assureur ou son représentant, tous les documents en sa possession ou sous son contrôle qui sont liés à l'affaire en question et permet que des extraits ou des copies soient tirés de ces documents.

L'assureur tenu à la valeur vénale du sinistre

- (5) La garantie de l'assureur se limite à la valeur réelle en espèces de l'automobile, calculée à la date du sinistre; le sinistre est déterminé ou estimé selon la valeur réelle en espèces, après avoir effectué une juste déduction pour la dépréciation, quelle qu'en soit la cause, et ne doit pas

excéder le coût de la réparation ou du remplacement de l'automobile, ou de toute pièce de celle-ci, à l'aide de matériaux de même nature et qualité. Dans le cas où une pièce de rechange est périmée ou ne peut être obtenue, l'assureur n'est alors tenu qu'à la valeur de cette pièce à la date du sinistre. Cette valeur ne doit pas être supérieure au plus récent prix courant du fabricant.

Réparation, reconstruction ou remplacement des biens sinistrés

- (6) L'assureur peut réparer, reconstruire ou remplacer les biens sinistrés plutôt que d'effectuer le règlement en espèces stipulé dans la condition légale 9 s'il donne un avis écrit de son intention dans les sept jours qui suivent la réception de la preuve du sinistre.

Délai des réparations

- (6.1) L'assureur effectuera les réparations, la reconstruction ou le remplacement prévu à la sous-condition (6),
- (a) dans un délai raisonnable après avoir soumis l'avis requis prévu la sous-condition (6), si une évaluation prévue la sous-condition (2.1) de la condition légale 9 n'est pas effectuée eu égard la demande;
 - (b) dans un délai raisonnable après avoir reçu la détermination de l'évaluation quant aux questions en litige, si une évaluation prévue à la sous-condition (2.1) de la condition légale 9 est effectuée eu égard à la demande.

Pièces neuves ou de rechange

- (6.2) Aux fins de la sous-condition (6), l'assureur peut réparer, reconstruire ou remplacer les biens par de nouvelles pièces fournies par le fabricant original ou par des pièces non originales ou remises à neuf de marque et de qualité semblables aux biens sinistrés.

Délaissement interdit; sauvetage

- (7) L'automobile ne peut être abandonnée à l'assureur sans le consentement de ce dernier. Si l'assureur choisit de remplacer l'automobile ou d'en payer la valeur réelle en espèces, la valeur de sauvetage appartient à l'assureur.

Délai

7. L'avis prévu à la sous-condition (1) de la condition légale 5 et à la sous-condition (1) de la condition légale 6 est donné à l'assureur dans les sept jours suivant l'incident ou, si l'assuré ne peut le faire, pour cause d'incapacité, le plus tôt possible par la suite.

Inspection de l'automobile

8. L'assuré permet à l'assureur d'inspecter l'automobile et ses accessoires en tout temps raisonnable.

Délai et mode de paiement des sommes assurées

9. (1) Si l'assureur a décidé de ne pas effectuer les réparations, la reconstruction ou le remplacement des biens sinistrés, il paiera les sommes assurées auxquelles il est tenu en vertu du présent contrat,
- (a) dans les soixante jours qui suivent la réception de la preuve du sinistre, si aucune évaluation prévue à la sous-condition (2.1) n'est effectuée eu égard à la demande;
 - (b) dans les quinze jours qui suivent la réception de la détermination de l'évaluateur concernant les questions en litige, si une évaluation prévue à la sous-condition (2.1) est effectuée eu égard à la demande.

Motifs du refus

- (2) S'il refuse d'acquiescer une demande de règlement, l'assureur informe promptement l'assuré par écrit des motifs pour lesquels il prétend ne pas être tenu de le faire.

Règlement d'un litige par l'entremise d'une évaluation en vertu de l'article 128 de la Loi

- (2.1) L'article 128 de la Loi s'applique à ce contrat si,
- (a) l'assureur a reçu une preuve de sinistre de la part de l'assuré eu égard aux biens sinistrés;
 - (b) l'assuré et l'assureur sont en désaccord,
 - (i) quant la nature et l'étendue des réparations, de la reconstruction ou du remplacement requis ou leur bien-fondé,
 - (ii) quant au montant payable eu égard au sinistre;
 - (c) l'assuré ou l'assureur demande, par écrit, qu'une évaluation soit effectuée en vertu de l'article 128 de la Loi et que l'autre personne concernée accepte.

Introduction d'une action

- (3) L'assuré ne doit pas intenter une action en recouvrement du montant d'une demande de règlement en vertu du présent contrat, à moins que les prescriptions des conditions légales 5 et 6 ne soient respectées.

Prescription des actions

- (4) Les actions et instances contre l'assureur fondées sur le présent contrat doivent être engagées au plus tard dans l'année qui suit la survenance du sinistre en ce qui concerne la perte de l'automobile ou les dommages qui lui sont causés et au plus tard dans les deux années qui suivent la date où la cause d'action a pris naissance en ce qui concerne les pertes subies par des personnes ou les dommages qui leur sont causés ou la perte d'autres biens ou les dommages qui leur sont causés.

Qui peut donner l'avis et les preuves du sinistre

10. L'avis du sinistre peut être donné et les preuves apportées par l'agent de l'assuré dans le présent contrat en cas d'absence ou d'empêchement de l'assuré de donner l'avis ou d'apporter la preuve, si cette absence ou cet empêchement est suffisamment justifié ou, dans un cas semblable ou en cas de refus de l'assuré, par une personne à laquelle une partie des sommes assurées est payable.

Montants de la franchise

- 10.1 (1) Malgré tout ce que le présent contrat contient,
- (a) l'assureur ne sera responsable que des montants excédant le montant de la franchise applicable, le cas échéant, indiqué dans le présent contrat;
- (b) toute disposition du présent contrat relie l'obligation de l'assureur de verser un montant ou d'effectuer la réparation, la reconstruction ou le remplacement de biens sinistrés sera satisfaite par le versement du montant établi en déduisant toute franchise applicable,
- (i) du montant auquel l'assuré aurait autrement droit,
- (ii) aux coûts de la réparation, de la reconstruction ou du remplacement des biens.

Montant de la franchise

- (2) Aux fins la sous-condition (1), un montant que l'assureur n'est pas tenu de verser en vertu de l'alinéa 261(1) ou (1.1) ou 263(5.1) ou (5.2.1) de la *Loi sur les assurances* sera considéré être une franchise en vertu du présent contrat.

Résiliation

11. (1) Sous réserve de l'article 12 de la *Loi sur l'assurance-automobile obligatoire* et des articles 237 et 238 de la *Loi sur les assurances*, l'assureur peut, par courrier recommandé ou par remise à personne, donner à l'assuré un avis de résiliation du contrat.
- (1.1) Si l'assureur donne un avis de résiliation en vertu de la sous-condition (1) pour une raison autre que le non-paiement de toute la prime ou de toute partie de celle-ci qui est due en vertu du contrat ou pour tout frais exigé en vertu de n'importe quelle entente accessoire au contrat ou si l'assureur donne un avis de résiliation conformément à la sous-condition (1.7), l'avis de résiliation annulera le contrat au plus tôt
- (a) le 15^e jour suivant l'avis donné par l'assureur, si l'avis est donné par courrier recommandé ou

Amendments to the Distribution System Code

Note: The text of the amendments is set out in italics below, for ease of identification only.

- Section 1.2 of the Distribution System Code is amended by adding the following immediately after the definition of “connection assets”:

“connection cost agreement” means the agreement referred to in section 6.2.18;
- The definition of “embedded generation facility” in section 1.2 of the Distribution System Code is amended by adding the following at the end of the definition:

, and has the extended meaning given to it in section 1.9;
- Section 1.2 of the Distribution System Code is amended by adding the following immediately after the definition of “embedded generation facility”:

“embedded retail generator” means a customer that:

 - is not a wholesale market participant or a net metered generator (as defined in section 6.7.1);*
 - owns or operates an embedded generation facility, other than an emergency backup generation facility; and*
 - sells output from the embedded generation facility to the Ontario Power Authority under contract or to a distributor;*
- The definition of “large embedded generation facility” in section 1.2 of the Distribution System Code is amended by deleting the phrase “10 MW or more” and replacing it with the phrase “*more than 10 MW*”.
- Section 1.2 of the Distribution System Code is amended by adding the following immediately after the definition of “large embedded generation facility”:

“load displacement” means, in relation to a generation facility that is connected on the customer side of a connection point, that the output of the generation facility is used or intended to be used exclusively for the customer’s own consumption;
- The definition of “micro-embedded load displacement generation facility” in section 1.2 of the Distribution System Code is deleted and replaced with the following:

“micro-embedded generation facility” means an embedded generation facility with a name-plate rated capacity of 10 kW or less;
- The definition of “mid-sized embedded generation facility” in section 1.2 of the Distribution System Code is amended by deleting the phrase “less than 10 MW” and replacing it with the phrase “*10 MW or less*”.
- Section 1 of the Distribution System Code is amended by adding the following immediately after section 1.8:

1.9 Extended Meaning of Embedded Generation Facility

A distributor shall, for all purposes under this Code, treat a generation facility that is connected on the customer side of a connection point to the distribution system as an embedded generation facility. To that end:

 - the terms “connect”, “connected” and “connection” when used in relation to such a generation facility shall be interpreted accordingly; and*
 - the distributor shall treat the owner or operator of the generation facility as a generator in relation to the connection and operation of that generation facility.*
- Section 5.2.1 of the Distribution System Code is deleted and replaced with the following:

A distributor shall require that an embedded retail generator whose embedded generation facility has a gross name-plate capacity of more than 10 MW install a four-quadrant interval meter. A distributor shall require that a net metered generator (as defined in section 6.7.1) and an embedded retail generator whose embedded generation facility has a gross name-plate capacity of 10 MW or less install such metering as may reasonably be required having regard to:

- a. the meter data requirements necessary to enable the distributor to settle amounts owing to or from the embedded retail generator; and*
- b. the type of generation facility or generation technology of the embedded generation facility.*

10. Section 5.2.2 of the Distribution System Code is deleted and replaced with the following:

A distributor shall meter a customer with an embedded generation facility, other than an embedded retail generator or a net metered generator (as defined in section 6.7.1), in the same manner as the distributor's other load customers.

11. Section 6.2.1 of the Distribution System Code is amended by adding the following at the end of that section:

or an embedded generation facility that is used exclusively for load displacement purposes

12. Section 6.2.3 of the Distribution System Code is amended as follows:

- (a) by removing the word "and" at the end of paragraph c;
- (b) by replacing the "." at the end of paragraph d with "; and"; and
- (c) by adding the following immediately after paragraph d:
 - e. the name, telephone number and e-mail address of the distributor's representative for inquiries relating to the connection of embedded generation facilities.*

13. Section 6.2 of the Distribution System Code is amended by adding the following immediately after section 6.2.4:

Queuing Process

6.2.4.1 Subject to section 6.2.4.2, a distributor shall establish and maintain a queuing process under which the distributor will process applications for the connection of embedded generation facilities. The queuing process shall meet the following requirements:

- a. each application for connection, including an application under section 6.2.25, will be placed in the queue on a first-come, first-served basis upon completion of the connection impact assessment for the embedded generation facility;*
- b. the distributor shall notify the applicant of its queue position;*
- c. an application shall be removed from the queue if a connection cost agreement has not been signed in relation to the connection of the embedded generation facility within 12 months of the date on which the application was placed in the queue;*
- d. an application shall be removed from the queue if a new connection impact assessment is prepared for an embedded generation facility under section 6.2.15 and the new assessment differs in a material respect from the original connection impact assessment prepared for that facility; and*
- e. the distributor shall provide the applicant with two months' advance notice of the expiry of the 12-month period referred to in paragraph c prior to removing the application from the queue.*

6.2.4.2 Section 6.2.4.1 does not apply to an application to connect a micro-embedded generation facility. Applications to connect to which the queuing process does not apply, including by virtue of section 6.2.1, shall be processed by a distributor in accordance with this Code as and when received.

14. Sections 6.2.5, 6.2.6, 6.2.7, 6.2.8, 6.2.24 and 6.2.26, Appendix E and Appendix F of the Distribution System Code are amended by deleting the phrase "micro-embedded load displacement generation facility" or "micro-embedded load displacement generator" wherever they appear in those sections and those Appendices and replacing them with the phrase "micro-embedded generation facility".

15. Section 6.2.9 of the Distribution System Code is amended as follows:

- (a) by deleting the phrase "requesting the meeting" at the end of the first sentence of the opening paragraph of that section and replacing it with the phrase "providing the required information"; and
- (b) by deleting paragraph d of that section and replacing it with the following:
 - d. the proposed locations of the proposed generation facility including addresses and account numbers with the distributor where available.*

16. Section 6.2 of the Distribution System Code is amended by adding the following immediately after section 6.2.9:

6.2.9.1 Upon request, a distributor shall provide the following to a person that has requested a meeting under section 6.2.9:

- a. a description of the portion of the distributor's distribution system relevant to the person's embedded generation facility, including the corresponding portions of an up-to-date system schematic map showing, at a minimum, the following:*

- *major distribution and sub-transmission lines;*
- *transformer and distribution stations;*
- *the voltage levels used for distribution;*
- *sufficient geographic references to enable the person to correlate all of the above features with a municipal road map; and*
- *such other information as the Board may from time to time determine; and*

b. *subject to section 6.2.9.4, information on voltage level, fault level and minimum/maximum feeder loadings for up to three locations in the distributor's service area.*

6.2.9.2 *The distributor shall provide the information referred to in section 6.2.9.1 without charge and within the 15 days referred to in section 6.2.9.*

6.2.9.3 *Upon request, a distributor shall, subject to section 6.2.9.4, provide the information referred to in section 6.2.9.1(b) to a person that has requested a meeting under section 6.2.9 for one or more additional locations beyond the three required by section 6.2.9.1(b). The distributor shall use reasonable efforts to provide such information within the 15 days referred to in section 6.2.9, but shall in any event provide that information within a further 15 days. The distributor may recover from the person the reasonable costs incurred by the distributor in preparing the information for the additional locations.*

6.2.9.4 *A distributor may withhold information on minimum/maximum feeder loadings where the distributor believes on reasonable grounds that the disclosure of such information could be used to identify the load characteristics of an existing customer and that the loading information is therefore commercially sensitive. A distributor shall, before deciding to withhold such information, make reasonable efforts to obtain the consent of the existing customer to the disclosure of the loading information.*

17. Section 6.2.18 of the Distribution System Code is amended by adding the following at the beginning of that section:

A distributor shall enter into a connection cost agreement with an applicant in relation to a small embedded generation facility, a mid-sized embedded generation facility or a large embedded generation facility. Amendments to the Retail Settlement Code

Note: The text of the amendments is set out in italics below, for ease of identification only.

- Section 1.2 of the Retail Settlement Code is amended by adding the following immediately after the definition of "embedded distributor":
"embedded generation facility" means a generation facility which is not directly connected to the IESO-controlled grid but instead is connected to a distribution system, and has the extended meaning given to it in section 1.9 of the Distribution System Code;
- Section 1.2 of the Retail Settlement Code is amended by deleting the definition of "embedded retail generator" and replacing it with the following:
"embedded retail generator" means a customer that:
(a) is not a wholesale market participant or a net metered generator (as defined in section 6.7.1 of the Distribution System Code);
(b) owns or operates an embedded generation facility, other than an emergency backup generation facility; and
(c) sells output from the embedded generation facility to the Ontario Power Authority under contract or to a distributor;
- Section 3.2 of the Retail Settlement Code is amended by deleting the four sentences immediately preceding Equation 3.2(e) on page 12 and replacing them with the following:
A distributor shall purchase energy from an embedded retail generator within its service area where such embedded retail generator has indicated that it intends to generate electricity for delivery and sale directly to the distributor, provided that the embedded retail generator has obtained such licences from the Board as may be required. The price at which such energy sales shall be settled will be the competitive electricity price as described in Appendix "A" to the Code. Notwithstanding any other provision of this Code, where an embedded retail generator has a contract with the Ontario Power Authority under which the Ontario Power Authority is purchasing output from the embedded generation facility, a distributor shall settle all applicable payments or charges associated with the contract, and shall do so in accordance with the pricing provisions of the contract and with such rules as may be determined by the Board. A distributor shall calculate the supply facility loss factor using equation 3.2(e).

Priority of payments from special purpose accounts

2. (1) Money shall be paid out of a special purpose account established under section 6 or 11 of the Act as follows:

1. First, to compensate the Crown in right of Ontario for the costs incurred as described in subsections 6 (2.1) and 11 (2.1) of the Act.
2. If any money remains after payment under paragraph 1, or if no money is paid under paragraph 1, then to compensate direct private victims of the unlawful activity, in accordance with this Regulation.
3. If the Crown has elected not to seek payment under paragraph 1 and any money remains after payment under paragraph 2, then to compensate the Crown in right of Ontario, pursuant to subsections 6 (3.2) and 11 (3.2) of the Act.
4. If any money remains after payment under paragraph 3, or if no money is paid under paragraph 3, then to compensate direct public victims in accordance with this Regulation.

1. First, to compensate the Crown in right of Ontario, in accordance with this Regulation.
2. If any money remains after payment under paragraph 1, or if no money is paid under paragraph 1, then to compensate direct public victims in accordance with this Regulation.

If the amount of money in any special purpose account is insufficient to satisfy the Crown's costs under subsection 6 (2.1), paragraph 3 of subsection 6 (3) or subsection 6 (3.2) of the Act, subsection 11 (2.1), paragraph 3 of subsection 11 (3) or subsection 11 (3.2) of the Act or subsection 15 (2.1) or paragraph 2 of subsection 15 (3) of the Act, then the amount of the Crown's unsatisfied costs shall be taken out of another account into which money has been deposited after payment of compensation to direct private victims and after payment to the Crown for compensation for its costs in respect of that amount.

Adjudicator

4. (1) The Lieutenant Governor in Council may appoint one or more persons to act as adjudicator of the claims made by direct private victims or direct public victims under this Regulation.

(2) An adjudicator shall receive remuneration and expenses as determined by the Lieutenant Governor in Council.

(3) The Attorney General may assign one or more employees of the Ministry of the Attorney General to assist an adjudicator in carrying out his or her duties under this Regulation.

Notice

5. (1) Within three months after the last deposit of money into a special purpose account, the Director shall give notice in accordance with this section.

(2) The notice shall be published in *The Ontario Gazette* and may also be published in any other way or ways that, in the opinion of the Director, will bring the right to make a claim for compensation to the attention of direct private victims or direct public victims of the unlawful activity to which the special purpose account relates.

(3) The notice shall,

- (a) identify the proceeding under the Act as a result of which the money was deposited into the special purpose account;
- (b) state that any direct private victim who suffered pecuniary or non-pecuniary losses as a result of the unlawful activity in relation to which the proceeding was commenced is entitled to make a claim for compensation;
- (c) state that any direct public victim that suffered pecuniary losses as a result of the unlawful activity that are expenses incurred in remedying the effects of the unlawful activity is entitled to make a claim for compensation;
- (d) describe the steps to be taken to make a claim;
- (e) name the final day for filing, which shall not be earlier than three months after the first publication of the notice in *The Ontario Gazette*;
- (f) state that a claim that does not comply with this Regulation will be denied;
- (g) give an address and telephone number to which inquiries about potential claims may be directed;
- (h) give an address where claims should be filed;
- (i) include any other information that the Director considers appropriate.

(4) Despite clause (3) (e), the Director may extend the time for filing of a claim by a direct private victim where there are identified direct private victims and the Director is satisfied that reasonable efforts have not been made to locate them and inform them of their right to make a claim for compensation prior to the final day for filing a claim.

(5) If the Director is of the opinion, having regard to the number of potential direct private or direct public victim claimants for compensation from a special purpose account and to the amount available for compensation from the account, that the amount of compensation to each direct private victim claimant or the payment to each direct public victim claimant would be too small to justify the administrative costs of adjudicating the claims, the Director may decide that no compensation will be paid to any claimant from the special purpose account and, in that case, he or she shall not give notice in accordance with this section.

Claim

6. (1) A direct private victim or direct public victim claimant shall use the claim form provided by the Director.

(2) The claim of a direct private victim claimant shall include a description of the claimant's pecuniary losses supported by documentary evidence of the losses, including all receipts and invoices and, if applicable, a description of the claimant's non-pecuniary losses supported by documentary evidence of the losses.

(3) The claim of a direct public victim claimant shall include a description of the claimant's pecuniary losses that are expenses incurred in remedying the effects of the unlawful activity supported by documentary evidence of the losses, including all receipts and invoices.

(4) The claim shall identify any other sources from which compensation for the losses claimed by the claimant under this section has been paid, is payable or may be payable to the claimant, and the amount of that compensation.

(5) The claim shall be filed on or before the final day for filing.

(6) The claimant shall revise the information required under subsection (4) as the information changes or as more such information becomes available to the claimant, even after receiving compensation from the special purpose account under section 8 or 9.

No payments made until all claims are adjudicated

7. (1) No payments shall be made out of the special purpose account to direct private victim claimants until all the claims filed by direct private victim claimants in accordance with section 6 have been adjudicated and the amount of compensation to each claimant is determined under section 8 or 9.

(2) No payments shall be made out of the special purpose account to direct public victim claimants until all the claims that they have filed in accordance with section 6 have been adjudicated and the amount of compensation payable to each such claimant is determined under section 8 or 9.

Determination of eligibility and amount of compensation

8. (1) The adjudicator shall review all the direct private victim and direct public victim claims filed on or before the final day for filing and shall determine,

- (a) each claimant's eligibility for compensation; and
- (b) the amount of compensation to be paid to each eligible claimant.

(2) A direct victim claimant is eligible for compensation from the special purpose account if the claim is filed in accordance with section 6 of this Regulation and if the adjudicator is satisfied by the claim and by any other information obtained by the adjudicator under section 19 of the Act that,

- (a) the claimant suffered pecuniary or non-pecuniary losses as a result of the unlawful activity;
- (b) the amount of the losses can be quantified;
- (c) full or partial compensation for the losses has not been paid or is not payable to the claimant from other sources; and
- (d) sufficient proof of the losses has been provided.

(3) A direct public victim claimant is eligible for compensation from the special purpose account if the claim is filed in accordance with section 6 and if the adjudicator is satisfied by the claim that,

- (a) the claimant suffered pecuniary losses as a result of the unlawful activity that are expenses incurred in remedying the effects of the unlawful activity;
- (b) the amount of the losses can be quantified;
- (c) full or partial compensation for the losses has not been paid or is not payable to the claimant from other sources; and
- (d) sufficient proof of the losses has been provided.

(4) In determining whether a direct private victim or direct public victim claimant is eligible for compensation and the amount of compensation to be paid to an eligible claimant, the adjudicator shall have regard to all relevant circumstances, including any behaviour of the claimant that may have directly or indirectly contributed,

- (a) in the case of a direct private victim claimant, to the claimant's losses or to the unlawful activity;
- (b) in the case of a direct public victim claimant, to the claimant's pecuniary losses.

(5) Even if a direct private victim or direct public victim claimant is eligible to receive compensation as determined under subsections (3) and (4), the adjudicator may decline to pay any compensation or may pay a reduced amount of compensation to the claimant if, in the adjudicator's opinion,

- (a) the amount of the compensation would be too small to justify the administrative costs of paying it;
- (b) the losses suffered by the claimant are remote from the unlawful activity; or
- (c) the claimant receives or is entitled to receive an amount under section 12.

Direct private victims, amount of compensation where claims exceed balance of account

9. If the total amount of the compensation that would otherwise be paid to all the eligible direct private victim claimants under section 8 exceeds the balance available in the special purpose account, the amount of compensation shall be determined and paid as follows:

1. Compensation for pecuniary losses of direct private victim claimants who are individuals shall be determined first.
2. If the total amount that would otherwise be paid to all the eligible individual direct private victim claimants for pecuniary losses exceeds the balance available in the special purpose account, the amount that would otherwise be paid to each individual direct private victim claimant for pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible individual direct private victim claimants for pecuniary losses.
3. If, in the adjudicator's opinion, the payment for pecuniary losses to each individual direct private victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 1 or 2.
4. If there is any balance available in the special purpose account after compensation for the pecuniary losses of individual direct private victim claimants is determined under paragraph 1 or 2, compensation for pecuniary losses of direct private victim claimants who are not individuals shall be determined.
5. If the total of the amount that would otherwise be paid to all the eligible non-individual direct private victim claimants for pecuniary losses exceeds the balance available in the special purpose account after compensation for the pecuniary losses under paragraph 1 or 2 is paid, the amount that would otherwise be paid to each non-individual direct private victim claimant for pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible non-individual direct private victim claimants for pecuniary losses.
6. If, in the adjudicator's opinion, the payment for pecuniary losses to each non-individual direct private victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 4 or 5.

7. If there is any balance available in the special purpose account after compensation for the pecuniary losses is determined under paragraph 1, 2, 4 or 5, compensation for non-pecuniary losses of direct private victim claimants who are individuals shall be determined.
8. If the total amount that would otherwise be paid to all the eligible individual direct private victim claimants for non-pecuniary losses exceeds the balance available in the special purpose account, the amount that would otherwise be paid to each individual direct private victim claimant for non-pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible individual direct private victim claimants for non-pecuniary losses.
9. If, in the adjudicator's opinion, the payment for non-pecuniary losses to each individual direct private victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 7 or 8.
10. If there is any balance available in the special purpose account after compensation for the pecuniary and non-pecuniary losses is determined under paragraphs 1 to 8, compensation for non-pecuniary losses of direct private victim claimants who are not individuals shall be determined.
11. If the total of the amount that would otherwise be paid to all the eligible non-individual direct private victim claimants for non-pecuniary losses exceeds the balance available in the special purpose account after compensation for the pecuniary and non-pecuniary losses under paragraphs 1 to 10 is paid, the amount that would otherwise be paid to each non-individual direct private victim claimant for non-pecuniary losses shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible non-individual direct private victim claimants for non-pecuniary losses.
12. If, in the adjudicator's opinion, the payment for non-pecuniary losses to each non-individual direct private victim claimant would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under paragraph 10 or 11.

Direct public victims, amount of compensation where claims exceed balance of account

10. (1) If the total amount of the compensation that would otherwise be paid to all the eligible direct public victim claimants under section 8 exceeds the balance available in the special purpose account, the amount that would otherwise be paid to each direct public victim claimant shall be reduced pro-rata in the proportion that the balance of the special purpose account bears to the total amount that would otherwise be paid to all the eligible direct public victim claimants.

(2) If, in the opinion of the adjudicator, the payment to each direct public victim claimant under subsection (1) would be too small to justify the administrative costs of paying them, the adjudicator may decline to pay any compensation under that subsection or may pay a reduced amount of compensation.

Judicial review

11. (1) An adjudicator's decision on a direct private victim claim under section 8 or 9 and on a direct public victim claim under section 8 or 10 is final and not subject to appeal, and shall not be altered or set aside in an application for judicial review or in any other proceeding unless the decision is patently unreasonable.

(2) An application for judicial review from a decision of the adjudicator under section 8, 9 or 10 must be filed by the claimant within 30 days after being notified of the determination that is subject to review.

Payments from other sources

12. (1) The amount that would otherwise be paid to a direct private victim claimant under section 8 or 9 or to a direct public victim claimant under section 8 or 10 shall be reduced by the amount of compensation that has been paid, is payable or may be payable,

- (a) in the case of a direct private victim claimant, to the claimant from any other source with respect to the unlawful activity;
- (b) in the case of a direct public victim claimant, to the claimant from any other source that provides payments related to the unlawful activity.

(2) If, after receiving a payment under section 8, 9 or 10, a direct private victim or direct public victim claimant receives a payment as compensation for some or all of the same losses from another source that was not identified in the claimant's claim or in an amount exceeding the amount identified in the claimant's claim, the claimant shall report the payment to the Director and shall reimburse the Minister of Finance for the amount of money received from the other source that was also paid to the claimant from the special purpose account.

(3) The Minister of Finance may recover the amount of money received by a claimant from another source as compensation for the same losses for which the claimant received money as compensation from the special purpose account, the amount of any overpayment received by the claimant or paid in error to the claimant out of the special purpose account,

- (a) in any court of competent jurisdiction as a debt due to the Crown; or
- (b) by way of deduction or set-off out of any money payable by the Crown to the claimant.

(4) The Minister of Finance shall deposit any reimbursed or recovered money to the special purpose account from which it had been paid.

Determination and payment of compensation to the Crown

13. The Director shall determine the priority of payments and the amount of compensation to be paid to compensate the Crown in right of Ontario as described in the following provisions of the Act:

1. Subsection 6 (2.1), paragraph 3 of subsection 6 (3) and subsections 6 (3.2), (3.3) and (3.4).
2. Subsection 11 (2.1), paragraph 3 of subsection 11 (3) and subsections 11 (3.2), (3.3) and (3.4).
3. Subsections 15 (2.1), paragraph 2 of subsection 15 (3) and subsection 15 (3.2).

Grants to assist victims, prevent unlawful activities

14. (1) The Attorney General may pay grants out of a special purpose account to an institution listed in Column 1 of the Table to section 6 of Ontario Regulation 91/02 (General) made under the Act in order to assist victims of unlawful activities, other than those to whom compensation has been otherwise paid in accordance with this Regulation, and to prevent unlawful activities that result in victimization.

(2) The Attorney General shall establish criteria and guidelines for the payment of the grants, including the eligibility of the institutions referred to in subsection (1) to receive grants.

Transition

15. Despite its repeal, Ontario Regulation 233/03 (Payments out of Special Purpose Accounts) made under the Act continues to apply to all claims with respect to which a determination has been made and a notice of determination sent to the claimant before the day this Regulation comes into force.

Si la Couronne a choisi de ne pas demander de paiement aux termes de la disposition 1 et qu'il reste des fonds après les paiements effectués en application de la disposition 2, aux fins de l'indemnisation de la Couronne du chef de l'Ontario, conformément aux paragraphes 6 (3.2) et 11 (3.2) de la Loi.

Paiement des frais de la Couronne prélevé sur d'autres comptes

3. Si le solde de tout compte spécial ne suffit pas pour l'acquittement des frais de la Couronne aux termes du paragraphe 6 (2.1), de la disposition 3 du paragraphe 6 (3) ou du paragraphe 6 (3.2) de la Loi, du paragraphe 11 (2.1), de la disposition 3 du paragraphe 11 (3) ou du paragraphe 11 (3.2) de la Loi, ou du paragraphe 15 (2.1) ou de la disposition 2 du paragraphe 15 (3) de la Loi, le montant des frais non acquittés de la Couronne est alors prélevé sur un autre compte dans lequel des sommes ont été déposées après qu'une indemnité a été versée aux victimes privées directes et que la Couronne a été indemnisée des frais qu'elle a engagés à l'égard de cette somme.

Arbitre

4. (1) Le lieutenant-gouverneur en conseil peut nommer une ou plusieurs personnes pour agir comme arbitre des demandes présentées par des victimes privées directes ou des victimes publiques directes en vertu du présent règlement.

(2) L'arbitre touche la rémunération et les indemnités que fixe le lieutenant-gouverneur en conseil.

(3) Le procureur général peut nommer un ou plusieurs employés de son ministère pour aider l'arbitre à s'acquitter des fonctions que lui attribue le présent règlement.

Avis

5. (1) Le directeur donne un avis conformément au présent article au plus tard trois mois après le dernier dépôt d'une somme dans un compte spécial.

(2) L'avis est publié dans la *Gazette de l'Ontario* et peut également être publié de toute autre façon qui, de l'avis du directeur, portera le droit de demander une indemnité à l'attention des victimes privées directes ou des victimes publiques directes de l'activité illégale à laquelle se rapporte le compte spécial.

(3) L'avis :

- a) précise l'instance prévue par la Loi à l'issue de laquelle la somme a été déposée dans le compte spécial;
- b) indique que toute victime privée directe qui a subi des pertes pécuniaires ou extrapécuniaires par suite de l'activité illégale à l'égard de laquelle l'instance a été introduite a le droit de demander une indemnité;

- c) indique que toute victime publique directe qui a subi, par suite de l'activité illégale, des pertes pécuniaires qui constituent des frais engagés pour remédier aux effets de l'activité illégale a le droit de demander une indemnité;
- d) décrit les étapes à suivre pour présenter une demande;
- e) fixe l'échéance de production, laquelle ne doit pas tomber moins de trois mois après la date de sa publication initiale dans la *Gazette de l'Ontario*;
- f) indique qu'une demande qui n'est pas conforme au présent règlement sera rejetée;
- g) indique l'adresse et le numéro de téléphone auxquels les demandes de renseignements visant des demandes éventuelles peuvent être présentées;
- h) indique l'adresse où les demandes doivent être produites;
- i) comprend les autres renseignements que le directeur estime utiles.

(4) Malgré l'alinéa (3) e), le directeur peut proroger le délai accordé à une victime privée directe pour produire une demande d'indemnisation lorsqu'il existe des victimes privées directes identifiées et qu'il est convaincu que des efforts raisonnables n'ont pas été déployés pour les trouver et les informer de leur droit de demander une indemnité avant l'échéance de production d'une demande.

(5) Si le directeur est d'avis, eu égard au nombre de victimes privées directes ou de victimes publiques directes qui pourraient présenter des demandes d'indemnisation sur un compte spécial et aux fonds disponibles à cette fin, que le montant de l'indemnité revenant à chaque victime privée directe qui présente une demande ou que le versement revenant à chaque victime publique directe qui présente une demande serait trop petit pour justifier les frais d'administration liés au règlement des demandes, il peut décider qu'aucune indemnité ne sera prélevée sur le compte spécial pour être versée aux auteurs de demandes, auquel cas il ne doit pas donner l'avis prévu au présent article.

Demande

6. (1) La victime privée directe ou la victime publique directe qui présente une demande utilise la formule de demande que fournit le directeur.

(2) La demande que présente une victime privée directe comprend une description des pertes pécuniaires subies par son auteur, preuves documentaires à l'appui, notamment l'ensemble des reçus et des factures et, le cas échéant, une description des pertes extrapécuniaires qu'elle a subies, preuves documentaires à l'appui.

(3) La demande que présente une victime publique directe comprend une description des pertes pécuniaires subies par son auteur qui constituent des frais engagés pour remédier aux effets de l'activité illégale, preuves documentaires à l'appui, notamment l'ensemble des reçus et des factures.

(4) La demande précise les autres sources qui ont versé, qui doivent verser ou qui peuvent verser à son auteur des indemnités pour les pertes dont il demande à être indemnisé en vertu du présent article, ainsi que le montant de ces indemnités.

(5) La demande est produite au plus tard à l'échéance de production.

(6) L'auteur de la demande révisé les renseignements exigés au paragraphe (4) à mesure qu'ils évoluent ou qu'il en apprend de nouveaux, même après avoir reçu une indemnité prélevée sur le compte spécial en application de l'article 8 ou 9.

Aucun paiement avant le règlement de toutes les demandes

7. (1) Aucune somme prélevée sur le compte spécial ne doit être versée aux victimes privées directes qui présentent une demande avant le règlement de toutes les demandes qu'elles ont produites conformément à l'article 6 et la fixation, en application de l'article 8 ou 9, du montant de l'indemnité accordée à chaque auteur d'une demande.

(2) Aucune somme prélevée sur le compte spécial ne doit être versée aux victimes publiques directes qui présentent une demande avant le règlement de toutes les demandes qu'elles ont produites conformément à l'article 6 et la fixation, en application de l'article 8 ou 9, du montant de l'indemnité accordée à chaque auteur d'une demande.

Admissibilité et montant de l'indemnité

8. (1) L'arbitre examine toutes les demandes que des victimes privées directes et des victimes publiques directes ont produites au plus tard à l'échéance de production et :

- a) d'une part, établit l'admissibilité à une indemnité de chaque auteur d'une demande;
- b) d'autre part, fixe le montant de l'indemnité à verser à chaque auteur d'une demande admissible.

(2) La victime directe qui présente une demande est admissible à une indemnité prélevée sur le compte spécial si la demande est produite conformément à l'article 6 du présent règlement et que celle-ci et les autres renseignements obtenus par l'arbitre en vertu de l'article 19 de la Loi le convainquent de ce qui suit :

- a) l'auteur de la demande a subi des pertes pécuniaires ou extrapécuniaires par suite de l'activité illégale;
- b) les pertes peuvent être quantifiées;

- c) d'autres sources n'ont pas indemnisé intégralement ou partiellement l'auteur de la demande des pertes qu'il a subies ni ne doivent le faire;
 - d) une preuve suffisante des pertes a été fournie.
- (3) La victime publique directe qui présente une demande est admissible à une indemnité prélevée sur le compte spécial si la demande est produite conformément à l'article 6 et que celle-ci convainc l'arbitre de ce qui suit :
- a) l'auteur de la demande a subi des pertes pécuniaires, par suite de l'activité illégale, qui constituent des frais engagés pour remédier aux effets de l'activité illégale;
 - b) les pertes peuvent être quantifiées;
 - c) d'autres sources n'ont pas indemnisé intégralement ou partiellement l'auteur de la demande des pertes qu'il a subies ni ne doivent le faire;
 - d) une preuve suffisante des pertes a été fournie.
- (4) Lorsqu'il établit l'admissibilité à une indemnité d'une victime privée directe ou d'une victime publique directe qui présente une demande et qu'il fixe le montant de l'indemnité à verser à l'auteur d'une demande admissible, l'arbitre tient compte de toutes les circonstances pertinentes, y compris tout comportement de l'auteur de la demande qui peut avoir contribué directement ou indirectement :
- a) aux pertes qu'il a subies ou à l'activité illégale, dans le cas d'une victime privée directe qui présente une demande;
 - b) aux pertes pécuniaires qu'il a subies, dans le cas d'une victime publique directe qui présente une demande.
- (5) Même si la victime privée directe ou la victime publique directe qui présente une demande est admissible à une indemnité fixée en application des paragraphes (3) et (4), l'arbitre peut refuser de la lui verser ou peut lui verser une indemnité réduite si, à son avis :
- a) soit le montant de l'indemnité serait trop petit pour justifier les frais d'administration liés à son versement;
 - b) soit le lien entre les pertes subies par l'auteur de la demande et l'activité illégale est ténue;
 - c) soit l'auteur de la demande reçoit ou a le droit de recevoir un montant en vertu de l'article 12.

Victimes privées directes : montant de l'indemnité lorsque les demandes sont supérieures au solde du compte

9. Si le montant total des indemnités qui seraient versées par ailleurs, en application de l'article 8, aux victimes privées directes admissibles qui présentent une demande est supérieur au solde du compte spécial, les indemnités sont fixées et versées comme suit :

1. Les indemnités pour pertes pécuniaires subies par des victimes privées directes qui présentent une demande et qui sont des particuliers sont fixées en premier.
2. Si le montant total des indemnités pour pertes pécuniaires qui seraient versées par ailleurs aux victimes privées directes admissibles qui présentent une demande et qui sont des particuliers est supérieur au solde du compte spécial, l'indemnité pour pertes pécuniaires qui serait versée par ailleurs à chaque victime privée directe qui présente une demande et qui est un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
3. L'arbitre peut refuser de verser les indemnités visées à la disposition 1 ou 2 s'il est d'avis que l'indemnité pour pertes pécuniaires versée à chaque victime privée directe qui présente une demande et qui est un particulier serait trop petite pour justifier les frais d'administration liés à son versement.
4. Les indemnités pour pertes pécuniaires subies par des victimes privées directes qui présentent une demande et qui ne sont pas des particuliers sont fixées si le compte spécial affiche un solde après que les indemnités pour pertes pécuniaires subies par des victimes privées directes qui présentent une demande et qui sont des particuliers ont été fixées en application de la disposition 1 ou 2.
5. Si le montant total des indemnités pour pertes pécuniaires qui seraient versées par ailleurs aux victimes privées directes admissibles qui présentent une demande et qui ne sont pas des particuliers est supérieur au solde du compte spécial après le versement des indemnités pour pertes pécuniaires visées à la disposition 1 ou 2, l'indemnité pour pertes pécuniaires qui serait versée par ailleurs à chaque victime privée directe qui présente une demande et qui n'est pas un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
6. L'arbitre peut refuser de verser les indemnités visées à la disposition 4 ou 5 s'il est d'avis que l'indemnité pour pertes pécuniaires versée à chaque victime privée directe qui présente une demande et qui n'est pas un particulier serait trop petite pour justifier les frais d'administration liés à son versement.
7. Les indemnités pour pertes extrapécuniaires subies par des victimes privées directes qui présentent une demande et qui sont des particuliers sont fixées si le compte spécial affiche un solde après que les indemnités pour pertes pécuniaires ont été fixées en application de la disposition 1, 2, 4 ou 5.

8. Si le montant total des indemnités pour pertes extrapécuniaires qui seraient versées par ailleurs aux victimes privées directes admissibles qui présentent une demande et qui sont des particuliers est supérieur au solde du compte spécial, l'indemnité pour pertes extrapécuniaires qui serait versée par ailleurs à chaque victime privée directe qui présente une demande et qui est un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
9. L'arbitre peut refuser de verser les indemnités visées à la disposition 7 ou 8 s'il est d'avis que l'indemnité pour pertes extrapécuniaires versée à chaque victime privée directe qui présente une demande et qui est un particulier serait trop petite pour justifier les frais d'administration liés à son versement.
10. Les indemnités pour pertes extrapécuniaires subies par des victimes privées directes qui présentent une demande et qui ne sont pas des particuliers sont fixées si le compte spécial affiche un solde après que les indemnités pour pertes pécuniaires et extrapécuniaires ont été fixées en application des dispositions 1 à 8.
11. Si le montant total des indemnités pour pertes extrapécuniaires qui seraient versées par ailleurs aux victimes privées directes admissibles qui présentent une demande et qui ne sont pas des particuliers est supérieur au solde du compte spécial après le versement des indemnités pour pertes pécuniaires et extrapécuniaires visées aux dispositions 1 à 10, l'indemnité pour pertes extrapécuniaires qui serait versée par ailleurs à chaque victime privée directe qui présente une demande et qui n'est pas un particulier est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.
12. L'arbitre peut refuser de verser les indemnités visées à la disposition 10 ou 11 s'il est d'avis que l'indemnité pour pertes extrapécuniaires versée à chaque victime privée directe qui présente une demande et qui n'est pas un particulier serait trop petite pour justifier les frais d'administration liés à son versement.

Victimes publiques directes : montant de l'indemnité lorsque les demandes sont supérieures au solde du compte

10. (1) Si le montant total des indemnités qui seraient versées par ailleurs, en application de l'article 8, aux victimes publiques directes admissibles qui présentent une demande est supérieur au solde du compte spécial, l'indemnité qui serait versée par ailleurs à chaque victime publique directe qui présente une demande est réduite proportionnellement selon le rapport qui existe entre le solde et ce montant.

(2) S'il est d'avis que l'indemnité versée, en application du paragraphe (1), à chaque victime publique directe qui présente une demande serait trop petite pour justifier les frais d'administration liés à son versement, l'arbitre peut refuser de verser les indemnités visées à ce paragraphe ou peut verser des indemnités réduites.

Requête en révision judiciaire

11. (1) La décision que prend l'arbitre à l'égard de la demande d'une victime privée directe, en application de l'article 8 ou 9, et à l'égard de la demande d'une victime publique directe, en application de l'article 8 ou 10, est définitive, n'est pas susceptible d'appel et ne doit pas être modifiée ni annulée dans le cadre d'une requête en révision judiciaire ou de toute autre instance à moins d'être manifestement déraisonnable.

(2) La requête en révision judiciaire d'une décision que l'arbitre prend en application de l'article 8, 9 ou 10 doit être déposée par l'auteur de la demande au plus tard 30 jours après la remise de l'avis de la décision en cause.

Paievements provenant d'autres sources

12. (1) L'indemnité qui serait versée par ailleurs, en application de l'article 8 ou 9, à une victime privée directe qui présente une demande ou, en application de l'article 8 ou 10, à une victime publique directe qui présente une demande est réduite de l'indemnité que lui a versée, que doit lui verser ou que peut lui verser :

- a) toute autre source à l'égard de l'activité illégale, dans le cas d'une victime privée directe qui présente une demande;
- b) toute autre source qui verse des indemnités liées à l'activité illégale, dans le cas d'une victime publique directe qui présente une demande.

(2) La victime privée directe ou la victime publique directe qui a présenté une demande et qui, après avoir reçu un versement en application de l'article 8, 9 ou 10, est indemnisée pour la totalité ou une partie des mêmes pertes par une autre source que ne précise pas la demande ou selon un montant supérieur à celui qui y est précisé en informe le directeur et rembourse au ministre des Finances la somme reçue de l'autre source qui lui a également été versée par prélèvement sur le compte spécial.

(3) Le ministre des Finances peut recouvrer la somme que l'auteur d'une demande a reçue d'une autre source en indemnisation des pertes à l'égard desquelles il a reçu une indemnité prélevée sur le compte spécial, ainsi que le montant d'un paiement en trop prélevé sur le compte spécial que l'auteur d'une demande a reçu ou qui lui a été versé par erreur :

- a) soit devant un tribunal compétent, à titre de créance de la Couronne;
- b) soit en pratiquant une retenue sur toute somme d'argent due par la Couronne à l'auteur de la demande ou en opérant compensation entre les deux sommes.

(4) Le ministre des Finances dépose le montant de toute somme remboursée ou recouvrée dans le compte spécial sur lequel elle a été prélevée.

Fixation de l'indemnité et versement à la Couronne

13. Le directeur détermine l'ordre de priorité des paiements et fixe l'indemnité à verser à la Couronne du chef de l'Ontario en application des dispositions suivantes de la Loi :

1. Le paragraphe 6 (2.1), la disposition 3 du paragraphe 6 (3) et les paragraphes 6 (3.2), (3.3) et (3.4).
2. Le paragraphe 11 (2.1), la disposition 3 du paragraphe 11 (3) et les paragraphes 11 (3.2), (3.3) et (3.4).
3. Le paragraphe 15 (2.1), la disposition 2 du paragraphe 15 (3) et le paragraphe 15 (3.2).

Subventions pour aider les victimes et prévenir des activités illégales

14. (1) Le procureur général peut prélever des fonds sur un compte spécial pour verser des subventions à une institution indiquée à la colonne 1 du tableau de l'article 6 du Règlement de l'Ontario 91/02 (Dispositions générales), pris en application de la Loi afin d'aider les victimes d'activités illégales, autres que celles qui ont été par ailleurs indemnisées conformément au présent règlement, et pour prévenir des activités illégales qui entraînent la victimisation.

(2) Le procureur général établit des critères et des lignes directrices qui régissent le versement des subventions, notamment l'admissibilité des institutions visées au paragraphe (1).

Disposition transitoire

15. Malgré son abrogation, le Règlement de l'Ontario 233/03 (Prélèvements sur les comptes spéciaux), pris en application de la Loi continue de s'appliquer à toutes les demandes à l'égard desquelles une décision a été prise et un avis de décision a été envoyé à l'auteur de la demande avant le jour de l'entrée en vigueur du présent règlement.
